History Of The Royal Scots Fusiliers 1678 1918:

The History of the Royal Scots Fusiliers (1678-1918) John Buchan, 1925 **Royal Scots Fusiliers** John Buchan, 2005-04

For the first ten years of its existence the regiment was on the Scottish establishment but with the abdication of James II and the arrival of William and Mary the RSF came over to the English establishment as a Fusilier regiment it had been equipped with fusils instead of matchlocks first known as The Scots Fusiliers Regiment of Foot changed around 1713 to The Royal North British Fusiliers and when in 1751 the regiments of the line were numbered it became the 21st Royal North British Fusiliers Regiment of Foot This was its title till 1877 when it became the 21st Royal Scots Fusiliers Regiment of Foot and finally in 1881 The Royal Scots Fusiliers Most regimental histories cover the 1914 18 War in one or more separate volumes but here that conflict takes up the final third or so of the book in which Buchan devotes one chapter to each year of the war and at the end of the chapter lists in alphabetical order the names of the officers who died in that year with date but not place theatre of death As there were nine battalions 1 2 1 4 1 5 6 7 8 11 and 12 which between them served on the Western Front in Gallipoli Egypt Palestine and Macedonia this doesn't leave too much room for detail But this lack is redressed by some fine descriptive writing which provides the reader with a clear picture of the regiment's part in that war Four VCs were won and the dead numbered 5 600 It is the same with the pre 1914 history which makes for easy and absorbing reading In its early days the regiment fought against the Jacobite uprisings of 1715 and 1745 and was in the centre of Cumberland's first line at Culloden which put an end to the Highland rebellion In the American War of Independence the regiment was part of Burgoyne's force compelled to surrender at Saratoga In 1814 the regiment led the way in the capture of Washington It fought at the Alma and Inkerman in the Crimea at Ulundi in the Zulu War and in the S African War won its first VC at Colenso In an appendix all the Colonels of the regiment are listed and the COs of all the battalions *The History of the Royal Scots Fusiliers (1678-1918)* John Buchan, 2005 **The History of the Royal Scots Fusiliers, 1678-1918, Etc. The Royal Highland Fusiliers Trevor Royle, 2011-07-15 The Royal Highland Fusiliers came into being in 1959 as a result of the amalgamation of two regiments both of which had strong connections with Glasgow and the west of Scotland The Royal Scots Fusiliers founded in 1678 by Charles Erskine fifth Earl of Mar and The Highland Light Infantry or HLI created in 1881 as a result of the amalgamation of the 71st Highlanders and the 74th Highlanders Two distinctive infantry traditions can be found in the names of these regiments which have helped to form the line infantry regiments of the British Army

Fusiliers were armed with the flintlock fusil instead of the more common matchlock musket and light infantry came into being during the Napoleonic Wars to provide the army with a corps of skirmishing sharpshooters similar to Austrian and German Jäger troops. Amongst those who have served as fusiliers or light infantrymen are Hugh Trenchard who became Air Chief Marshal of the Royal Air Force, Winston Churchill and David Niven who joined the HLI from Sandhurst in the inter-war years. All these traditions and personalities went into the making of a regiment whose name lives on in the 2nd battalion of The Royal Regiment of Scotland which was formed in 2006 as a result of the restructuring of the infantry regiments of the British Army.

The Territorial Force at War, 1914-16 W. Mitchinson, 2014-10-02 William Mitchinson analyses the role and performance of the Territorial Force during the first two years of World War I. Anglo-Zulu War, 1879 Harold E. Raugh Jr., 2011-06-01 The Anglo Zulu War was one of many colonial campaigns in which the British Army served as the instrument of British imperialism. The conflict fought against a native adversary, the British initially underestimated, is remarkable for battles that included perhaps the most humiliating defeat in British military history, the Battle of Isandlwana, January 22, 1879, and one of its most heroic feats of arms, the defense of Rorke's Drift, January 22-23, 1879. While lasting only six months, it is one of the most examined, studied, and debated conflicts in Victorian military history.

Anglo Zulu War 1879: A Selected Bibliography is a research guide and tool for identifying obscure publications and source materials in order to encourage continued original and thought-provoking contributions to this popular field of historical study. Montauban Graham Maddocks, 1998-01-12 Montauban was the southernmost of the Somme villages attacked by the British Army on 1 July 1916, and it was where there was the greatest success. This new book in the series takes the reader over ground where Captain Nevill kicked a football on going over the top, where the Somme cameramen took some of their most evocative footage, and where Pals battalions engaged in a triumphant first major engagement.
