Through My Eyes Latonya Fordham, 2025-06-24

From a young age I always had a special place in my heart for children Growing up in metropolitan Detroit my childhood was marked by the shadows of abuse and neglect The love I so desperately needed was often out of touch but it ignited a deep desire to give it to others I vowed that one day I would create a safe and nurturing environment for children filled with the affection I rarely received At sixteen my world was turned upside down when I was forced to drop out of school The challenges of teenage pregnancy and the weight of depression and anxiety made it difficult to continue my education But even in those darkest moments my love for children remained unwavering I knew that my journey was far from over and I was determined to find a way to provide for my child and to give them the love and protection I had never known Years passed and I faced many obstacles along the way Despite the hardships I never lost sight of my dream I eventually returned to school and graduated albeit later than most The sense of accomplishment was profound and it fueled my determination to create a better life for my family Throughout my life I have always loved everyone s children as if they were my own My heart bigger than Texas has been a source of strength and compassion Whether it was taking care of neighborhood kids volunteering at local schools or simply offering a listening ear I found joy in nurturing and supporting the young souls around me My home became a haven for children a place where they could feel safe loved and valued Despite having my own children my love and care extended far beyond my immediate family I embraced the role of a caregiver offering support and guidance to those in need Each child I encountered became a part of my heart and their well being was my priority The bonds I formed with these children were a testament to the love and compassion that drove me forward My journey has been one of resilience and determination From the challenges of teenage pregnancy to the struggles of returning to school I have faced many obstacles But through it all my love for children has remained a constant source of strength This love has shaped me into the person I am today and is the driving force behind my writing As I continue to share my story I hope my experiences will inspire others to find their strength and never give up no matter how difficult the journey may be My heart bigger than Texas is a reminder that we are more than the sum of our traumas and that love and compassion can guide us through even the darkest times
