Language Dominance Bilinguals Measurement Operationalization:

Language Dominance in Bilinguals Carmen Silva-Corvalán, Jeanine Treffers-Daller, 2015-12-18 With contributions from leading scholars of bilingualism *Language Dominance in Bilinguals* is the first publication to survey different approaches to language dominance along with suggested avenues for further research It illustrates how a critical approach to the notion of language dominance as well as its operationalization and measurement can provide new insights into this burgeoning area of research Drawing on adult and child data from a variety of language pairs the chapters discuss how language dominance is to be conceptualized and distinguished from such related constructs as language proficiency and language competence This volume is the first of its kind to present an overview of different approaches to language dominance from across the theoretical spectrum as well as suggested avenues for further research Accessibly written *Language Dominance in Bilinguals* is a valuable new addition to the field and essential reading for students and scholars working in bilingualism speech therapy and education

Language Dominance in Bilinguals Jeanine Treffers-Daller, Carmen Silva-Corvalán, 2016 With contributions from an international team of leading experts this volume offers new ways to explore and measure language dominance

Bilingual Language Development: The Role of Dominance Cornelia Hamann, Esther Rinke, Dobrinka Genevska-Hanke, 2019-09-20 It has long been established that bilingual speakers are rarely balanced in their languages so that one language is dominant The contributions to the Research Topic Bilingual Language Development The Role of Dominance focus on the potential effects of language dominance on the competence and processing of bilinguals covering a large variety of language combinations and domains Important aspects of such work are the interplay of L1 maintenance attrition and possible L2 dominance the direction of cross linguistic influence CLI or code mixing as well as the effects of bilingualism on cognitive development each addressed in several contributions However such research presupposes a definition of dominance which is far from being settled This gives rise to considerable differences in the operationalization of the concept across studies The studies in this Research Topic present a multifaceted picture of the role of language dominance for L1 maintenance attrition L2 development and CLI Though a unified story cannot emerge for such a complex subject interesting new venues are explored including the impact of dominance shift during L1 re exposure comparisons of different types of bilingual groups or operationalization of dominance through experiential measures The variety of approaches and results is in part owed to the many language combinations studied and the fact that bilingual children adults and atypical speakers are investigated This diversity constitutes the interest of this Research Topic

The Oxford Handbook of Language Attrition Monika S. Schmid, Barbara Köpcke, Mirela Cherciov, 2019 This volume is the first handbook dedicated to language attrition the study of how a speaker's language may be affected by crosslinguistic interference and non use Topics covered include theoretical implications psycho and neurolinguistic approaches linguistic and extralinguistic factors L2 attrition and heritage languages

Studies in Italian as a Heritage Language Francesco Bryan

Romano,2023-04-27 The book is dedicated to the linguistic psycholinguistic and ethnolinguistic dimensions of Italian as a heritage language spoken by minorities in the Americas and Europe The contributions deepen our understanding of heritage language bilingualism in general especially by comparing the acquisition of inflectional morphology in Italian with the processes at play in other heritage languages *Language Acquisition and Contact in the Iberian Peninsula* Alejandro Cuza,Pedro Guijarro-Fuentes,2018-09-24 The Spanish language is spoken by an estimated 477 million people worldwide This volume focuses on the contact between Spanish and other language varieties including Catalan Portuguese and Galician in the Spanish Peninsula The book explores the characteristics of such language contact situations from structural developmental societal and cognitive perspectives **New approaches to how bilingualism shapes cognition and the brain across the lifespan: Beyond the false dichotomy of advantage versus no advantage** Mark Antoniou,Christos Pliatsikas,Scott R. Schroeder,2023-04-18 Bilingualism Across the Lifespan Wendy S. Francis,2021-05-31 Bilingualism Across the Lifespan explores the opportunities and challenges that are inherent in conducting cognitive research in an increasingly global and multilingual society Divided into three sections the book highlights the multifaceted and complex nature of bilingualism The first section focuses on what every cognitive psychologist ought to know about bilingualism the impact of bilingualism on cognition across the lifespan the idea that bilinguals are not a special case and the importance of bilingualism in cognitive research beyond language The second section focuses on challenges inherent in bilingual research diversity of bilingual experience the assessment of proficiency and finding matched comparison groups and materials Finally the book considers opportunities that are created when bilingualism is incorporated into the cognitive research enterprise It illustrates how researchers of bilingualism leverage theory methodology and findings from single language research incorporate uniquely bilingual processes or representations and target populations of bilinguals that help to establish universal properties Bringing together leading international contributors the book provides the reader with a better understanding of the nature of bilingualism and bilingual research as it relates to human cognition It will be an essential read for all researchers and upper level students of bilingualism and cognitive psychology more generally Linguistic dynamics in heritage speakers Shanley Allen,Mareike Keller, Artemis Alexiadou, Heike Wiese,2025-07-01 This collective volume investigates linguistic dynamics in language contact focusing on heritage speakers The chapters provide new insights into the role of speaker repertoires and the distinction between contact induced change and language internal variation by reporting on corpus linguistic studies across different communicative situations in heritage and majority languages Conducted in the context of the DFG Research Unit Emerging Grammars in Language Contact Situations FOR 2537 the studies focus on bilingual adolescent and adult speakers of German Greek Russian and Turkish as heritage languages and of English and German as majority languages and on monolingually raised adolescent and adult speakers of all five languages Crucially they are not restricted to standard language but target broader speaker repertoires that cover informal as well as

formal settings in both spoken and written modes The contributions are united by their positive perspective on language contact and multilingual speakers a comparative approach across several heritage and majority languages and a shared methodology that captures variation within repertoires for both heritage speakers and monolinguals The chapters take various theoretical standpoints highlighting different facets of the data as well as its potential for enhancing our

understanding of language contact and language variation **Life as a Bilingual** François Grosjean, 2021-06-03 About half the world's population knows and uses two or more languages in everyday life and an increasing number of parents are raising their children bilingual This makes a resource on what it means to become and be bilingual all the more necessary This book brings together a selection of posts from the author's highly successful Psychology Today blog grouped by topic into 15 chapters The topics covered include among others what it means to be bilingual the extent of bilingualism how someone becomes bilingual how bilingualism is fostered in the family the bilingual mind and brain and bilingualism across the lifespan It also includes the author's lively interviews with other experts delving into their research and their own experience as bilinguals Written in a highly engaging readable style this book is suitable for anyone who wants to better understand those who live with two or more languages

Syntax Processing Vicenç Torrens, 2021-07-27 This volume deals with research on the processing of a native language second language learning bilingualism typical and impaired syntax processing The articles presented here cover a number of linguistic phenomena including passives temporal concord object pronouns reflexives embedded sentences relative clauses wh movement and binding theory They also apply various experimental methods such as eye tracking reaction times event related potentials picture selection tasks sentence elicitation pupillometry and picture matching tasks As such this book details a number of the most representative methods used in language processing

The Mysteries of Bilingualism François Grosjean, 2022-03-28 Eleven critical issues in the study of bilingualism Insightful analyses by renowned expert François Grosjean The majority of people living around the world today are able to speak more than one language yet many aspects of the nature and experience of bilingualism raise unresolved questions for researchers Who exactly is bilingual What is the extent of bilingualism How do infant bilinguals who acquire two languages at the same time manage to separate them Does language processing work differently when bilinguals are interacting with monolinguals and with bilinguals When a speaker changes their language do they also change aspects of their personality In *The Mysteries of Bilingualism* eminent scholar François Grosjean provides a comprehensive examination of individual bilingualism that delves into unanswered questions and challenges many of the myths and misconceptions surrounding bilingualism Through insightful analyses of eleven key questions this book offers a unique combination of personal reflection literature review personal testimony and case studies to explore these mysteries Altogether this text offers Comprehensive explorations of the linguistic aspects of bilingualism including who is bilingual describing bilinguals accented speech and language loss Practical discussions of speech and language processing including language choice and

mixed speech perception and production In depth examinations of personality and culture in relation to bilingualism and biculturalism Perfect for undergraduate and graduate students of bilingualism multilingualism second language acquisition and applied linguistics The Mysteries of Bilingualism offers an up to date view of the leading research questions in the study of bilingualism today New Trends in Language Acquisition Within the Generative Perspective Pedro Guijarro-Fuentes,Cristina Suárez-Gómez,2020-01-17 This book presents a comprehensive state of the art treatment of the acquisition of Indo and Non Indo European languages in various contexts such as L1 L2 L3 Ln bi multilingual heritage languages pathology as well as language impairment and sign language acquisition The book explores a broad mix of methodologies and issues in contemporary research The text presents original research from several different perspectives and provides a basis for dialogue between researchers working on diverse projects with the aim of furthering our understanding of how languages are acquired The book proposes and refines new theoretical constructs e g regarding the complexity of linguistic features as a relevant factor forming children s adults and bilingual individuals acquisition of morphological syntactic discursive pragmatic lexical and phonological structures It appeals to students researchers and professionals in the field The Listening Bilingual François Grosjean,Krista Byers-Heinlein,2018-08-07 A vital resource on speech and language processing in bilingual adults and children The Listening Bilingual brings together in one volume the various components of spoken language processing in bilingual adults infants and children The book includes a review of speech perception and word recognition syntactic semantic and pragmatic aspects of speech processing the perception and comprehension of bilingual mixed speech code switches borrowings and interferences and the assessment of bilingual speech perception and comprehension in adults and children in the clinical context The two main authors as well as selected guest authors Mark Antoniou Theres Gr ter Robert J Hartsuiker Elizabeth D Pe a and Lisa M Bedore and Lu Feng Shi introduce the various approaches used in the study of spoken language perception and comprehension in bilingual individuals The authors focus on experimentation that involves both well established tasks and newer tasks as well as techniques used in brain imaging This important resource Is the first of its kind to concentrate specifically on spoken language processing in bilingual adults and children Offers a unique text that covers both fundamental and applied research in bilinguals Covers a range of topics including speech perception spoken word recognition higher level processing code switching and assessment Presents information on the assessment of bilingual children s language development Written for advanced undergraduate students in linguistics cognitive science psychology and speech language pathology as well as researchers The Listening Bilingual offers a state of the art review of the recent developments and approaches in speech and language processing in bilingual people of all ages On Bilinguals and Bilingualism François Grosjean,2024-02-15 Discover Fran ois Grosjean s numerous contributions to the field of bilingualism over a span of some 40 years The Cambridge Handbook of Third Language Acquisition Jennifer Cabrelli,Adel Chaouch-Orozco,Jorge González Alonso,Sergio Miguel Pereira Soares,Eloi

Puig-Mayenco, Jason Rothman, 2023-07-27 In our increasingly multilingual modern world understanding how languages beyond the first are acquired and processed at a brain level is essential to design evidence based teaching clinical interventions and language policy Written by a team of world leading experts in a wide range of disciplines within cognitive science this Handbook provides a comprehensive overview of the study of third and more language acquisition and processing It features 30 approachable chapters covering topics such as multilingual language acquisition education language maintenance and language loss multilingual code switching ageing in the multilingual brain and many more Each chapter provides an accessible overview of the state of the art in its topic while offering comprehensive access to the specialized literature through carefully curated citations It also serves as a methodological resource for researchers in the field offering chapters on methods such as case studies corpora artificial language systems or statistical modelling of multilingual data *Bilingualism, Executive Function, and Beyond* Irina A. Sekerina, Lauren Spradlin, Virginia

Valian, 2019-06-15 The study of bilingualism has charted a dramatically new important and exciting course in the 21st century benefiting from the integration in cognitive science of theoretical linguistics psycholinguistics and cognitive psychology especially work on the higher level cognitive processes often called executive function or executive control Current research as exemplified in this book advances the study of the effects of bilingualism on executive function by identifying many different ways of being bilingual exploring the multiple facets of executive function and developing and analyzing tasks that measure executive function The papers in this volume 21 chapters by leading researchers in bilingualism and cognition investigate the mechanisms underlying the effects or lack thereof of bilingualism on cognition in children adults and the elderly They take us beyond the standard classical black and white approach to the interplay between bilingualism and cognition by presenting new methods new findings and new interpretations **The Acquisition of**

Differential Object Marking Alexandru Mardale, Silvina Montrul, 2020-06-15 Differential Object marking DOM a linguistic phenomenon in which a direct object is morphologically marked for semantic and pragmatic reasons has attracted the attention of several subfields of linguistics in the past few years DOM has evolved diachronically in many languages whereas it has disappeared from others it is easily acquired by monolingual children but presents high instability and variability in bilingual acquisition and language contact situations This edited collection contributes to further our understanding of the nature and development of DOM in the languages of the world in acquisition and in language contact variation and change The thirteen chapters in this volume present new empirical data from Estonian Spanish Turkish Korean Hindi Romanian and Basque in different acquisition contexts and learner populations They also bring together multiple theoretical and methodological perspectives to account for the complexity and dynamicity of this widespread linguistic phenomenon

Bilingualism in the Community Rena Torres Cacoullos, Catherine E. Travis, 2018-03-08 Does the use of two languages by bilinguals inevitably bring about grammatical change Does switching between languages serve as a catalyst in such change It

is widely held that linguistic code switching inherently promotes grammatical convergence languages becoming more similar to each other through contact evidence for this however remains elusive A model of how to study language contact scientifically Bilingualism in the Community highlights variation patterns in speech using a new bilingual corpus of English and Spanish spontaneously produced by the same speakers Putting forward quantitative diagnostics of grammatical similarity it shows how bilinguals two languages differ from each other aligning with their respective monolingual benchmarks The authors argue that grammatical change through contact is far from a foregone conclusion in bilingual communities where speakers are adept at keeping their languages together yet separate The book is compelling reading for anyone interested in bilingualism and its importance in society

Individual Differences in Anaphora Resolution

Georgia Fotiadou, Ianthi Maria Tsimpli, 2023-11-15 Individual Differences in Anaphora Resolution Language and cognitive effects explores anaphora resolution from different perspectives and investigates various aspects of the phenomenon as contributions include research protocols that combine old and new experimental methodologies as well as theoretical and empirical approaches A central theme across volume contributions are the multiple linguistic and extralinguistic factors that constrain anaphora resolution its processing and acquisition by a variety of populations children and adults monolinguals bilinguals and second language learners as well as the mechanisms underlying anaphora resolution Anaphora resolution constitutes an ideal environment to test the interaction between domain general cognitive systems and domain specific linguistic sub routines since variability in referential preferences is not related to binding constraints an integral part of syntax per se but is closely tied to processing functional constraints modulated by the integration of discourse filtered information

Language Dominance Bilinguals Measurement Operationalization Introduction

In today's digital age, the availability of Language Dominance Bilinguals Measurement Operationalization books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Language Dominance Bilinguals Measurement Operationalization books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Language Dominance Bilinguals Measurement Operationalization books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Language Dominance Bilinguals Measurement Operationalization versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Language Dominance Bilinguals Measurement Operationalization books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Language Dominance Bilinguals Measurement Operationalization books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Language Dominance Bilinguals Measurement Operationalization books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF

books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Language Dominance Bilinguals Measurement Operationalization books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Language Dominance Bilinguals Measurement Operationalization books and manuals for download and embark on your journey of knowledge?

FAQs About Language Dominance Bilinguals Measurement Operationalization Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Language Dominance Bilinguals Measurement Operationalization is one of the best book in our library for free trial. We provide copy of Language Dominance Bilinguals Measurement Operationalization in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Language Dominance Bilinguals Measurement Operationalization. Where to download Language Dominance Bilinguals Measurement Operationalization online for free? Are you looking for Language Dominance Bilinguals Measurement Operationalization PDF? This is definitely going to save you time and cash in something you should think about. If you trying to find then search around for online. Without a doubt there are numerous these available and many of them have the freedom. However without doubt you receive whatever you purchase. An alternate way to get ideas is always

to check another Language Dominance Bilinguals Measurement Operationalization. This method for see exactly what may be included and adopt these ideas to your book. This site will almost certainly help you save time and effort, money and stress. If you are looking for free books then you really should consider finding to assist you try this. Several of Language Dominance Bilinguals Measurement Operationalization are for sale to free while some are payable. If you arent sure if the books you would like to download works with for usage along with your computer, it is possible to download free trials. The free guides make it easy for someone to free access online library for download books to your device. You can get free download on free trial for lots of books categories. Our library is the biggest of these that have literally hundreds of thousands of different products categories represented. You will also see that there are specific sites catered to different product types or categories, brands or niches related with Language Dominance Bilinguals Measurement Operationalization. So depending on what exactly you are searching, you will be able to choose e books to suit your own need. Need to access completely for Campbell Biology Seventh Edition book? Access Ebook without any digging. And by having access to our ebook online or by storing it on your computer, you have convenient answers with Language Dominance Bilinguals Measurement Operationalization To get started finding Language Dominance Bilinguals Measurement Operationalization, you are right to find our website which has a comprehensive collection of books online. Our library is the biggest of these that have literally hundreds of thousands of different products represented. You will also see that there are specific sites catered to different categories or niches related with Language Dominance Bilinguals Measurement Operationalization So depending on what exactly you are searching, you will be able to choose ebook to suit your own need. Thank you for reading Language Dominance Bilinguals Measurement Operationalization. Maybe you have knowledge that, people have search numerous times for their favorite readings like this Language Dominance Bilinguals Measurement Operationalization, but end up in harmful downloads. Rather than reading a good book with a cup of coffee in the afternoon, instead they juggled with some harmful bugs inside their laptop. Language Dominance Bilinguals Measurement Operationalization is available in our book collection an online access to it is set as public so you can download it instantly. Our digital library spans in multiple locations, allowing you to get the most less latency time to download any of our books like this one. Merely said, Language Dominance Bilinguals Measurement Operationalization is universally compatible with any devices to read.
