Bruce St John,2023-03-15 Of all the countries in North Africa and the Middle East less has been known about Libya for decades Only recently have we begun to appreciate the complexity of Libya s turbulent past including the revolution in 2011 in which demands for better living conditions and more job opportunities led to widespread protests When the Muammar al Qaddafi regime responded with force to these peaceful protests killing scores of unarmed civilians the protesters called for regime change In what came to be known as the February 17 Revolution the 42 year old Qaddafi regime was overthrown and Qaddafi was killed in October 2011 Over the next decade Libya endured a series of interim transitional governments in a prolonged struggle to draft a new constitution and to elect a democratic national government Historical Dictionary of Libya Sixth Edition contains a chronology an introduction and an extensive bibliography The dictionary section has more than 500 cross referenced entries on important personalities as well as aspects of the country s politics economy foreign relations religion and culture This book is an excellent resource for students researchers and anyone wanting to know more about Libya **Historical Dictionary of the Republic of Guinea-Bissau** Peter Karibe Mendy,Richard A. Lobban,Jr.,2013-10-17

Guinea Bissau is a small country in West Africa and yet it managed to wrest its independence from Portugal back in 1973 at

the cost of a long and bitter struggle against seemingly implacable odds This was a time to be proud of and there was also a moment about two decades ago when it looked like a trendsetter for democracy Since then things have gone seriously wrong with a collapsing infrastructure a dilapidated economy and a political stage prone to military coups d etats This fourth edition of Historical Dictionary of Guinea Bissau tells the long and sometimes unpleasant story However like all the country historical dictionaries it tells it several times and in several ways First the chronology traces the history of what became Guinea Bissau and this over a period of centuries and not just decades Then the introduction recounts that history again providing more insight and understanding and conveys a good idea of how things are going now The details follow in the dictionary section with entries on important persons places institutions and events among other things And the bibliography points to further reading

Historical Dictionary of Kenya Michael Mwenda Kithinji, 2024-06-18 Kenya has a rich and complex history Due to the vast discoveries of prehistoric archaeological remains Kenya is one of the few places in the world with the largest and most complete record of human s cultural development Furthermore the country s strategic location astride the Indian Ocean and the East African littoral attracted numerous foreigners such as the Arabs Persians Portuguese Americans British Chinese French and Germans Additionally immigrants from throughout Africa and beyond have settled in Kenya to escape conflict or political persecution while others wanted an opportunity to begin a new life As a result of being a gateway to the world the country traditionally has been one of the most important business cultural diplomatic and political centers in Africa Still Kenya like many other countries throughout the world has been plagued by an increasing array of complex economic political and social challenges Historical Dictionary of Kenya Fourth Edition contains a chronology an introduction and an extensive bibliography The dictionary section has more than 500 cross referenced entries on important personalities as well as aspects of the country s politics economy foreign relations religion and culture This book is an excellent resource for students researchers and anyone wanting to know more about Kenya

Historical Dictionary of the Ivory Coast/Cote D'Ivoire (African Historical Dictionaries/Historical Dictionaries of Africa) Robert J. Mundt, 1987

Historical Dictionary of Benin Mathurin C. Hounnikpo, 2024-03-06 Benin is now perceived of as a model of democracy in Africa because it has successfully established a democratic political system based on consensus and regular and fair elections and it continues to improve its electoral and parliamentary systems Since its democracy it has taken important steps towards laying the foundation for the rule of law by establishing stable political institutions that can withstand the test of time It has also engaged in an important legal institutional and regulatory reform to establish a more favorable environment for private initiative Historical Dictionary of Benin Fifth Edition contains a chronology an introduction and an extensive bibliography The dictionary section has more than 1 000 cross referenced entries on important personalities as well as aspects of the country s politics economy foreign relations religion and culture This book is an excellent resource for students researchers and anyone wanting to know more about Benin

Historical Dictionary of Lesotho John

Aerni-Flessner, Charles Fogelman, Nthabiseng Mokoena-Mokhali, 2023-11-30 Lesotho's history has long been defined by its enclave status within South Africa but it is a hard fought and hard won status that helps unite Basotho through the shared history of struggle against colonial rule in the region. Since the end of apartheid in 1994 Lesotho's status as a separate entity has been called into question though the fierce national pride built through centuries of resistance to outside rule has mitigated against any serious discussions of incorporating Lesotho into South Africa. Still the political instability and lack of a flourishing domestic economy have made life difficult for the majority of Basotho and could call into question the viability and legitimacy of the state in the eyes of its citizens if it cannot enact significant reforms in the coming decades. Historical Dictionary of Lesotho Third Edition contains a chronology, an introduction and an extensive bibliography. The dictionary section has more than 500 cross referenced entries on important personalities as well as aspects of the country's politics, economy, foreign relations, religion and culture. This book is an excellent resource for students, researchers and anyone wanting to know more about Lesotho.

Historical Dictionary of Guinea Mohamed Saliou Camara, Thomas O'Toole, Janice E. Baker, 2013-11-07 The most significant thing about Guinea is its potential. It is strategically located in West Africa with a well educated and hardworking population and endowed with considerable natural resources indeed enough to make it reasonably affluent if properly utilized. But this potential has never really been tapped due mainly to bad politics with military men following a charismatic politician until finally democracy has been achieved. So more than half a century after achieving independence the question remains unanswered which way will Guinea turn. This fifth edition of Historical Dictionary of Guinea covers the full scope of Guinea's history. This is done through a chronology, an introductory essay, appendixes and an extensive bibliography. The dictionary section has over 800 cross referenced entries on key events, leaders, governmental, international, religious and other private organizations, policies, political movements and parties, economic elements and many other areas that have shaped the country's trajectory. This book is an excellent access point for students, researchers and anyone wanting to know more about Guinea.
