Fairy Queens Saga Amber Argyle, 2017-09-06 Rule 1 Never bargain with the fae Rule 2 Never fall for the enemy To be with the one they love three women must break the fae curse that bound their families as immortal enemies Of Ice and Snow The fourth throwaway son of the clanchief Otec witnesses his faraway mountain village come under attack while all the other men are off to war Cut off from his clan and dodging raiders he must trust a foreign woman stalked by a dark mysterious magic as they race to save his family from a life of slavery and his kingdom from utter destruction Winter Queen Never bargain with the fae A dying man delivers a terrible warning a civil war has begun between neighboring clans As healer and clanmistress Ilyenna is tasked with keeping the wounded alive and her people fed in the midst of a seemingly endless winter But she is taken captive she discovers the feud between clans is merely a distraction from something far worse Of Fire and Ash There is one rule above all others never bargain with the fae for such bargains always morph into curses But as the droughts worsen Nelay must rely more and more on her forbidden sight to keep her family alive When her father goes missing she risks exposure to find him before time runs out Summer Queen To rise from the ashes first she must burn As Nelay's kingdom is pummeled into submission Nelay realizes a bigger power is at play than that wielded by mere mortals Perhaps the only way to defeat the fae is to embrace the curse they gave her For only Nelay can stand between the cinders of her once great nation and the vengeance of the Winter Queen Of Sand and Storm By law any child born in Idara is free even if that child is born in a slave brothel Unfortunately for Cinder she has grown into a beauty that surpasses even the renown of her mother and grandmother making her far too valuable a commodity to lose The slaveholder calls in Cinder's debts forcing her into a dangerous game where her very freedom is the prize Daughter of Winter Bargains Only the desperate need them Only the desperate make them And always the desperate pay Isolated in a northern queendom Elice dreams of color and music and life So when a whaling ship crashes just offshore she doesn't hesitate to rescue the lone survivor Adar who quickly becomes her friend She must keep him hidden from her mother at all costs for if the Winter Queen discovers him trespassing she'll kill him Unbeknownst to Elice a bargain was made long ago A bargain she was born to fulfill Winter's Heir Unless Elice can force the immortal queens to unite the magic of winter and summer the magic will die and take the world with it
