His Name Is Ron Our Search For Justice:

His Name Is Ron Kim Goldman, 2014-05-06 This book is not about OJ Simpson or his Dream Team This book is not another rehash of the Trial of the Century It is about Ron Goldman and his blended family Overnight and through tragedy this quiet closely knit family became enmeshed in one of the ugliest and most controversial crimes in recent history The Goldmans provide a wrenching account in their own words of the ripple effect that occurs when a beloved family member is murdered and the extra burdens that develop when grief becomes a public spectacle But more important the family puts a name a face a soul to the young man referred to in the press only as a friend of or a part time waiter and sometime model The Goldmans are a family with whom all of us can identify They share memories of happier times and recount moment by moment learning of Ron's untimely death and the nightmare that followed They share their reactions throughout the criminal trial up to and including the heart stopping verdict And they reveal the details of the civil trial that were never before allowed to be made public due to the gag order imposed on all participants And finally they reveal their determination to bring much needed reforms to the criminal justice system and to give voices to other victims of violent crimes Much of what Ron's family has to say will surprise you will enrage you And most of all will break your heart **His Name is Ron - Our Search for**
