## History Of Antichrist:

*Naming the Antichrist* Robert C. Fuller, 1996-11-21 The Antichrist though mentioned a mere four times in the Bible and then only obscurely has exercised a tight hold on popular imagination throughout history This has been particularly true in the U S says author Robert C Fuller where Americans have tended to view our nation as uniquely blessed by God a belief that leaves us especially prone to demonizing our enemies In *Naming the Antichrist* Fuller takes us on a fascinating journey through the dark side of the American religious psyche from the earliest American colonists right up to contemporary fundamentalists such as Pat Robertson and Hal Lindsey Fuller begins by offering a brief history of the idea of the Antichrist and its origins in the apocalyptic thought in the Judeo Christian tradition and traces the eventual 71Gws how the colonists saw Antichrist personified in native Americans and French Catholics in Anne Hutchinson Roger Williams and the witches of Salem in the Church of England and the King He looks at the Second Great Awakening in the early nineteenth century showing how such prominent Americans as Yale president Timothy Dwight and the Reverend Jedidiah Morse father of Samuel Morse saw the work of the Antichrist in phenomena ranging from the French Revolution to Masonry In the twentieth century he finds a startling array of hate mongers from Gerald Winrod who vilified Roosevelt as a pawn of the Antichrist to the Ku Klux Klan who drew on apocalyptic imagery in their attacks on Jews Catholics blacks socialists and others Finally Fuller considers contemporary fundamentalist writers such as Hal Lindsey author of *The Late Great Planet Earth* with some 19 million copies sold Mary Stewart Relfe whose candidates for the Antichrist have included such figures as Henry Kissinger Pope John Paul II and Anwar Sadat and a host of others who have found Antichrist in the sinister guise of the European Economic Community the National Council of Churches feminism New Age religions and even supermarket barcodes and fibre optics the latter functioning as the eye of the Antichrist Throughout Fuller reveals in vivid detail how our unique American obsession with the Antichrist reflects the struggle to understand ourselves and our enemies within the mythic context of the battle of absolute good versus absolute evil From the Scofield Reference Bible no other book had greater impact on the American Antichrist tradition to the Scopes Monkey Trial Fuller provides an informative and often startling look at a thread that weaves persistently throughout American religious and cultural life *History of Antichrist* Huchede, 2009 A readable yet authoritative outline of the Catholic tradition on Antichrist based on Scripture the Fathers and Doctors of the Church and Tradition Proves he will come be an individual man rule the entire world and deceive even some of the elect 64 pgs PB [The Origins and Early Development of the Antichrist Myth](#) Gregory C. Demy,2004-03-01 This quick reference will increase readers knowledge of the Bible and End Times and will empower them with a deeper understanding of God s plan for the future An excellent resource for individual or group study This was formerly titled *Fast Facts on Bible Prophecy*     *The Ministry, Vol. 09, No. 04* Various Authors,2005-04-01 This issue of *The Ministry* contains the first group of eight messages given during the 2004 fall term of the Full time Training in Anaheim California The general

subject for this line of messages is the intrinsic significance of the Lord's recovery for the building of the church as the house of God and the city of God. The word recovery means a restoration or a return to a normal condition after damage or loss has been incurred. The principle of recovery is to bring us back to the beginning. Matt 19:8 to God's beginning back to what is normal in God's eyes. We do not want to be in an abnormal situation of division, confusion, or denominationalism or in a situation filled with idols and impurities. We want to be recovered back to the enjoyment of Christ as our all-inclusive good land so that we can be filled with Him in His unsearchable riches and be built up to be the living temple, the house of the living God. 1 Tim 3:15 This is the Body of Christ for His expression. We also want to be built up as the kingdom of God to represent God for His dominion on this earth as pictured by the city of Jerusalem. God's recovery begins with our exercised spirit. God wants to recover the spirit of man for His economy. We can exercise our spirit to contact God, worshipping God in our spirit with Christ as our reality. Thus we are here to build up the church as the house of God and the kingdom of God. Last of all, we include a report concerning the Lord's move in the French-speaking world and an update concerning the distribution of the ministry in Poland.
