Laughing All The Way The Christmas Letters:

Laughing All the Way: the Christmas Letters John Post, 2015-11-06 When I got married in 1997 I embarked on a journey to write a Christmas letter that our families and friends would look forward to pulling from their mailboxes I wanted them to laugh at our letter not because it was poorly written but because it was amusing But then something unexpected happened One winter day an anesthesiologist at my wife s hospital my wife doesn t actually own the hospital she just works there approached her He said Your family Christmas letter was hilarious I don t recall sending you a letter Doctor squinting at his nametag Morphiney my wife replied politely You didn t he smiled One of the nurses pinned it up on the staff bulletin board with a Must Read sticky note on it Requests for the letter from different hospital employees my wife didn t know and even requests for back issues of our letters for cross reference continued to happen each December So now during this Holiday Season of Giving we ve decided the time has come to share our book of letters with EVERYONE and that includes YOU

The Last Christmas Letter Keith C. Snyder, 2023-05-16 This book started out to be just a culmination of the original 30 Christmas Letters and the stories surrounding them but in the end turned into much more encompassing story of our family and unfortunately my somewhat questionable life decisions and ongoing issues Nothing to worry about here as I am and always have been a law abiding people loving hardworking person but sometimes my way of doing things has left many wondering just what the heck I was thinking As for the book I think it is something that you will enjoy reading as it probably more attune to your own life s stories than you ll probably want to admit Even when I die my picture will be somewhere in the back pages but with my luck it will probably be the one taken that night at the Lewiston Boy s Club and the headline won t be Loving Father and Husband Passes It will read Keith Embarrasses Mother So the next day I show up to grade school with one front tooth missing and my wrist all taped up and the teacher probably wondering what kind of torture I was being put through But in actuality she probably had taught all three of my older brothers and just figured I was just learning to be one of them You just gotta love my family Another thing I have

hilarious fairy tales for adults and children grace these pages An initial glance might lead you to assume that these are
satirical versions of classic Christmas ghost stories However beneath the humorous stories involving ghosts repentant
sinners miracles and good peasants who find well deserved happiness lies a psychological undercurrent that sharpens the
sense of intrigue and plot movement Often this is aided by the unrelenting social exposure of the authors who always
understood how intangible the bourgeois paradise truly was Even today idyllic dreams of tolerance equality and the triumph
of justice have failed to materialize Perhaps that is why people continue to read these classic stories while the snow falls
