Laoshi Tai Chi Teachers And Pursuit Of Principle:

Laoshi: Tai Chi, Teachers, and Pursuit of Principle Jan Kauskas, 2014-05-01 The book is a kind of semifictional memoir Chapters reflect the author s own experiences gained in the pursuit of tai chi and other martial arts The text flows as a novel but with substance based solidly in reality applicable to anyone tai chi practitioner or not since the main theme is the pursuit of principle in everyday life Book Description A tai chi student explores the Dao of Zheng Manqing with the aid of his teacher Laoshi Through personal accounts reflection and dialogue with Laoshi we witness the novice s evolution in his search for the spirit of the art and the resulting bond forged with his instructor Together student and teacher examine the philosophical and martial aspects of tai chi They demonstrate what it means to pursue principle and they see the ease with which it can be lost to that trickster and provocateur the ego Engaging sincere and at times lighthearted this fictional memoir narrated from the student s perspective addresses themes familiar to all who study tai chi and the martial arts Laoshi is a journey into tai chi and a meditation on life and living without fear

Laoshi's Legacy: Emergence from Shadow Jan Kauskas, 2018-05-12 A few years ago I sought to record a few memories and observations gleaned on the way from beginner to senior student The result was *Laoshi Tai Chi Teachers and Pursuit of Principle* a semi fictional memoir using the device of dialogue between student and teacher to examine the agony and elation of sincerely

pursuing the art of taiji The thirty seven chapters of Laoshi shone light on the various aspects of taiji and martial arts which occupied my thinking as I progressed along the Way Laoshi which translates as teacher in Mandarin was the main character of the book and though not a real person represented the best aspects of the many martial artists whose skills dedication and wisdom inspired me in my attempts to match their example As a wise and compassionate though sometimes irritable teacher Laoshi guides his student the narrator through many disappointments and false dawns until the student arrives if not at mastery then the fertile ground where mastery grows The present volume Laoshi s Legacy takes up where the previous account left off the student moves beyond his pre occupation with his own progress to explore the terrain occupied by the teacher The Way of the teacher we discover not only offers insight and reward aplenty but is every bit as confounding and often more treacherous than the path of the student With the example of my own teachers once again embodied in the character of Laoshi Legacy describes the challenges encountered in progressing beyond the role of student to survey the art from the viewpoint of teacher As in the previous volume Laoshi the teacher continues as guide and mentor advising the novice instructor confronted with the reality of teaching taiji in a modern world Like its predecessor Legacy relies heavily on allegory mirroring the paradoxical nature of life where truth is often hidden in myth and deception disguises itself as truth A touch of poetic licence may stretch the truth a little to accommodate the narrative but Legacy is a realistic portrayal of dilemmas faced while pursuing the Way of the teacher

READERS COMMENTS As the torch of teaching taijiquan is passed to the next generation of teachers the problems and questions that arise are discussed in Laoshi s Legacy by Jan Kauskas This book is filled with amusing anecdotes and lessons that Professor Cheng Man ch ing taught his students that still resonate today MARTIN INN co translator of The Essence of T ai Chi Ch uan The nutrient dense insights in each chapter will make you want to linger and digest and the unfolding human story will make you want to turn the page for the next exciting episode Readers may come for the taijiquan lessons and lineage lore but will stay for the life lessons and wisdom Literary flair and Scottish wit make it an instructive inspirational and irresistible read Those who read this book without tears laughter and lots of a ha moments are probably not ready for it DOUGLAS WILE author of Zheng Manqing s Uncollected Writings Laoshi s Legacy does not disappoint Kauskas sagely and engagingly counsels readers in vicarious fashion through the guise of conversations between himself and his teacher the sagacious Laoshi in the important nuances of taijiquan philosophy and technique often addressing with deft candor important real world issues not found in other popular books A must read for all taijiquan teachers and students JOHN LOUPOS author of Tai Chi Connections Advancing Your Tai Chi Experience Jan Kauskas writes well and has meditated on the words he presents here His Laoshi answers all questions and offers stories anecdotes and spiritual knowledge in the Daoist tradition Readers will benefit from these words KENNETH VAN SICKLE author of Tai Chi Sword and Tai Chi Feather Sword DVD

The Best Fight: A Memoir of a Martial Art Practitioner, Publisher, and Author Michael DeMarco,2023-10-10 A needle may draw a thread through printed pages to bind a book In

this little memoir I feel like a needle that drew a common thread through a segment of martial art history This book details three interrelated activities 1 martial art studies 2 involvement as founder of Via Media Publishing producing a quarterly journal and books and 3 teaching martial arts Publishers writers researchers and serious martial art practitioners will benefit with the detailed overview of Via Media and its publications Via Media produced the Journal of Asian Martial Arts known for its high academic and aesthetic standards Its contents reflect the history of two decades and provides rich information for practitioners and scholars making *The Best Fight* a valuable reference work In addition to reading the primary way to learn a martial art is through instruction In reading about my studies and teaching experience readers can relate to their own involvement in martial arts What is important here is the portrayal of my instructors their teaching methods and reasons for being involved in martial arts Their accounts should offer insights and inspiration for others who study and practice any martial art

With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Laoshi Tai Chi Teachers And Pursuit Of Principle books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Laoshi Tai Chi Teachers And Pursuit Of Principle books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Laoshi Tai Chi Teachers And Pursuit Of Principle versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Laoshi Tai Chi Teachers And Pursuit Of Principle books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Laoshi Tai Chi Teachers And Pursuit Of Principle books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Laoshi Tai Chi Teachers And Pursuit Of Principle books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and

researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Laoshi Tai Chi Teachers And Pursuit Of Principle books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips.
