Foundation To The Year 1882
(1884)

George Parsons Lathrop

History League Philadelphia Origin Foundation

Carnegie Library of Pittsburgh

History League Philadelphia Origin Foundation:

History of the Union League of Philadelphia, from Its Origin and Foundation to the Year 1882 George Parsons Lathrop, 1884 **History of the Union League of Philadelphia** George Parsons 1851-1898 Lathrop, 2021-09-09 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it. This work is in the public domain in the United States of America and possibly other nations. Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work. Scholars believe and we concur that this work is important enough to be preserved, reproduced, and made generally available to the public. To ensure a quality reading experience, this work has been proofread and republished using a format that seamlessly blends the original graphical elements with text in an easy-to-read typeface. We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant. *History of the Union League of Philadelphia* George Parsons Lathrop, 2008-08-01 This scarce antiquarian book is a facsimile reprint of the original. Due to its age, it may contain imperfections such as marks, notations, marginalia, and flawed pages. Because we believe this work is culturally important, we have made it available as part of our commitment for protecting, preserving, and promoting the world's literature in affordable, high-quality modern editions that are true to the original work. **History of the Union League of Philadelphia, From Its Origin and Foundation to the Year 1882** George Parsons Lathrop, 2023-07-18 Founded in 1862, the Union League of Philadelphia played a pivotal role in the Union war effort during the American Civil War, providing crucial support for military and political leaders alike. In this definitive history of the organization, George Parsons Lathrop traces the League's development over the course of its first twenty years, offering readers a fascinating window into one of America's most important civic institutions. This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it. This work is in the public domain in the United States of America and possibly other nations. Within the United States, you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work. Scholars believe and we concur that this work is important enough to be preserved, reproduced, and made generally available to the public. Classified Catalogue of the Carnegie Library of Pittsburgh. 1907-1911 Carnegie Library of Pittsburgh, 1914

The Boundaries of American Political Culture in the Civil War Era Mark E. Neely Jr., 2009-11-17 Did preoccupations with family and work crowd out interest in politics in the nineteenth century as some have argued? Arguing that social historians have gone too far in concluding that Americans were not deeply engaged in public life and that political historians have gone

too far in asserting that politics informed all of Americans lives Mark Neely seeks to gauge the importance of politics for ordinary people in the Civil War era Looking beyond the usual markers of political activity Neely sifts through the political bric a brac of the era lithographs and engravings of political heroes campaign buttons songsters filled with political lyrics photo albums newspapers and political cartoons In each of four chapters he examines a different sphere the home the workplace the gentlemen s Union League Club and the minstrel stage where political engagement was expressed in material culture Neely acknowledges that there were boundaries to political life however But as his investigation shows political expression permeated the public and private realms of Civil War America

Classified Catalogue of the Carnegie Library of Pittsburgh Carnegie Library of Pittsburgh,1914 **History of the Union League of Philadelphia, from Its Origin and Foundation to the Year 1882 - Primary Source Edition** George Parsons Lathrop,2014-01-14 This is a reproduction of a book published before 1923 This book may have occasional imperfections such as missing or blurred pages poor pictures errant marks etc that were either part of the original artifact or were introduced by the scanning process We believe this work is culturally important and despite the imperfections have elected to bring it back into print as part of our continuing commitment to the preservation of printed works worldwide We appreciate your understanding of the imperfections in the preservation process and hope you enjoy this valuable book [Classified Catalogue of the Carnegie Library of Pittsburgh](#) Pittsburgh, Pa. [Pennsylvania History](#) ,1973 Includes section Book reviews and Book notices **Classified Catalogue of the Carnegie Library of Pittsburgh. 1907-1911** ,1912 *Classified Catalogue* Carnegie Library of Pittsburgh,1914 **No Party Now** Adam I. P. Smith,2006-07-27 During the Civil War Northerners fought each other in elections with almost as much zeal as they fought Southern rebels on the battlefield Yet politicians and voters alike claimed that partisanship was dangerous in a time of national crisis In *No Party Now* Adam I P Smith challenges the prevailing view that political processes in the North somehow helped the Union be more stable and effective in the war Instead Smith argues early efforts to suspend party politics collapsed in the face of divisions over slavery and the purpose of the war At the same time new contexts for political mobilization such as the army and the avowedly non partisan Union Leagues undermined conventional partisan practices The administration s supporters soon used the power of anti party discourse to their advantage by connecting their own antislavery arguments to a powerful nationalist ideology By the time of the 1864 election they sought to de legitimize partisan opposition with slogans like *No Party Now But All For Our Country* *No Party Now* offers a reinterpretation of Northern wartime politics that challenges the party period paradigm in American political history and reveals the many ways in which the unique circumstances of war altered the political calculations and behavior of politicians and voters alike As Smith shows beneath the superficial unity lay profound differences about the implications of the war for the kind of nation that the United States was to become *Patriot Fires* Melinda Lawson,2002-11-27 The Civil War is often credited with

giving birth to the modern American state The demands of warfare led to the centralization of business and industry and to an unprecedented expansion of federal power But the Civil War did more than that as Melinda Lawson shows it brought about a change in American national identity redefining the relationship between the individual and the government Though much has been written about the Civil War and the making of the political and economic American nation this is the first comprehensive study of the role that the war played in the shaping of the cultural and ideological nation state In *Patriot Fires* Lawson explains how when threatened by the rebellious South the North came together as a nation and mobilized its populace for war With no formal government office to rally citizens the job of defining the war in patriotic terms fell largely to private individuals or associations each with their own motives and methods Lawson explores how these interpreters of the war helped instill in Americans a new understanding of loyalty to country Through efforts such as sanitary fairs to promote the welfare of soldiers the war bond drives of Jay Cooke and the establishment of Union Leagues Northerners cultivated a new sense of patriotism rooted not just in the subjective American idea but in existing religious political and cultural values Moreover Democrats and Republicans Abolitionists and Abraham Lincoln created their own understandings of American patriotism and national identity raising debates over the meaning of the American idea to new heights Examining speeches pamphlets pageants sermons and assemblies Lawson shows how citizens and organizations constructed a new kind of nationalism based on a nation of Americans rather than a union of states a European styled nationalism grounded in history and tradition and celebrating the preeminence of the nation state Original in its insights and innovative in its approach *Patriot Fires* is an impressive work of cultural and intellectual history As America engages in new conflicts around the globe Lawson shows us that issues addressed by nation builders of the nineteenth century are relevant once again as the meaning of patriotism continues to be explored
