The Courage to Connect Sandra L. Faiman-Silva, 2004 An examination of the transformation of a town from a Portuguese ethnic community into a predominantly homosexual tourist enclave Focuses on Provincetown RI Based on over six years of fieldwork Sandra L Faiman Silva s *The Courage to Connect* traces the transformation of the well known Cape Cod community of Provincetown from its nineteenth century origins a Portuguese

fishing town to its present status as a welcoming sexually diverse tourist enclave The book critically examines the history of the Portuguese ethnic community and the local economy as well as the nature of intersections between gay and straight culture in areas such as public education local government and the police Using queer and critical culture theory to deconstruct day to day local encounters it lays bare the roots of social conflicts and how they can be resolved Capturing the pathos and joy of a community that has struggled to accommodate radical social changes The Courage to Connect serves as a model for understanding how communities can construct themselves to overcome their differences **The Hours**
