Lapd Training Manual:

The DARE Regional Training Center Policy Board's Manual for Training Law Enforcement Officers in the DARE Program ,1991 Los Angeles Police Department Meltdown James Lasley,2012-08-08 Once considered among the most respected police departments in the world the LAPD suffered a devastating fall from grace following the 1991 police officer beating of Rodney King and the Los Angeles riots stemming from the officers acquittal in 1992 Unique to the literature of policing management and policy studies Los Angeles Police Departmen **The Truce** Karen Umemoto,2018-07-05 This ethnography of a gang war in the Los Angeles neighborhood of Oakwood just blocks from the famed Venice Beach boardwalk provides a rare eyewitness account of the urban violence pervasive in the recent history of the United States With seventeen people killed and more than fifty injured the hostilities over ten months in 1993 and 1994 marked the peak of gang violence in the history of Los Angeles a city once labeled the gang capital of the nation The conflict began as a quarrel among individuals some of whom had gang affiliations Over time the feud engulfed families and soon grew into a sustained clash between African American and Latino gangs Eventually victims fell who were not members of opposing gangs but who fit certain racial and gender profiles The conflict began to take on the attributes of what one local newspaper sensationalized as a race war Karen Umemoto lived nearby during this conflict and undertook two years of ethnographic research during and immediately following the spate of killings She now offers a nuanced analysis of the trajectory and eventual end of this acute crisis Her interviews with gang members neighborhood residents business leaders police officers and gang intervention workers reveal the complexity of contemporary American urban conflict The Truce highlights the differences in interpretations among combatants witnesses and law enforcement agents and others whose actions often had unintended consequences Drawing on her experience living in multicultural Los Angeles and on the latest scholarship in a wide variety of disciplines Umemoto provides much needed guidance for policymakers and concerned members of the public faced with violence in an ever changing urban landscape **Training the 21st Century Police Officer** Russell W. Glenn,Barbara Raymond,Dionne Barnes-Proby,Elizabeth Williams,John Christian,2003-08-08 Restructure the LAPD Training Group to allow the centralization of planning instructor qualification evaluation and retention and more efficient use of resources Zev's Los Angeles Zev Yaroslavsky,2023-05-30 A LA Times Bestseller A compelling history of our city s last half century as conveyed through the life of one of our most impactful leaders Los Angeles Mayor Karen Bass This is the story of Zev Yaroslavsky the son of Ukrainian Jews who immigrated to the United States in the early 1920s His memoir charts the journey of a young social activist who battled to free Soviet Jews before becoming one of the most consequential elected officials in Southern California Fiercely independent he combined an activist s passion with a seasoned politician s skill to challenge the region s power brokers He fought the Los Angeles Police Department s excessive force and political spying policies led the effort to ban local taxes from funding the 1984 Olympics teamed with President Clinton to avert a

catastrophic county bankruptcy helped develop L A s modern transit system won a bruising battle with real estate interests to save the Santa Monica Mountains from rapacious development and was pivotal in the development of Walt Disney Concert Hall and the modernization of the iconic Hollywood Bowl I may be part of the establishment he said on the day he was first sworn into office but the establishment is not part of me

Liberals with Attitude Danny Goldberg, 2025-10-07 The dramatic and captivating story of an unlikely coalition that formed in the wake of the Rodney King beating to challenge the destructive reign of Los Angeles police chief Daryl Gates LIBERALS WITH ATTITUDE DOCUMENTS THE SIXTEEN MONTHS IN 1991 92 between the brutal beating of Rodney King by four police officers that was captured on a home video camera and the resignation of LAPD chief Daryl Gates Gates was reviled by the local Black and civil liberties communities because of the pattern of racism and brutality in the department and he was uniquely powerful because of the structure of the Los Angeles City Charter and the secret files he kept on local politicians The effort to get Gates to step down after thirteen years as chief and to amend the City Charter to prevent another unaccountable chief from amassing that much power was led by Los Angeles mayor Tom Bradley a former LAPD officer and the first Black mayor of the city To overcome Gates s entrenched power Bradley assembled a team that included future US secretary of state Warren Christopher the local ACLU Congresswoman Maxine Waters and activists who saw the struggle against Gates as an important chapter in the civil rights movement Much of the local media especially the Los Angeles Times was supportive of Bradley s agenda as was the burgeoning gangsta rap culture of LA much of which emerged in reaction to the LAPD Author Danny Goldberg was the chair of the ACLU Foundation of Southern California during those years and was personally acquainted with the leaders of the fight against Gates He interviewed several dozen people who are still alive and got access to thousands of pages of documents among the papers of Stanley Sheinbaum who was married to the heiress of the Warner Bros film fortune Sheinbaum was chosen by Mayor Bradley to be the president of the Los Angeles Police Commission with the specific mission of getting Gates out of office Goldberg s insider saga demonstrates that cooperation between the political left and center is required to overcome white grievance and unaccountable power
