Las Casas Gustavo Gutierrez,2003-01-22 In this passionate work the pioneering author of A Theology of Liberation delves into the life thought and contemporary meaning of Bartolome de Las Casas sixteenth century Dominican priest prophet and Defender of the Indians in the New World Writing against the backdrop of the fifth centenary of the conquest of the Americas Gutierrez seeks in the remarkable figure of Las Casas the roots of a different history and a gospel uncontaminated by force and exploitation *Crosscurrents in Indigenous Spirituality* Guillermo Cook,1997-01-01 Much have been said about the Mayas but they have not been allowed to speak for themselves This collection of original articles by indigenous Mesoamericans in counterpoint with the insights of social scientists makes a significant contribution to intercultural and religious dialogue *In Search of Christ in Latin America* Samuel Escobar,2019-05-21 Noted theologian Samuel Escobar offers a magisterial survey and study of Christology in Latin America Presented for the first time in English this rich resource starts with the first Spanish influence and moves through popular religiosity and liberationist themes in Catholic and Protestant thought of the twentieth and twenty first centuries culminating in an important description of the work of the Latin American Theological Fraternity Von Balthasar & the Option for the Poor Todd Walatka,2017 Hans Urs von Balthasar s vast corpus of theological philosophical literary and pastoral writings remains one of the most impressive achievements in 20th century thought In light of liberation theology and now the papacy of Francis however a theological affirmation of the option for the poor remains dangerously weak in Balthasar s corpus Von Balthasar and the Option for the Poor offers a sympathetic reforming of Balthasar s account of the drama of salvation what he calls theodramatics in response to this weakness *Sixteenth-Century Mission* Robert L. Gallagher,Edward L. Smither,2021-04-07 Did the Reformers lack a vision for missions In *Sixteenth Century Mission* a diverse cast of contributors explores the wide reaching practice and theology of mission during this era Rather than a century bereft of cross cultural outreach we find both Reformers and Roman Catholics preaching the gospel and establishing the church in all the world This overlooked yet rich history reveals themes and insights relevant to the practice of mission today **Christian Ethics** D. Stephen Long,2010-07-29 This Very Short Introduction to Christian ethics introduces the topic by examining its sources and historical basis D Stephen Long presents a discussion of the relationship between Christian ethics modern and postmodern ethics and explores practical issues including sex money and power Long recognises the inherent difficulties in bringing together Christian and ethics but argues that this is an important task for both the Christian faith and for ethics Arguing that Christian ethics are not a precise science but the cultivation of practical wisdom from a range of sources Long also discusses some of the failures of the Christian tradition including the crusades the conquest slavery inquisitions and the Galileo affair Placing them in the context of the theory and practice of ethics and their historical perspective he notes the challenges they raise for Christian ethics He concludes with a discussion of their implications in the modern era considering how this affects our lives in the present age

Burke, 2000-02-04 This book is the first comprehensive analysis of the thought of Ignacio Ellac a a the Jesuit philosopher theologian martyred for his work on behalf of Latin America's oppressed peoples While serving as president of the Jesuit run University of Central America in the midst of El Salvador's brutal civil war Ellac a was also a prolific writer His advocacy on behalf of the country's persecuted majority provoked the enmity of the Salvadoran political establishment On November 16 1989 members of the Salvadoran military entered the university's campus and murdered Ellac a along with five other Jesuit priests and two women Kevin F Burke SJ shows why Ellac a is significant not only as a martyr but also as a theologian Ellac a effectively integrated philosophy history anthropology and sociopolitical analysis into his theological reflections on salvation spirituality and the church to create an original contribution to liberation theology Ellac a's writings directly address one of the most vexing issues in theology today can theologians account for the demands arising from both the particularity of their various social historical situations and also the universal claims of Christian revelation Burke explains how Ellac a bases theology in a philosophy of historical reality the ground beneath the cross and interprets the suffering of the crucified peoples in the light of Jesus' crucifixion Ellac a thus inserts the theological realities of salvation and transcendence squarely within the course of human events and he connects these to the Christian mandate to take the crucified peoples down from their crosses Placing Ellac a's thought in the context of historical trends within the Roman Catholic Church particularly Vatican II and the rise of liberation theology in Latin America Burke argues that Ellac a

a makes a distinctive contribution to contemporary Catholic theology *Mobilizing for Human Rights in Latin America* Edward L. Cleary, 2007 In the follow up to his widely read *The Struggle for Human Rights in Latin America* author Edward Cleary examines some of the robust human rights movements of the past two decades in *Mobilizing for Human Rights in Latin America* Advocates of the rights of women indigenous groups the landless and street children have achieved notable gains so much so that in 1999 the New York Times claimed that women have achieved more rights in Latin America than in any other region Cleary establishes a record of why how where and when human rights reached this level It is often assumed that the concept of human rights is something that must be imported by Western liberal democracies to developing countries Cleary shows that human rights has a long history in Latin America distinctive from other traditions and that this tradition has expressed itself profoundly since the military period He argues that the region's unique history is not only creating solutions to issues such as corruption and minority rights but also can offer a valuable balance to the larger international discourse on human rights Catholic Cosmopolitanism and Human Rights Leonard Francis Taylor, 2020-03-05 Provides a more complete account of the human rights project that factors in the contribution of cosmopolitan Catholicism

human struggle for peace and justice **The Poor in Liberation Theology** Tim Noble, 2014-10-14 Liberation theology has since its beginnings over forty years ago placed the poor at the heart of theology and revealed the ideologies underlying both society and church. Meanwhile over this period the progressive church appears to have stagnated and the poor of Latin America have turned increasingly to neo Pentecostalism. *The Poor in Liberation Theology* questions whether the effect of liberation theology is to provide a pathway to God or really to construct idols out of the poor. Combining the conceptual language of the philosophers Jean Luc Marion and Emmanuel Levinas with the methodology of the liberation theologian Clodovis Boff the volume outlines how liberation theology can work to ensure the poor do not become an ideological construct but remain icons of God. Drawing on a wealth of material from Latin American and Europe the book demonstrates the continuing validity and importance of liberation theology and its further potential when engaged with contemporary philosophy.
