The Columbia Companion to Modern Chinese Literature Kirk A. Denton, 2016-04-05 The Columbia Companion to Modern Chinese Literature features more than fifty short essays on specific writers and literary trends from the Qing period 1895 1911 to the present The volume opens with thematic essays on the politics and ethics of writing literary history the formation of the canon the relationship between language and form the role of literary institutions and communities the effects of censorship the representation of the Chinese diaspora the rise and meaning of Sinophone literature and the role of different media in the development of literature Subsequent essays focus on authors their works and the schools with which they were aligned featuring key names

titles and terms in English and in Chinese characters Woven throughout are pieces on late Qing fiction popular entertainment fiction martial arts fiction experimental theater post Mao avant garde poetry post martial law fiction from Taiwan contemporary genre fiction from China and recent Internet literature The volume includes essays on such authors as Liang Qichao Lu Xun Shen Congwen Eileen Chang Jin Yong Mo Yan Wang Anyi Gao Xingjian and Yan Lianke Both a teaching tool and a go to research companion this volume is a one of a kind resource for mastering modern literature in the Chinese speaking world

The Bloomsbury Handbook of Modern Chinese Literature in Translation Cosima Bruno, Lucas Klein, Chris Song, 2023-10-19 Offering the first systematic overview of modern and contemporary Chinese literature from a translation studies perspective this handbook provides students researchers and teachers with a context in which to read and appreciate the effects of linguistic and cultural transfer in Chinese literary works Translation matters It always has of course but more so when we want to reap the benefits of intercultural communication In many universities Chinese literature in English translation is taught as if it had been written in English As a result students submit what they read to their own cultural expectations they do not read in translation and do not attend to the protocols of knowing engagements and contestations that bind literature and society to each other The Bloomsbury Handbook of Modern Chinese Literature in Translation squarely addresses this pedagogical lack Organised in a tripartite structure around considerations of textual social and large scale spatial and historical circumstances its thirty plus essays each deal with a theme of translation studies as emerged from the translation of one or more Chinese literary works In doing so it offers new tools for reading and appreciating modern and contemporary Chinese literature in the global context of its translation offering in depth studies about eminent Chinese authors and their literary masterpieces in translation The first of its kind this book is essential reading for anyone studying or researching Chinese literature in translation

Historical Dictionary of Modern Chinese Literature Li-hua Ying, 2021-11-15 Modern Chinese literature has been flourishing for over a century with varying degrees of intensity and energy at different junctures of history and points of locale An integral part of world literature from the moment it was born it has been in constant dialogue with its counterparts from the rest of the world As it has been challenged and enriched by external influences it has contributed to the wealth of literary culture of the entire world In terms of themes and styles modern Chinese literature is rich and varied from the revolutionary to the pastoral from romanticism to feminism from modernism to post modernism critical realism psychological realism socialist realism and magical realism Indeed it encompasses a full range of ideological and aesthetic concerns This second edition of Historical Dictionary of Modern Chinese Literature presents a broad perspective on the development and history of literature in modern China It offers a chronology introduction bibliography and over 400 cross referenced dictionary entries on authors literary and historical developments trends genres and concepts that played a central role in the evolution of modern Chinese literature

Queer Literature in the Sinosphere Hongwei Bao,Yahia Zhengtang Ma,2024-11-14 Queer Literature in the Sinosphere is the most up to date English language study of lesbian gay bisexual transgender and queer LGBTQ themed literature and culture in the Chinese speaking world From classical homoerotic texts to contemporary boys love fan fiction this book showcases the richness and diversity of queer Chinese literature across the full spectrum of genres styles topics and cultural politics The book features authors and literary works from mainland China Hong Kong Taiwan Singapore and the global Chinese diaspora Featuring chapters by leading scholars from around the world this book rewrites literature history and culture from a queer lens in China and globally

Paris and the Art of Transposition Angie Chau,2023-12-11 A brief stay in France was for many Chinese workers and Chinese Communist Party leaders a vital stepping stone for their careers during the cultural and political push to modernize China after World War I For the Chinese students who went abroad specifically to study Western art and literature these trips meant something else entirely Set against the backdrop of interwar Paris Paris and the Art of Transposition uncovers previously marginalized archives to reveal the artistic strategies employed by Chinese artists and writers in the early twentieth century transnational imaginary and to explain why Paris played such a central role in the global reception of modern Chinese literature and art While previous studies of Chinese modernism have focused on how Western modernist aesthetics were adapted or translated to the Chinese context Angie Chau does the opposite by turning to Paris in the Chinese imaginary and discussing the literary and visual artwork of five artists who moved between France and China the painter Chang Yu the poet Li Jinfa the art critic Fu Lei the painter Pan Yuliang and the writer Xu Xu Chau draws the idea of transposition from music theory where it refers to shifting music from one key or clef to another or to adapting a song originally composed for one instrument to be played by another Transposing transposition to the study of art and literature Chau uses the term to describe a fluid and strategic art practice that depends on the tension between foreign and familiar new and old celebrating both novelty and recognition a process that occurs when a text gets placed into a fresh context

Pathetic Literature Eileen Myles,2022-11-15 An utterly unique collection composed by the award winning poet and writer a global anthology of pieces from lesser known classics by luminaries like Franz Kafka Samuel R Delany and Gwendolyn Brooks to up and coming writers that examine pathos and feeling giving a well timed rehab to the word pathetic Literature is pathetic So claims Eileen Myles in their provocative and robust introduction to Pathetic

Literature a breathtaking mishmash of pieces ranging from poems to theater scripts to prose to anything in between all exploring the so called pathetic or awkwardly felt moments and revelations around which lives are both built and undone Myles first reclaimed the word for a seminar they taught at the University of California San Diego in the early 2000s rescuing it from the derision into which it had slipped and restoring its original meaning of inspiring emotion or feeling from the Ancient Greek rhetorical method pathos Their identification of pathetic as ripe for reinvention forms the need for this anthology which includes a hearty 106 contributors encompassing canonical global stars like Robert Walser Jorge Luis Borges Rumi and Gwendolyn Brooks literary libertines like Dodie Bellamy Samuel R Delany and Bob Flanagan as well as extraordinary writers on the rise including Nicole Wallace Precious Okoyomon and Will Farris Wrenching and discomfiting prose by Karla Cornejo Villavicencio Jack Halberstam and Porochista Khakpour rubs shoulders with poems by Natalie Diaz Victoria Chang Lucille Clifton and Ariana Reines and butts up against fiction from Chester Himes Djuna Barnes Chris Kraus and Qiu Miaojin among so many others including Myles s own opening salvo of their 1992 presidential campaign The result is a completely anomalous and uplifting anthology that encourages a fresh political discourse on literature as well as supplying an essential compendium of pained awkward queer trans gleeful and ever jarring ways to think differently and live pathetically on a polarized and fearful planet

Remembering Transitions Ksenia Robbe, 2023-10-04 This volume offers critical perspectives on memories of political and socioeconomic transitions that took place between the 1970s and 1990s across the globe and that inaugurated the end of the Cold War The essays respond to a wealth of recent works of literature film theatre and other media in different languages that rethink the transformations of those decades in light of present day crises The authors scrutinize the enduring silences produced by established frameworks of memory and time and explore the mnemonic practices that challenge these frameworks by positing radical ambivalence or by articulating new perspectives and subjectivities As a whole the volume contributes to current debates and theory making in critical memory studies by reflecting on how the changing recollection of transitions constitutes a response to the crisis of memory and time regimes and how remembering these times as crises renders visible continuities between this past and the present It is a valuable resource for academics students practitioners and general readers interested in exploring the dynamics of memory in post authoritarian societies

Queer Sinophone Cultures Howard Chiang, Ari Larissa Heinrich, 2013-11-26 The Sinophone framework emphasises the diversity of Chinese speaking communities and cultures and seeks to move beyond a binary model of China and the West Indeed this strikingly resembles attempts within the queer studies movement to challenge the dimorphisms of sex and gender Bringing together two areas of study that tend to be marginalised within their home disciplines *Queer Sinophone Cultures* innovatively advances both Sinophone studies and queer studies It not only examines film and literature from Mainland China but expands its scope to encompass the underrepresented Sinophone world at large in this case Taiwan Hong Kong Malaysia Singapore and beyond Further where queer studies in the U S Europe and Australia

often ignore non Western cultural phenomena this book focuses squarely on Sinophone queerness providing fresh critical analyses of a range of topics from works by the famous director Tsai Ming Liang to the history of same sex soft core pornography made by the renowned Shaw Brothers Studios By instigating a dialogue between Sinophone studies and queer studies this book will have broad appeal to students and scholars of modern and contemporary China studies particularly to those interested in film literature media and performance It will also be of great interest to those interested in queer studies more broadly

Translating Trans Identity Emily Rose, 2021-03-24 This book explores the ways in which translation deals with sexual and textual undecidability adopting an interdisciplinary approach bridging translation transgender studies and queer studies in analyzing the translations of six texts in English French and Spanish labelled as trans Rose draws on experimental translation methods such as the use of the palimpsest and builds on theory from areas such as philosophy linguistics queer studies and transgender studies and the work of such thinkers as Derrida and Deleuze to encourage critical thinking around how all texts and trans texts specifically work to be queer and how queerness in translation might be celebrated These texts illustrate the ways in which their authors play language games and how these can be translated between languages that use gender in different ways and the subsequent implications for our understanding of the act of translation and how we present our gender identity or identities In showing what translation and transgender identity can learn from one another Rose lays the foundation for future directions for research into the translation of trans identity making this book key reading for scholars in translation studies transgender studies and queer studies

Notes of a Crocodile Qiu Miaojin, 2017-05-02 WINNER OF THE 2018 LUCIEN STRYK ASIAN TRANSLATION PRIZE The English language premiere of Qiu Miaojin's coming of age novel about queer teenagers in Taiwan a cult classic in China and winner of the 1995 China Times Literature Award An NYRB Classics Original Set in the post martial law era of late 1980s Taipei Notes of a Crocodile is a coming of age story of queer misfits discovering love friendship and artistic affinity while hardly studying at Taiwan's most prestigious university Told through the eyes of an anonymous lesbian narrator nicknamed Lazi this cult classic is a postmodern pastiche of diaries vignettes mash notes aphorisms exegesis and satire by an incisive prose stylist and major countercultural figure Afflicted by her fatalistic attraction to Shui Ling an older woman Lazi turns for support to a circle of friends that includes a rich kid turned criminal and his troubled self destructive gay lover as well as a bored mischievous overachiever and her alluring slacker artist girlfriend Illustrating a process of liberation from the strictures of gender through radical self inquiry Notes of a Crocodile is a poignant masterpiece of social defiance by a singular voice in contemporary Chinese literature
