Brewer, National Museums & Galleries of Wales, 2002 One of the most important festivals for a Roman legion was the birthday of the eagle which celebrated the anniversary of the legion's foundation For the Second Augustan Legion based in Caerleon this was 23 September birthday of the Emperor Augustus The National Museum celebrated this date for ten years with a prestigious lecture These lectures tracing the life and history of the Legion and related topics became of international renown and are finally available as an anthology beautifully produced in hardback with new illustrations *Journal of the Society for Army Historical Research* Society for Army Historical Research (London, England), 2000 **Legions and Veterans** L. The Most Beautiful Man in Existence Lisa Rosner, 2013-04-06 1833 Catherine Jane Hamilton returned from India to Edinburgh to seek a divorce from her husband the physician Alexander Lesassier The charge was adultery and proof for it lay in a trunk containing her husband's personal papers Catherine won her suit without difficulty and the trunk was deposited in the library of the Royal College of Physicians of Edinburgh Alexander Lesassier died in 1839 during the First Afghan War his trunk and its contents remained untouched for the next century and a half It has now been opened and a remarkable tale told in remarkable detail has spilled forth The life of Alexander Lesassier as expertly reconstructed by Lisa Rosner affords startling insight into the sensibilities of an era and of the man who in his own eyes and those of the women who adored him was its most perfect creation Affable and self absorbed engaging and ignoble Lesassier was a physician military surgeon and novelist who was also a shameless opportunist charming scoundrel seducer and survivor His is the story of a failed medical man who wanted to be something different and saw himself as entitled to more than he had someone who can always be guaranteed to make the wrong choice and then protest that he has done well This fascinating and deeply absorbing book offers rare insights into Georgian Regency and early Victorian Britain through the fortunes and misfortunes hopes and whims of the most beautiful man in existence
