NHS Please Don't Kill Me! Dr Ray Radford & Scotty Johnson,2015-10-28 When you need the NHS how can you make sure you get the best possible care Have you ever thought about what you could do to influence and improve the quality of care you receive when using the NHS Or do you just turn up hoping that the healthcare professional in front of you diagnoses and treats you accurately and in your best interests Have you ever walked away from an appointment none the wiser disappointed confused or angry Or worse have you been mis diagnosed or had unnecessary treatment The NHS is something we all rely on We hope that it will deliver the best possible service when we or our loved ones fall ill It is regarded as a shining example and world leader in healthcare provision but in recent years its reputation has been severely tarnished Successive scandals have revealed shocking levels of care harm neglect cover ups and unnecessary deaths If these multiple revelations have taught us anything it is that we have to be prepared and able to take personal responsibility to influence the quality of care we receive Either we enable ourselves to rise to this challenge or risk becoming another unfortunate statistic NHS Please Don t Kill Me is a guide to help you receive

the best possible care By outlining the prevalent cultural and behavioural issues it provides readers with essential skills and ideas that could reduce error and potentially save lives It is an honest transparent and factual book that reflects the real experiences of many people including the authors
