A Laodicean Thomas Hardy,2016-01-04 PREFACE The changing of the old order in country manors and mansions may be slow or sudden may have many issues romantic or otherwise its romantic issues being not necessarily restricted to a change back to the original order though this admissible instance appears to have been the only romance formerly recognized by novelists as possible in the case Whether the following production be a picture of other possibilities or not its incidents may be taken to be fairly well supported by evidence every day forthcoming in most counties The writing of the tale was rendered memorable to two persons at least by a tedious illness of five months that laid hold of the author soon after the story was begun in a well known magazine during which period the narrative had to be strenuously continued by dictation to a predetermined cheerful ending As some of these novels of Wessex life address themselves more especially to readers into whose souls the iron has entered and whose years have less pleasure in them now than heretofore so A Laodicean may perhaps help to while away an idle afternoon of the comfortable ones whose lines have fallen to them in pleasant places above all of that large and happy section of the reading public which has not yet reached ripeness of years those to whom marriage is the pilgrim s Eternal City and not a milestone on the way T H January 1896

Thomas Hardy's a Laodicean Thomas Hardy,2013-07-17 Fear is the mother of foresight Thomas Hardy 2nd June 1840 11th January 1928 celebrated poet and writer was born in a modest thatched cottage near Dorchester in the West country to a builder father His mother came from a line of intelligent lively and ambitious women so ensured her son had the best formal education available for their modest means although this ended when he was 16 He became a draughtsman specialising in the building of churches was able to give it up to be a full time writer and poet with the publication of Far From the Madding Crowd

which became a bestseller and like much of his work was serialised His writing reflects his passionate beliefs for social reform and exposes the hypocrisy of the rules of the Victorian age which constrained many freedoms with convention and restricted the transcending of class boundaries His novels are almost entirely set in rural Wessex which although fictional is clearly rooted in the SW counties of England where he was born and lived most of his life Hardy's writing caused controversy in his lifetime but despite this he was highly praised and showered with honorary doctorates from many universities a knighthood which he refused and in 1910 the prestigious Order of the Merit Laodicean is a rarely used word these days and means lukewarm or half hearted coming from Revelations 3:16 where Christians from Laodicea were rebuked for their indifference to religion Hardy had to remain in bed for much of the writing of this novel due to internal bleeding so dictated it to his wife who was also his nurse As in his life central to the book is also a woman Paula Power who is caught between two worlds that of the old and familiar and that of the new and modern Underlining this dilemma is her indecision between two suitors Captain de Stancy who is a descendant of the owners of the castle she lives in representing the old and George Somerset a rising young architect from London This same dilemma faced much of Victorian society as industrialisation was radically changing people's lives and as always Hardy's rich character study and stunning prose create a compelling atmosphere and a good read

A Laodicean; a Story of Today, by Thomas Hardy a NOVEL Thomas Hardy, 2016-06-24 A Laodicean is a novel by Thomas Hardy published in 1881 by Sampson Low Marston Searle and I wish you were a De Stancy The usage of Laodicean to mean someone lacking commitment comes from a reference in the New Testament To the angel of the church in Laodicea write These are the words of the Unchanging One the witness faithful and true the beginning of the Creation of God I know your life I know that you are neither cold nor hot If only you were either cold or hot But now because you are lukewarm neither hot nor cold I am about to spit you out of my mouth No one of Mr Hardy's novels contain more of the facts of his own life than A Laodicean which was composed on what the author then believed to be his death bed it was mainly dictated which I think partly accounts for its difference in style from the other tales Not only does Mr Hardy's scientific profession speak through the mouths of his characters but old and beautiful buildings adorn his pages as they do the landscape he loves Thomas Hardy OM 2 June 1840 11 January 1928 was an English novelist and poet A Victorian realist in the tradition of George Eliot he was influenced both in his novels and in his poetry by Romanticism especially William Wordsworth Charles Dickens was another important influence page needed Like Dickens he was highly critical of much in Victorian society though Hardy focused more on a declining rural society While Hardy wrote poetry throughout his life and regarded himself primarily as a poet his first collection was not published until 1898 Initially therefore he gained fame as the author of novels including Far from the Madding Crowd 1874 The Mayor of Casterbridge 1886 Tess of the d'Urbervilles 1891 and Jude the Obscure 1895 Hardy's poetry though prolific was not as well received during his lifetime It was rediscovered in the 1950s when Hardy's poetry had

a significant influence on the Movement poets of the 1950s and 1960s including Philip Larkin. Most of his fictional works initially published as serials in magazines were set in the semi-fictional region of Wessex. They explored tragic characters struggling against their passions and social circumstances. Hardy's Wessex is based on the medieval Anglo-Saxon kingdom and eventually came to include the counties of Dorset, Wiltshire, Somerset, Devon, Hampshire, and much of Berkshire in southwest and south central England.
