**Tender Labour** Jennifer E. Shaw, 2025-04-01 To meet demand in Canada more and more women are migrating from the Philippines to become domestic workers What happens to family left behind Tender Labour investigates the experiences of young people as they navigate precarity in all its forms when their mothers work elsewhere Jennifer Shaw conducts nuanced research with youth who have been separated from and later reunited with their mothers in Canada incorporating their own voices through poems song lyrics and photographs She focuses on how their tender labour the work they perform within their families emerges not only from necessity but also from the stresses and dreams that tug at the threads of kinship The role of young people in familial migrations reveals the hard consequences of capitalist extraction of transnational labour Nonetheless despite childhoods shaped by economic inequality and racialized disparity Shaw discovers that these Filipina o young people keep their hope of a good life

Between Empires Koichi Hagimoto, 2013-11-19 In 1898 both Cuba and the Philippines achieved their independence from Spain and then immediately became targets of US expansionism This book presents a comparative analysis of late nineteenth century literature and history in Cuba and the Philippines focusing on the writings of Jos Mart and Jos Rizal to reveal shared anti

imperial struggles     *The Greater East Asia Co-Prosperity Sphere* Jeremy A. Yellen, 2019-04-15 The Greater East Asia Co Prosperity Sphere offers a lucid dynamic and highly readable history of Japan's attempt to usher in a new order in Asia during World War II Cross Currents East Asian History and Culture Review In *The Greater East Asia Co Prosperity Sphere* Jeremy A Yellen exposes the history politics and intrigue that characterized the era when Japan's total empire met the total war of World War II He illuminates the ways in which the imperial center and its individual colonies understood the concept of the Sphere offering two sometimes competing sometimes complementary and always intertwined visions one from Japan the other from Burma and the Philippines Yellen argues that from 1940 to 1945 the Greater East Asia Co Prosperity Sphere epitomized two concurrent wars for Asia's future the first was for a new type of empire in Asia and the second was a political war waged by nationalist elites in the colonial capitals of Rangoon and Manila Exploring Japanese visions for international order in the face of an ever changing geopolitical situation *The Greater East Asia Co Prosperity Sphere* explores wartime Japan's desire to shape and control its imperial future while its colonies attempted to do the same At Japan's zenith as an imperial power the Sphere represented a plan for regional domination by the end of the war it had been recast as the epitome of cooperative internationalism In the end the Sphere could not survive wartime defeat and Yellen's lucidly written account reveals much about the desires of Japan as an imperial and colonial power as well as the ways in which the subdued colonies in Burma and the Philippines jockeyed for agency and a say in the future of the region     *Women's Journey to Empowerment in the 21st Century* Kristen Zaleski, Annalisa Enrile, Eugenia L. Weiss, Xiying Wang, 2019-10-03 Written through the lens of transnational feminism *Women's Journey to Empowerment in the 21st Century* offers a global view into the patriarchal attitudes that shape cultural practices that oppress women and continue to take form in the modern era By examining a range of issues the book compels readers to utilize a contextual framework in taking a closer look at contemporary violence and oppression against women in our world     **Imperial Material** Alvita Akiboh, 2023-11-10 An ambitious history of flags stamps and currency and the role they played in US imperialism In *Imperial Material* Alvita Akiboh reveals how US national identity has been created challenged and transformed through embodiments of empire found in US territories from the US dollar bill to the fifty star flag These symbolic objects encode the relationships between territories including the Philippines the Hawaiian Islands Puerto Rico and Guam and the empire with which they have been entangled Akiboh shows how such items became objects of local power their original intent transmogrified For even if imperial territories were not always front and center for federal lawmakers and administrators their inhabitants remained continuously aware of the imperial United States whose presence announced itself on every bit of currency every stamp and the local flag     **Decolonial Underground Pedagogy** Noah Romero, 2024-08-08 This book explores how minority led skateboarding punk rock and unschooling communities engage in collective efforts to humanize education and construct kinder social frameworks Noah Romero examines the roles of informal and community embedded learning in actualizing

transformative education and shows how decolonizing education can take place outside of school settings Grounded in the author's own experience in minority led Filipino subcultures the book introduces a conceptual framework of subcultural learning and decolonizing education centred on the Philippines and its diaspora in Australia New Zealand and the United States Romero argues that educational paradigms with peace human rights multiculturalism social justice and decolonization at the centre can extend beyond the classroom curriculum and teaching and into communities By showing how minoritized people are redefining identity and knowledge through embodied community responsive pedagogies the book contributes to wider debates on Indigeneity gender justice human rights peace studies and decolonizing education     Taking the Field Amy Kohout, 2023 2024 Robert M Utey Prize Winner Western History Association 2024 Hal K Rothman Prize Winner Western History Association Published in Cooperation with the William P Clements Center for Southwest Studies Southern Methodist University In the late nineteenth century at a time when Americans were becoming more removed from nature than ever before U S soldiers were uniquely positioned to understand and construct nature's ongoing significance for their work and for the nation as a whole American ideas and debates about nature evolved alongside discussions about the meaning of frontiers about what kind of empire the United States should have and about what it meant to be modern or to make progress Soldiers stationed in the field were at the center of these debates and military action in the expanding empire brought new environments into play In Taking the Field Amy Kohout draws on the experiences of U S soldiers in both the Indian Wars and the Philippine American War to explore the interconnected ideas about nature and empire circulating at the time By tracking the variety of ways American soldiers interacted with the natural world Kohout argues that soldiers through their words and their work shaped Progressive Era ideas about both American and Philippine environments Studying soldiers on multiple frontiers allows Kohout to inject a transnational perspective into the environmental history of the Progressive Era and an environmental perspective into the period's transnational history Kohout shows us how soldiers through their writing their labor and all that they collected played a critical role in shaping American ideas about both nature and empire ideas that persist to the present
