Modern George Klosko, 2013 *The Principle of Fairness and Political Obligation* George Klosko, 2004 In *The Principle of Fairness and Political Obligation* George Klosko presents the first book length treatment of political obligation grounded in the premises of liberal political theory In this now classic work he clearly and systematically formulates what others thought impossible a principle of fairness that specifies a set of conditions which grounds existing political obligations and bridges the gap between the abstract accounts of political principles and the actual beliefs of political actors Brought up to date with a new introduction this new edition will be of great interest to all interested in political thought

An Analysis of Niccolo Machiavelli's The Prince Riley Quinn, Ben Worthy, 2017-07-05 How should rulers rule What is the nature of power These questions had already been asked when Niccol Machiavelli wrote *The Prince* in 1513 But what made his thinking on the topic different was his ability to interpret evidence to look at old issues and find new meaning within them Many of Machiavelli's contemporaries thought that God would make sure morality was rewarded To these people it was inevitable that ethical individuals would enjoy success in this world and attain paradise in the next Machiavelli was not so sure He used the evidence of history to prove that people who can lie cheat and murder tend to succeed Machiavelli concluded that three main factors affect a political leader's success or failure In doing so he reached an entirely new understanding of the meaning of his evidence Machiavelli argued that behaving in a moral way actually hinders a ruler If everyone acted morally he reasoned then morals would not be a disadvantage But in a world in which leaders are willing to be ruthless a moral leader would make both themselves and their state vulnerable

Machiavelli's novel interpretation posits that morals can make a leader hesitate and this could cost them and the citizens they are responsible for everything
