Historic Doorways Of San Antonio Texas:

Historic Doorways of San Antonio, Texas Frederick R. Preston, Ed.D., 2009 Doorways particularly front entrances are among a building's most significant architectural features. Their powerful visual impact provides a sense of structural design style. The unique and well-preserved historic architecture of San Antonio, Texas, reveals much about the area's history and cultural heritage. Over 180 photographs give a sense of the Coahuiltecan Indians at Catholic frontier missions, the spirit of the Alamo, and rush of progress that arrived with the railroad. You wish you could grab a knob and walk in the past time when life moved at a slower pace, writes Judge Nelson W. Wolff in his foreword to this book. The broad range of entrance styles also represent many prominent architects who contributed to the city's development. This inventory of beautiful and eclectic doorways will inspire and inform architects, preservationists, photographers, and everyone considering remodeling the front exterior of their home.

Historic Hotels of Texas Liz Carmack, 2007-10-25 From rural towns to mid-size cities to urban metropolises and in every region of the state, more than sixty historic hotels welcome overnight lodgers in Texas. After traveling at least 20,000 miles to visit these unique accommodations first-hand, author Liz Carmack has written the essential guide for anyone looking for out-of-the-ordinary lodging or travel destinations. *Historic Hotels of Texas* includes detailed profiles of sixty-four hotels that are at least fifty years old, have been in operation as places of lodging for the majority of their existence, and are still open today. Ranging from stagecoach inns and railroad hotels to resort and community-built lodging, some facilities have retained the flavor of their origins, others have become sleek commercial establishments, or have been transformed into trendy boutique locations. Anticipating the diverse interests of travelers, Carmack offers advice in her introduction to help readers choose hotels according to taste and occasion. Whether you're looking for a romantic getaway, booking a fishing trip, planning a ghost hunting excursion, or going on a cycling tour, *Historic Hotels of Texas* offers the perfect lodging option to complement your interests. In her description for each hotel, Carmack includes fascinating historical nuggets and focuses on special characteristics that create the unique ambience so often found in these living tributes to the past. An Essentials sidebar includes contacts for reservations, room rates, payment methods, parking, and pet accommodations, as well as details about amenities and facilities. The author notes the hotel's historic registration status and also offers a tip or two from her experiences. Together, the information summaries and insider tips give readers the details they need to choose the hotels that best suit their tastes and to make the most of their visits. *Historic Hotels of Texas* is indispensable for travelers interested in both a good night's sleep and the culture and history of the great state of Texas. [A History of Texas](#)

[and Texans](#) Frank White Johnson, 1914

Texas Houses Built by the Book Margaret Culbertson, 1999 In addition to identifying design sources actually used in Texas, Culbertson provides personal background information on several of the original owners, many of whom were prosperous and respected members of their communities. By providing such contextual information about the houses and their owners, Culbertson shows that using designs published in magazines and catalogues

was socially and culturally acceptable during this period The book closes with an in depth look at the use of published designs in one particular community Waxahachie and the place of these houses within the community and in the lives of their original owners

BOOK JACKET The Quarterly of the Texas State Historical Association Texas State Historical Association,1904 *The Southwestern Historical Quarterly* ,1898 **San Antonio Missions National Historical Park, Texas** United States. Congress. House. Committee on Interior and Insular Affairs. Subcommittee on National Parks and Recreation,1977 **A Field Guide to the Vernacular Buildings of the San Antonio Area** Brent Fortenberry,2021-08-16

The rich multicultural heritage of San Antonio and the Texas Hill Country provide the backdrop for this first comprehensive guide to the culturally significant vernacular buildings of this diverse and historic region structures designed and constructed by the people who used them rather than by professional architects or builders A valuable easy to use resource for heritage travelers historic preservationists and local historians A Field Guide to the Vernacular Buildings of the San Antonio Area pairs incisive interpretive essays with detailed building descriptions photographs and architectural renderings Featuring contributions from noted architectural historians and preservationists including Ken Hafertepe Lewis Fisher Maria Pfeiffer and Sarah Z Gould this handy generously illustrated guide will not only provide context and insight for understanding the importance of these buildings but will also engage readers with the challenges of preserving our cultural heritage as represented in the built environment Professional and avocational preservationists along with interested travelers and general readers will appreciate the thorough discussion and analysis of such well known sites as the San Antonio Riverwalk the San Antonio missions and the public buildings of the historic Westside district Reaching beyond the immediate vicinity of San Antonio the book also offers expert commentary on the German settlements in Central Texas and east of San Antonio providing an inclusive and inviting survey of how settlers of various origins placed their unique imprints on Texas *An Architectural Pilgrimage in Old Mexico* Alfred C. Bossom,1924 **Quarterly of the Texas State Historical Association** ,1898 **The Southwestern Historical Quarterly** George Pierce Garrison,Eugene Campbell Barker,Herbert Eugene Bolton,1898 **San Antonio's Historic Architecture** T. Irwin Sessions,2016-01-11

Spanish colonial missionary settlements established San Antonio as a junction between Mexico and the developing United States in the early 1700s Because of its remote location amid both countries and its great distance from other cities San Antonio became a crossroads for commerce industry and strategic military position on the wild frontier Texas independence and the admission of Texas into the United States in the 19th century established a diverse cultural population and distinctive architecture that remains historically significant across the nation as it continues to gain attention on the world stage The appreciation of historic architecture among its citizens has enabled San Antonio to retain a remarkably large catalog of important historic structures which are often saved from destruction through relocation Three centuries of steady growth from 1700 to 2000 has resulted in an abundance of buildings that has generated a local legacy of multigenerational artisans and skilled craftsmen *San*

Antonio Architecture AIA San Antonio, 2013-01-20 With a history more than 290 years old San Antonio boasts a diverse eclectic and important architectural inventory From the Spanish Missions of the 17th century to invigorating adaptation and restoration of historic buildings alongside landmark new construction there is a wide array of culturally significant assets reflecting Anglo and Hispanic traditions alongside regional variations of southern and southwestern American styles San Antonio Architecture is the comprehensive catalog of the architecture inventory of the city Complete with color illustrations keyed maps and informative essays it is a must have book for every armchair and on foot architectural art and community historian Edited by Julius M Gribou AIA Robert G Hanley AIA and Thomas E Robey AIA with architectural text written by Lewis F Fisher and Maria Watson Pfeiffer

A Guide to Hispanic Texas Helen Simons, 1996 Hispanic culture is woven into all aspects of Texas life from mission style architecture to the highly popular Tex Mex cuisine from ranching and rodeo traditions to the Catholic religion So common are these Hispanic influences in fact that they have been widely accepted as a part of everyone's heritage comfortably familiar and distinctively Texan This new edition of Hispanic Texas contains all the guidebook entries of the original volume in a compact format perfect for taking along on trips throughout the state Entries are arranged by region San Antonio and South Texas Laredo and the Rio Grande Valley El Paso and Trans Pecos Texas Austin and Central Texas Houston and Southeast Texas Dallas and North Texas Lubbock and the Plains Within each region a city by city listing details the historic and modern sites and structures that bear Hispanic influence Descriptions of local festivals and events public art museums natural areas and scenic drives enhance the entries which are also profusely illustrated with historic and modern photographs and other illustrations

The Material Culture of German Texans Kenneth Hafertepe, 2016-06-21 Winner 2019 San Antonio Conservation Society Foundation Book Award sponsored by the San Antonio Conservation Society Foundation German immigrants of the nineteenth century left a distinctive mark on the lifestyles and vernacular architecture of Texas In this first comprehensive survey of the art and artifacts of German Texans Kenneth Hafertepe explores how their material culture was influenced by their European roots how it was adapted to everyday life in Texas and how it changed over time at different rates in different communities The Material Culture of German Texans is about the struggle to become American while maintaining a distinctive cultural identity drawn from German heritage Including materials from rural small town and urban settings this masterful study covers pioneer generations in East Texas and the Hill Country but also follows the story into the Victorian era and the early twentieth century Houses and their furnishings churches and cemeteries breweries and businesses and paintings and engravings fill the pages of this thorough informative and richly illustrated volume Recent decades have seen a sharp increase of the study of vernacular architecture which can range from traditional building to ethnic expressions to landscape ensembles and an intensified study of American furniture and other decorative arts Incorporating these vernacular and decorative arts methods and building on the works of cultural geographers curators and historians The Material Culture of German Texans offers a definitive contribution that will

inform visitors to the region as well as those who study its history and culture *Old-House Journal* ,2001-11 Old House Journal is the original magazine devoted to restoring and preserving old houses For more than 35 years our mission has been to help old house owners repair restore update and decorate buildings of every age and architectural style Each issue explores hands on restoration techniques practical architectural guidelines historical overviews and homeowner stories all in a trusted authoritative voice **Old-House Journal** ,1990-05 Old House Journal is the original magazine devoted to restoring and preserving old houses For more than 35 years our mission has been to help old house owners repair restore update and decorate buildings of every age and architectural style Each issue explores hands on restoration techniques practical architectural guidelines historical overviews and homeowner stories all in a trusted authoritative voice The Texas Methodist Historical Quarterly ... ,1910 **Bob Vila's This Old House** Bob Vila,1981 This practical manual on residential renovation chronicles the conversion of a late nineteenth century summer house into five well appointed condominiums **San Antonio Uncovered** Mark Louis Rybczyk,2016-01-18 San Antonio is in the national spotlight as one of the fastest growing and most dynamic emerging major cities in America Yet local lore has it that every Texan has two hometowns his own and San Antonio The Alamo City s charm colorful surroundings and diverse cultures combine to make it one of the most interesting places in Texas and the nation In San Antonio Uncovered Mark Rybczyk examines some of the city s internationally known legends and lore including ghost stories and takes a nostalgic look at landmarks that have disappeared He also introduces some of the city s characters and unusual features debunks local myths and corrects common misconceptions Rybczyk embraces San Antonio s peculiarities by chronicling the cross country journey of the World s Largest Boots to their home in front of North Star Mall the origins of the Frito corn chip and chewing gum the annual Cornyation of King Anchovy and Dwight Eisenhower s stint as the football coach at St Mary s University This completely updated new edition of San Antonio Uncovered highlights San Antonio as a modern thriving city with the feel of a small town that sees beauty in the old and fights to save it even something as seemingly insignificant as an old Humble Oil Station and its diverse inhabitants as those who appreciate the blending of the old and the new at the Tobin Center and fight to save what s left of the Hot Wells Hotel
