Gerhard Lohfink,2014-12-16 Are not all religions equally close to and equally far from God Why then the Church Gerhard Lohfink poses these questions with scholarly reliability and on the basis of his own experience of community in Does God Need the Church In 1982 Father Lohfink wrote *Wie hat Jesus Gemeinde gewollt* translated into English as *Jesus and Community* to show on the basis of the New Testament that faith is founded in a community that distinguishes itself in clear contours from the rest of society In that book he also described a

sequence of events that moved directly from commonality to a community that was readily accessible to every group of people and was made legitimate by Jesus himself Only later did Father Lohfink learn within a new horizon of experience that such a description is not the way to community The story of the gathering of the people of God from Abraham until today never took place according to such a model Today Father Lohfink states that he would not write *Wie hat Jesus Gemeinde gewollt* the same way The situation of belief and believers has undergone a shift the question of the Church has become much more urgent Church life is declining and the religions are returning often in new guises In light of these shifts and the change in his own view of community Father Lohfink inquires in *Does God Need the Church of Israel's theology Jesus praxis the experiences of the early Christian communities and of what is appearing in the Church today* These inquiries lead to an amazing history involving God and the world a history that God presses forward with the aid of a single people and that always turns out differently from what they think and plan

Association Men, 1915 **Seeing God Anew~Enlarge Your View of HIM** Hulon Madeley, 2017-07-18 This book has been written to share many of the now available insights into what our God is really like The two sources for these insights are clearly identified by Paul in Romans 1:19-20 What God is really like has been revealed to us through the biblical record and by the things he has made This volume honors both sources of insight Many insights are drawn from Genesis Exodus Daniel Hebrews John Revelations and The Four Gospels each of these gospels provides us a different perspective on who Jesus really was John's Revelation provides us the climax of what is now becoming visible to us The Geological Survey of Israel has compiled a two volume set entitled *Research in Sinai 1967-1980* This excellent work provides us the physical basis for understanding what happened during all the experiences in the Holy Land This published work was written at the Graduate School level and has been provided in easy to visualize language for today's readers My background in military matters has provided me with the special insights into land warfare in Old Testament times up to the present Although John never saw tanks helicopters personnel carriers etc he described them as they appeared to him in his visions The literary framework of John's Revelation is that of Apocalyptic Literature This style is clearly revealed in Daniel's visions Not understanding this has led to the many conflicting interpretations of John's Revelations The use of all the

His Will in His Way God wants an army of ordinary people to play their part in His Final Battle for Souls Security in God is vital as is Faith to keep following Jesus without being deceived and growing cold towards God God wants to release His people into a SECOND ACT OF JESUS RESURRECTION POWER to do His amazing works of Grace and Mercy He wants us to be aware of the spiritual signs which will continue to increase prior to Jesus return so that we are ready for when He does RETURN for HIS SPOTLESS BRIDE HIS CHURCH Therefore God wants us to STOP and LISTEN to Him Personally God has spoken to me since 1991 regarding The Final Battle and has gradually revealed more and more of His plans but I firmly believe there is very much more revelation to be received by God s people and that this is only just the very beginning The purpose of these revelations is to give vision and to give spiritual insight into the days and times in which we now live It is to inform all people about the urgency of these times by alerting their spiritual reception to what God is planning to do in the coming days In order for people to understand these times they will need to allow God to give birth in their hearts to HOPE FAITH LOVE COMPASSION and VISION with an EXPECTANCY that God will do ALL that He says He will do My prayer is that these revelations will encourage and give assurance of GOD s LOVE for ALL PEOPLE and also give warnings and opportunities to others to receive JESUS GOD S ONLY SON as their SAVIOUR and LORD Therefore this book is a LETTER from GOD S HEART addressed to those who KNOW JESUS who have been born of His Holy Spirit and are seeking to put His will first in their lives HAVE KNOWN JESUS but have lost contact with Him through disappointments disillusionments pain hurt rejection etc HAVE KNOWN JESUS but who have fallen prey to lethargy and comfort having been deceived that following Jesus means only to follow Him and live in the blessings the good times and not following Him in the crucifixion times faith building times for during these times character growth and maturity can take place HAVE KNOWN JESUS but have fallen asleep and have become spiritually dead no longer able to hear the voice of their Shepherd calling them to come to Him LEGALLY PRAISE HIM with their head and not with their heart as they are missing the point missing out on their personal relationship with Jesus and missing out on fulfilling their potential and purpose in Him HAVE HEARD ABOUT JESUS and believe in Him and that He is the only Son of God but do not see the need or urgency or relevance of receiving Him as Lord and Saviour of their lives HAVE NEVER HEARD ABOUT JESUS and about the Good News that was given to all mankind when Jesus died for ALL of our sins and arose from the dead on the third day thereby being in a position of authority to remove ALL sin and opposition from the lives of all who will turn to Him in true repentance and with sincere regret for their wrong doings however big or small so that they can receive His Forgiveness and His Healing and Saving Love into their hearts and lives MAY BE either complacent financially secure poor and needy sick and dying abused physically mentally emotionally sexually or those who may be the perpetrators of this abuse those who are desperate and despairing longing and groaning for moral and upright attitudes within our Nations for which problems and difficulties JESUS IS the only answer MAY BE plotting evil against those who follow Jesus to turn from their course while there are still opportunities available to
