

Feature for feature

is YOUR

BEAUTY

Every CRESTLINER model is trim, well proportioned, appealing to the eye. Wood gunnels and seats add much to both beauty and comfort.

BUOYANCY TANKS

Extra margin of safety is assured by buoyancy tanks, out of the way under the seats.

LIGHT WEIGHT

Larson CRESTLINERS are light weight in spite of rugged construction and heavy gauge aluminum alloy "skins." Easy to carry, easy to transport on car top or trailer.

PERMANENTLY WATERTIGHT

All seams and joints are set in waterproof caulking compound and riveted. CRESTLINER boats cannot leak, are always dry, are instantly ready for service.

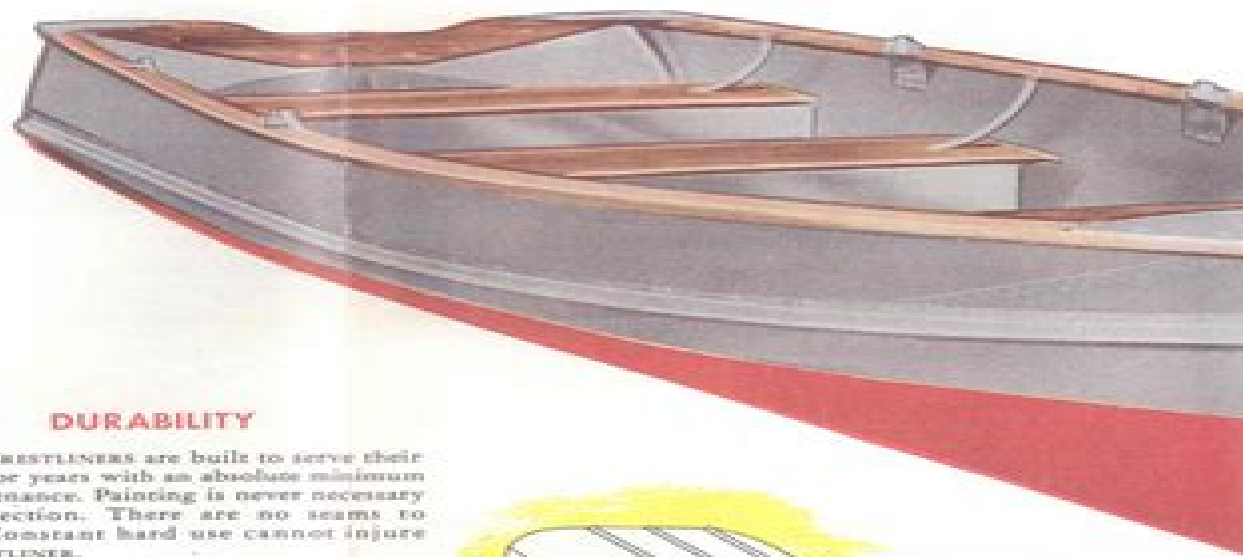

DURABILITY

Larson CRESTLINERS are built to serve their owners for years with an absolute minimum of maintenance. Painting is never necessary for protection. There are no seams to caulk. Constant hard use cannot injure the CRESTLINER.

HEAVY TRANSOM CONSTRUCTION

Great reserve strength is engineered in CRESTLINER transoms. Today's outboard motors exert tremendous stress at the transom. CRESTLINER transoms will not warp or twist, even when the most powerful motors are used.

BC

Crest correct and a new design instead of a plain capsie
