History Nathan A. Finn, 2016-01-31 A robust understanding of the past has the power to shape our perspective on the present and plans for the future In this introduction to the study of history a historian helps students grasp what it means to examine and explore history from a distinctly Christian perspective In addition to opening students eyes to the riches of the past this readable guidebook models an approach to history that embraces the fundamental beliefs and convictions that make up the Christian worldview Part of the acclaimed Reclaiming the Christian Intellectual Tradition series this volume will be an invaluable tool in the hands of those seeking to engage with the past with God in mind Includes illustrations reflection questions and a list of resources for further study

The Great Tradition of Christian Thinking, 2012 Surveying the long standing history of Christian thinkers ranging from the Apostles to the Reformers to the 21st century s greatest theologians this book introduces readers to the distinctive way that Christians through the years have read the Bible formulated doctrine provided education and engaged the culture from publisher description

Reformed Evangelicalism and the Search for a Usable Past Ian Hugh Clary, 2020-09-07 The question of how theology shapes a Christian historian s reading of the past has been debated thoroughly in various academic periodicals Should historians recognise the role of providence in their accounts of past events Should they sympathise with their subject s theology Can objectivity be lost due to theological bias And last but not least is there a compromise of faith if one writes natural instead of supernatural history Such questions are important for understanding the historian s profession Arnold Dallimore who trained and specialised in pastoral ministry in Canada wrote an influential biography of the revivalist George Whitefield as well as others on Charles and Susanna Wesley Edward Irving and Charles Spurgeon How did his Reformed theological perspective impact his historiography How does his work fit into larger historiographical debates concerning the nature of Christian history While other books look at Christian historiography using abstract and methodological approaches this book examines the subject precisely by looking at the life and work of an individual historian It does so by placing Dallimore in the context of being a minister in twentieth century Canada as well as his role in the development of Reformed Theology in the Anglosphere It also examines the quality of his various biographies focusing on key issues such as the nature of religious revival the problem of Christianity and slavery and the question of charismatic religious experience His study concludes by examining the relationship between the discipline and profession of church history and asking what is required for one to be considered a church historian

The Great Tradition of Christian Thinking David S. Dockery, Timothy George, 2012 This user friendly guide will equip Christian students to apply their faith in various academic fields and make the most of their education

Integrating Theology, Church, and Ministry in a Chinese Seminary Peter L. H. Tie, Kevin Chen, 2024-10-21 A perennial challenge for theological education is the integration of what is learned in the classroom with students church life and ministry Is there a connection How can greater connection be fostered Many seminaries earnestly wrestle with these

questions Whereas some of the underlying issues are common to all seminaries others are influenced by the cultural context in which theological education church life and ministry take place In addition to cultural factors the history of the church and current state of the church and of theological education are different in each context The integration of theology church and ministry is crucial to the effectiveness of a Chinese seminary The great need for theological education for Chinese Christian leaders has rightly been sounded and should continue to be but simultaneously seminaries must think seriously about how to promote quality theological education Beginning with a programmatic article by Dr David Dockery a leading proponent for effective integration this book represents the efforts and reflection of experienced scholar practitioners who work out a vision for integration in the context of a diaspora Chinese seminary in San Jose California **Philosophy** David K.
