**Thucydides: On Justice, Power, and Human Nature** Thucydides,Paul Woodruff,2021-11-03 Thucydides was the first ancient Greek historian to double as a social scientist He set out to understand human events entirely in human terms without recourse to myth He sought to know why people go to war and how they are affected by its violence He studied the civil war in Corcyra which began when radicals burst into the council house and killed leaders who favored democracy The strengths and weaknesses of democracy are a major theme of his History Its larger story shows how the Athenians tried to expand their empire too far and came to a crushing defeat Here are vivid stories of land and sea battles interspersed with fascinating and disturbing debates about war and policy All of Thucydides s History is here either in summary or translation in a volume short enough for a wide readership This Second Edition is expanded to include all the important debates and battle scenes and the entire translation has been revised in accord with the latest scholarship The Essential Thucydides Hackett fall 2021 is the second edition of Paul Woodruff s On Justice Power and Human Nature Selections from The History of the Peloponnesian War first published by Hackett Publishing Company in 1993 paperback ISBN 978 0 87220 168 2 cloth ISBN 978 0 87220 169 9 , History III Thucydides,1994 Professor Rhodes continues his edition of Thucydides books on the Archidamian War with his edition of Book III providing an Introduction on Thucydides history and on the Peloponnesian War Greek text with selective critical apparatus and facing translation and a commentary which should be useful not only to specialists but also to readers *The Odyssey* Homer,2018-03-28 This is a translation of the epic Greek poem by Homer Provided by publisher History of the World Charles Morris,1904 Thucydides and the History of His Age George Beardoe Grundy,1911 *Fear and Loathing in Ancient Athens* Alexander Rubel,Michael Vickers,2014-09-11 Athens at the

time of the Peloponnesian war was the arena for a dramatic battle between politics and religion in the hearts and minds of the people Fear and Loathing in Ancient Athens originally published in German but now available for the first time in an expanded and revised English edition sheds new light on this dramatic period of history and offers a new approach to the study of Greek religion The book explores an extraordinary range of events and topics and will be an indispensable study for students and scholars studying Athenian religion and politics **Tense-Switching in Classical Greek** Arjan A.

Nijk,2022-02-02 Tense is at its most interesting when it behaves badly In this book Arjan Nijk investigates the variation between the past and present tenses to refer to past events in Classical Greek and beyond Adopting a cognitive approach to the issue he argues that the use of the present for preterite depends on the activation of implicit conceptual scenarios in which the gap between the past and the present is bridged The book is distinguished from previous accounts by its precision in describing these conceptual scenarios the combination of linguistic theorising with philological and statistical methods the size of the corpus under investigation and the explicitly cross linguistic scope It provides a complete overview of the phenomenon of tense switching in Classical Greek as well as new theoretical perspectives on deixis and viewpoint and is important for classicists narratologists and linguists of every stamp This title is also available as Open Access on Cambridge Core
