**Historic Hoosier Gyms** Kyle Neddenriep, 2010-12-08 Kick snow from your shoes and step into the warmth of the old Hoosier high school basketball gym where farmers in overalls line the court and students heckle referees from planks above the bleachers Revisit a unique era when nearly every town had a high school and its own basketball team The gyms featured here no longer host high school games but once they were home to the Ladoga Cannery the Mecca Arabs the Roll Red Rollers the Arlington Purple Breezes the Warren Lightning Five and dozens more Now they are elementary schools community centers fire stations churches Some are homes Sadly others are wasting away But once again the ball thuds in these gyms The screams reverberate The whistles blow Join the Indianapolis Stars Kyle Neddenriep on this tour of one hundred former Hoosier high school basketball gyms

**The Secret Game** Scott Ellsworth, 2015-03-10 Winner of the 2016 PEN ESPN Award for Literary Sports Writing The true story of the game that never should have happened and of a nation on the brink of monumental change In the fall of 1943 at the little known North Carolina College for Negroes Coach John McLendon was on the verge of changing basketball forever A protégé of James Naismith the game's inventor McLendon taught his team to play the full court press and run a fast break that no one could catch His Eagles would become the highest scoring college team in America a basketball juggernaut that shattered its opponents by as many as sixty points per game Yet his players faced danger whenever they traveled backcountry roads Across town at Duke University the best basketball squad on campus wasn't the Blue Devils but an all white military team from the Duke medical school Composed of former college stars from across the country the team dismantled everyone they faced including the Duke varsity They were prepared to take on anyone until an audacious invitation arrived one that was years ahead of anything the South had ever seen before What happened next wasn't on anyone's schedule Based on years of research The Secret Game is a story of courage and determination and of an incredible long buried moment in the nation's sporting past The riveting true account of a remarkable season it is the story of how a group of forgotten college basketball players aided by a pair of refugees from Nazi Germany and a group of daring student activists not only blazed a trail for a new kind of America but helped create one of the most meaningful moments in basketball history

Brochure for gymnasium featured in the 1985 film *Hoosiers*. **The Hoosier Game**. James Leroy Brunner, 2013-06-07. THE HOOSIER GAME. On Friday, March 16, 1894, members of the YMCA at Lafayette, Indiana, traveled to nearby Crawfordsville to challenge their counterparts in a new game invented two years earlier by Dr. James Naismith. He called it basket ball. It was the first contest played outside the state of Massachusetts. Avoiding the pot-bellied stove in the middle of the gymnasium floor, the teams engaged in a spirited competition. The Crawfordsville Y won 45-21. Hoosier Hysteria was born. The impact of the game of basketball on the culture of Indiana has been profound, affecting the customs, social institutions, and the attitudes and behaviors of the people of this uniquely Midwestern state. The Hoosier Game is a tale of two boys, best friends Josh and Jake, whose lives intertwine through a shared allegiance to and love for the game of basketball in the 1950s and 1960s. Through meticulous research and a nearly photographic recall of people and events, the author provides a close-up view of an event once considered to be the premier high school athletic event in America, the Indiana State basketball tournament, The IHSAA's winner-take-all format, would become nationally recognized for its scope and drama. The tournament was acknowledged by observers even beyond Hoosier borders as the greatest high school sports attraction in the world. In its infancy, basketball provided inexpensive entertainment for the masses and became a source of community pride in small Hoosier settlements. Spirited rivalries developed among neighboring villages. Hoosier farmers' social calendars in the fall and winter months came to revolve around two events: church services on Sunday and the boys' high school game on Friday nights. But the book is about more than basketball. The author, who lived through the age, captures in vivid detail significant historical and cultural changes of that era, including the repatriation of World War II veterans seeking the American Dream, the Cold War that brought the U.S. and Russia to the brink of another worldwide conflagration, the internecine struggle for civil rights, the transformation of a country torn asunder during the war in Vietnam, as well as numerous other social developments in a generation from post-war America through today. Garry Donna, a member of the Indiana High School Basketball Hall of Fame, commented: As publisher of *Hoosier Basketball Magazine* for 43 years, I have read many books about basketball in general and specifically about high school basketball in Indiana. None has captured the true feeling and spirit of the game's golden years of the 1950s.

and 1960s like Jim Brunner's historical fiction. The insightful behind-the-scenes look at practices, player relationships, and the emotional reactions and total involvement of the townspeople is absolutely riveting, especially the surprise ending. For basketball fans everywhere, *The Hoosier Game* qualifies as an exhilarating literary experience. Don't miss it. Retired coach and also a member of the Hall of Fame, Sam Alford, added: *The Hoosier Game* achieves with accuracy and thoroughness one of the most interesting and popular periods in Indiana basketball history. I certainly enjoyed my trip down memory lane and recommend to every fan of Indiana basketball to read and enjoy as much as I did *The Hoosier Game*. Bill Benner, author, award-winning sportswriter for the Indianapolis Star and Senior Associate Commissioner for the NCAA D1 Horizon League, said succinctly: Short version: I love the book. Only a true Hoosier such as Jim Brunner could spin this uniquely Hoosier basketball tale so well. Order your copy now and relive those days when high school basketball was unrivaled in its dominion over the inhabitants of the state of Indiana.

*Hoosier High School Basketball* Robert Adams, Bob Adams, 2002. Indiana is the first state that comes to mind when one thinks of high school basketball. The game itself is an important part of the history of the state. From reports of the first game in 1894 to the heyday when Hoosier high school gyms were filled beyond capacity, Hoosierism and basketball have had a long and eventful relationship. Towns and cities, large and small, all across the state have for generations united around their high school basketball teams. *Hoosier High School Basketball* chronicles the long and colorful history of the players, coaches, schools, and fans that have tied the game's history to Indiana. In a collection of over 200 vintage images, author Bob Adams details the achievements and contributions made by many of the sport's great players and coaches.

*Hinkle Fieldhouse* Eric Angevine, 2015. Walk into Hinkle Fieldhouse and you feel it: that palpable sense of history. Known as the Hinkle mystique, Indiana's basketball cathedral has stood in all its glory at Butler University since 1928. John Wooden, Oscar Robertson, and Larry Bird played on its floor. Jesse Owens sprinted to a record at Hinkle, and athletes from around the globe have brought Olympic-level competition to crowds gathered under its steel arches. It was the setting for the climactic scene in Hoosiers, arguably the greatest sports movie ever made. It has hosted evangelists, ice shows, tennis matches, bike races, and even roller derbies. Author Eric Angevine gets inside the paint in this complete Hinkle history, featuring archival photographs of the iconic structure and words from those who know it best.

*A Short History of Basketball - Indiana Edition* Paul Wanning, 2022-01-25. *The Short History of Basketball* leads readers through the fascinating history of the sport of basketball. The book includes a history of the game and Indiana basketball sports highlights. Readers will discover a complete listing of Indiana high school championship winners and Mr. and Miss Basketball awards. The book also covers the Kentucky Indiana High School All-Star Series as well as some of the iconic high school gymnasiums in the state.

**Tales from the Indiana Hoosiers Locker Room** John Laskowski, 2011-12-19. *Tales From the Indiana Hoosier Locker Room* covers over a century of Indiana University basketball. Current and former Hoosiers talk of the excitement, the disappointment, and the celebration that has turned IU basketball into a statewide religion. The history of the Indiana

program is revealed through the memories of the school's hundreds of lettermen. Without a doubt, this is a must read for every March Madness and college basketball fan.

**Season of Upsets** Matthew A. Wernet, 2014-11-14 Hoosier hysteria is synonymous with Indiana's crazy love affair with basketball. For some, it harkens back to the final four teams that met as a result of a single state-wide tournament. But few teams ever made it that far. Undeterred towns cheered raucously for their boys, and on occasion, David toppled Goliath. Telephones rang off their hooks, and newspaper reports buzzed as a state of euphoria swept through a small town. In 1950, LaPorte County experienced such an occasion that encompassed Hoosier hysteria in all its glory. But there is much more to this incredible untold story. The students were born into the Great Depression and grew up in the shadow of World War II. The coaches were veterans of war. A fire destroyed a school but not its spirit. Sports writers sparred on the pages of rival newspapers, and a coal strike jeopardized everything. One season, one county, fifteen schools. The smallest school had fifteen boys to field a team, the largest more than five hundred boys. Industrial cities, small towns, long odds, and upsets so surprising they never happened before and never happened again. It was the Season of Upsets.
