Last Call From Serving Drinks To Serving Jesus:

Last Call Jerry Herships, 2015-01-01 I had a vision of a faith community where people could have a wider understanding of God and our relationship to him here I wanted to create a place where people could state what they believe and what they struggle with freely I wanted a community of people who know we don't all have to agree on everything Jerry Herships former altar boy who had dreamed of making it big in show biz tended bar to make ends meet as he worked gigs in comedy and game shows looking for his big break After giving up the dream and leaving Los Angeles he found his way back to the church and discovered God calling him to ministry but not just any ministry Now he leads AfterHours Denver a bar church where people worship with a whiskey in their hand and make peanut butter and jelly sandwiches to serve Denver's homeless Last Call is a story of having and giving up on dreams finding yourself and finding how God can use you in unexpected ways

Not Your White Jesus Sheri Faye Rosendahl, 2018-10-09 Jesus is not white Jesus is not American Jesus does not want to make America great While many of us grew up looking at gleaming portraits of Jesus with blond flowing hair and hearing sermons reaffirming that we have the answers to save a fallen world the real Jesus a Middle Eastern Jew preaching radical humble self emptying love calls us to a different life As we see oppression and hate run rampant in our nation it's as if Christianity has lost sight of the red letters altogether Sheri Faye Rosendahl takes a look at important social issues in our society the responses of American Christians and the true ways behind the red letters Not Your White Jesus addresses the need to reexamine the true ways of Jesus that we find clearly in the red letters enabling readers to discover what it truly means to follow the ways of Jesus in contrast to following the ways of the American Christian elite The Christian Wallet

Mike Slaughter, Karen Perry Smith, 2016-01-27 Conscientious and compassionate use of our money in a world where people spend 310 million on costumes for their pets and 5 billion on entertaining ringtones for their phones is not an easy task The temptation to spend now and think later or never is ever present but with good intentions and prayerful hearts we can slow down and reflect on what we earn how we spend it who is affected by it and who we can share it with from the introduction Every Christian knows that we are called to love God with all our heart mind soul and strength But what about our wallet We are asked to open it every Sunday when the offering basket comes by and are told that giving is a way of being a good steward but what about spending money at a restaurant or grocery store Best selling author Mike Slaughter offers a comprehensive look at how Christians use their money in The Christian Wallet Slaughter explores today's culture of consumerism and the impact of what we buy asking difficult questions about morality and money while acknowledging that there are no easy answers Throughout the book profiles of real people inspire thoughtful reflection about the true value of money and the rewards of conscious spending Questions for individual or group study are also included with each chapter The Christian Wallet helps Christians grapple with important questions about using money how we spend how we live how we save how we give and what it all means **Rogue Saints** Jerry Herships, 2019-03-12 The world is full of good hearted

heathens those who love people and those who want to do good in the world They re not against God they just have little use for church Church is boring and hypocritical Plus who wants to sit through a sermon every week But while organized religion doesn t appeal to them these heathens long for a connection to something bigger than themselves meaning community mission Pastor Jerry Herships leads a church ish community full of good hearted heathens They may not love church but they love sitting around a bar talking about what really matters and doing some good for their city s poorest residents Herships takes that experience and absolves other former churchgoers of their guilt No you don t have to go to church to love and serve God Yes God still loves you and wants to help you love the world Weird Church Paul Nixon,Beth Ann

Estock,2016-02-05 A wake up call to anyone who still thinks church revitalization is simply a matter of doing better the things that used to come so easily However for the innovators whose ministries cannot fully be measured or understood by the old paradigms of members and money Weird Church offers compelling vindication and encouragement that may cause them to stand and cheer **Building a Contagious Church** Mark Mittelberg,Bill Hybels,2000 Mittelberg presents a proven

process for raising the value of evangelism in your heart and in your church He spells out strategies for training all of a church s members to naturally communicate their faith and offers ideas for initiating outreach ministries and events Includes inspiring stories of lives and churches that have been changed as a result of these practical biblical approaches *Many Are Called but Few Are Ready* Jeremiah Merritt,2014-12-01

How do you know if you know Jesus Because you attend church Because you operate in spiritual gifts Because your life has changed for the better Those may seem like cynical questions until we take a closer look at the scriptures Matthew the seventh chapter makes it clear that many churchgoing men and woman who operate in spiritual gifts will be rejected by Jesus because they dont know him They had cast out devils or operated in deliverance ministry healed the sick and done many great works yet they knew not the one in whose name they were doing it in It is possible to answer the call without knowing the One who called you In this insightful and groundbreaking book respected author prophet and teacher Jeremiah Merritt shares with you How to discern and recognize the biblical Jesus How to practically apply being a son of God in the earth The role of sanctification in our relationship with Jesus Christ The satanic role of false prophets and teachers in keeping unsuspecting men and woman in the church from knowing who Jesus really is Understand the difference between God preserving us from wrath or reserving us for wrath You will walk away from your experience with this book being able to biblically and accurately discern your relationship with Jesus Christ and have a divine spiritual confidence to know where you stand with him Signs of the Times, and Doctrinal Advocate and Monitor ,1917
