even fought against the state of New Jersey to keep sports gambling illegal If wagering threatens the league s integrity as it claims then why does the NFL openly embrace the gambling taking place in fantasy football and why does it allow teams to license their logos to state lotteries Is the league clandestinely working with legal and illegal bookies Are its athletes gambling as well Why are referees constantly making calls that seem to benefit Las Vegas And what role do the NFL s broadcast partners play in all of this Controversial author Brian Tuohy spent the 2014 NFL season doing exactly what it is the league doesn t want its fans doing gambling on its sport in all its forms to learn the true relationship between the NFL and gambling No football fan should watch another game without realizing the impact these two entities have on each other
