SMITH, 2018 **A History of Lewis County, West Virginia** Edward Conrad Smith, 1997-03-01 **A History of Lewis County, West Virginia** Edward Conrad Smith, 2012-08-01 Unlike some other reproductions of classic texts 1 We have not used OCR Optical Character Recognition as this leads to bad quality books with introduced typos 2 In books where there are images such as portraits maps sketches etc We have endeavoured to keep the quality of these images so they represent accurately the original artefact Although occasionally there may be certain imperfections with these old texts we feel they deserve to be made available for future generations to enjoy **HIST OF LEWIS COUNTY WEST VIRG** Edward Conrad 1891 Smith, 2016-08-26 **A History of Lewis County, West Virginia (Classic Reprint)** Edward Conrad Smith, 2015-07-01 Excerpt from *A History of Lewis County West Virginia* The purpose of this volume is to trace the economic social and political life of the people of Lewis County from the time the first settlers came to the Hacker s creek valley to the present Believing that the group is more important than any of its component parts it has been my aim to deal with the development of institutions rather than with family history to present as fully as possible a record of the whole county rather than tales of illustrious pioneers and their descendants In order to accomplish this purpose I have selected from a great mass of material those incidents which I thought would best depict the life of the county and I have tried to arrange them in order so as to show cause and effect advance and retardation of development It is hoped that this volume will fill a long felt want It is a rather remarkable fact in view of the importance of Lewis County and its influence on the life of Virginia and West Virginia that a history of the county has never been published in permanent form There have been published at various times important works relating to certain periods and to certain matters affecting the history of the county The first of these was *Chronicles of Border Warfare* by Alexander Scott Withers which treats of the history of the frontier to the Treaty of Greenville 1795 The same period has been treated lately by Lucullus Virgil McWhorter in his volume entitled *Border Settlers of Northwestern Virginia* Both works are extremely valuable for a study of the early history of the county About 1884 Hardesty s *Political and Geographical Survey of Lewis County* was published which contains a historical sketch of the county very hastily and carelessly written About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works Lewis County, West Virginia History and
