Richard III Chris Skidmore,2018-04-24

From acclaimed historian Chris Skidmore comes the authoritative biography of Richard III England's most controversial king a man alternately praised as a saint and cursed as a villain Richard III is one of English history's best known and least understood monarchs Immortalized by Shakespeare as a hunchbacked murderer the discovery in 2012 of his skeleton in a Leicester parking lot re-ignited debate over the true character of England's most controversial king Richard was born into an

age of brutality when civil war gripped the land and the Yorkist dynasty clung to the crown with their fingertips Was he really a power crazed monster who killed his nephews or the victim of the first political smear campaign conducted by the Tudors In the first full biography of Richard III for fifty years Chris Skidmore draws on new manuscript evidence to reassess Richard s life and times Richard III examines in intense detail Richard s inner nature and his complex relations with those around him to unravel the mystery of the last English monarch to die on the battlefield **More's History of King Richard III** Sir
