

Love is Freedom

I can't live without loving you,
But, I can't live without my freedom also.
When your love became a cage, tying my wings
I chose my freedom over your love
To fly.

If you miss me,
If you wish to meet me,
Meet me in the sky flying with the freedom,
Meet me if you also love the freedom,
Meet me if you also want to fly,
But this time holding my hand,
Never try to make a cage for your love.

You forgot,
Love is freedom.

It can't breathe in a suffocating cage.

DeLamotte, 2016-11-11 Alice Walker has described the Barbadian American novelist Paule Marshall as unequaled in intelligence vision craft by anyone of her generation to put her contributions to our literature modestly Such praise has echoed through reviews and analyses of Marshall s work since the 1959 publication of *Brown Girl Brownstones* a novel followed by *The Chosen Place the Timeless People* 1969 *Praisesong for the Widow* 1984 and *Daughters* 1991 *Places of Silence Journeys of Freedom* is the first study of Paule Marshall s work to focus explicitly on her contribution to feminism It is also the first to identify one of her original contributions to narrative art a technique of superimposition or double exposure through which her books have explored topics now at the heart of feminist debate Centered around the subject of voice and silence these issues include the interrelation between women s power and powerlessness the interpenetration of the political and economic world with the world of the psyche and the mechanisms through which oppressions on the basis of race class and gender operate as mutually shaping forces The Atheneum, Or, Spirit of the English Magazines ,1818 *New Monthly Magazine, and Universal Register* ,1865 *The Poetical Works of Elizabeth Barrett Browning* Elizabeth Barrett Browning, 1875 **The Anglo American** ,1844 **Serurubele** Kano Shoro, 2017-08-16 Johannesburg performance poet Katleho Kano Shoro puts her stage presence into print with this metapoetic debut collection that captures the cadences of her fearless voice her unassuming sense of humour and her enthusiasm for an Afrocentric literary culture Katleho reflects on creativity on the writing reading and performance of poetry exploring the language that structures it the forces that inspire it and the transformation that follows our experience of it From there her words wander through personal relationships and politics articulating ideas about masculinity sexuality blackness colonialism and our connections to those we love Crafted with both the spoken and written word in mind Serurubele invites you not only to read poetry but to voice it to taste the language as it flows from your tongue to feel its rhythms and to hear its rhyme Katleho has performed in Johannesburg Cape Town Grahamstown Swaziland and London and

FemPoetiks of American Poetry and Americana Music Linda Nicole Blair,2021-06-10 From the poems of Anne Bradstreet Phillis Wheatley and Emily Dickinson emerges what the author calls FemPoetiks a discourse of female empowerment Situating the work of these poets in their historical eras Linda Nicole Blair considers a sampling of their poems side by side with a number of song lyrics by singer songwriters Brandi Carlile Rhiannon Giddens and Lucinda Williams having found commonalities of theme motif and language between them Blair argues that while FemPoetiks has continued to develop in various ways in American poetry by women the fact that this discourse finds expression in songs by Americana female artists indicates a matrilineal line of influence from the 1630s to today In order to show the omnipresence of this powerful feminist discourse she closes this book with eleven interviews she conducted with female singer songwriters from around the United States The phenomenon of FemPoetiks is not limited to the arts but extends into all areas of American life from the domestic to the political FemPoetiks is a woman s truth
