Latin America In The 21st Century Nations Regionalism Globalization:

Latin America in the 21st Century Gian Luca Gardini, Twenty first century Latin America is rich in history culture and political and social experimentation In this fascinating and insightful analysis Gian Luca Gardini looks at contemporary developments at three interconnected levels state regional and global Overall Gardini argues that despite the numerous challenges to be faced Latin America is now more wealthy autonomous and better placed in global geopolitics than at any time in its recent history Comparative Politics of Latin America Daniel C. Hellinger,2020-12-22 This new edition brings Daniel C Hellinger s brilliantly succinct and accessible introduction to Latin America up to date for a new generation of educators In crisp detail Hellinger gives a panoramic overview of the continent and offers a unique balance of comparative politics theory and interdisciplinary country specific context of a thematic organization and in depth country case studies of culture and economics of scholarship and pedagogy Insightful historical background in early chapters provides students with ways to think about how the past influences the present However while history plays a part in this text comparative politics is the primary focus explaining through fully integrated detailed case studies and carefully paced analysis Country specific narratives are integrated with concepts and theories from comparative politics leading to a richer understanding of both Updates to this new edition include Revisiting contemporary populism and the global emergence of right wing populism The pros and cons of extractivism the impact of Chinese investment and trade Contemporary crisis in Venezuela expanded treatment of Colombia and Peru The role of the military LGBTQ issues corruption violence identity issues New sections on social media artificial intelligence and big data cyber technologies Examination of post Castro Cuba Costa Rica s exceptionalism Broader study of environmental movements how governments relate to social movements Examination of personalist parties refugee and asylum rights Interventionist policies of the current U S administration Early impact of the COVID 19 pandemic Comparative Politics of Latin America is a thoughtful ambitious and thorough introductory textbook for students beginning Latin American Studies at the undergraduate level Latin American Nationalism James F. Siekmeier,2017-09-07 With ethnic and class based national movements taking center stage in countries like Bolivia and Venezuela nationalism has proven to be one of the most durable and important movements in Latin America In understanding the history of these nationalisms we can understand how Latin America relates to the rest of the world As Latin America inserts itself into a rapidly globalizing world understanding the changing nature of national identity and nationalism is key By tracing the important historical origins of present day Latin American nationalism this book gives readers a thorough introduction to the subject Only by understanding how nationalism came to be such an important social and political force can we understand its significance today In turn understanding Latin American nationalism helps us understand how Latin America shapes and is shaped by a rapidly globalizing world **External Powers in Latin America** Gian Luca Gardini,2021-04-21 This book examines the role of external powers in Latin America in the 21st century Non traditional

partners have significantly increased their political and economic engagement with the continent Five key questions arise why has this surge taken place when has it happened in which regions and sectors is it mostly felt what is the Latin American perspective and what are the actual results The book analyses 16 case studies the United States the European Union China Russia Japan Canada India Turkey Iran Israel South Korea Taiwan Indonesia the ASEAN countries South Africa and Australia The spectrum of existing explanations in the literature spans from neo extractivism to South South cooperation This volume places them in context and proposes a more multifaceted approach stressing a combination of systemic factors and internal dynamics both in Latin America and in the external partner countries Geopolitics still matters and so do nation states their interests and leaders Ultimately this surge in engagement has largely reproduced past patterns Are new partners that different from the old ones

The China-Latin America Axis Gaston Fornes, Alvaro Mendez, 2018-03-05 This second edition explores and accounts for the many changes in the emerging markets of China and the Latin American countries since 2011 Taking account of major developments such as the rapid expansion of the Chinese state and the on going effects of the global recession the authors present current case studies and data on both Chinese and Latin American companies including updates on those included in the first edition and the presentation of new innovative start ups Including an international relations perspective alongside business strategy and global markets The China Latin America Axis second edition presents the drastic changes in the globalized economy in the past five years

Media and Accountability in Latin America Mariella Bastian, 2019-01-30 This study approaches a pressing question for the public the media and in academia how can the media be held accountable By focusing on the relationship between media and accountability in the understudied region of Latin America Mariella Bastian provides a theoretical framework for the analysis of media accountability MA beyond the Global North The underlying conditions for the development of MA in Brazil Argentina and Uruguay are identified by conducting a multi method study The author also gives an overview of the status quo of the implementation of both traditional and innovative MA instruments

The Pacific Alliance in a World of Preferential Trade Agreements Pierre Sauv , Rodrigo Polanco Lazo, Jos  Manuel  lvarez Z rate, 2018-06-29 This volume focuses on one of the most innovative deep integration constructs The Pacific Alliance which aims at expanding the frontiers of trade and investment governance in Latin America It draws on a conference held at Externado University in Bogota Colombia in November 2015 bringing together leading scholars practitioners and officers of public regional and international organisations interested in a critical analysis of the Alliance its distinctiveness and likely future directions The volume features contributions from the multi disciplinary lens of law political science and economics The Pacific Alliance comprising Chile Colombia Mexico and Peru aims through a participatory and consensual manner to promote the free circulation of goods services capital and persons among its members and to secure deep economic integration through collaboration across a broader set of policy areas than typically obtains in more traditional preferential trade agreements This volume is of

interest to policy makers and staff of international organizations involved in trade and investment negotiations international economic governance in general as well as faculty researchers and graduate students of these topics and of international political economy and comparative regionalism

Sport Mega-Events in Emerging Economies Gonzalo A. Bravo, David J. Shonk, Jorge Silva-Bórquez, Silvana González-Mesina, 2018-04-16 Chile and the South American Games of Santiago 2014 offers an interesting case to examine an event of sizeable magnitude in a country with little history of hosting sport mega events SMEs This case study will expand the readers understanding of third order SMEs like the South American Games and highlight the circumstances under which they occur It also contributes to advance and challenge our knowledge as to what extent previous findings made on impact legacies justifications and challenges identified on larger scale SMEs hosted in the developed world inform the process and outcomes of second or third order SMEs organized in less developed countries This monograph is suitable for scholars and practitioners who want to expand their knowledge on sport event planning outside the rim of the global north It is an essential read for scholars and graduate students in policy studies sociology international business sport and event management and tourism and hospitality Likewise it is an important resource for event planners government officials event rights holders and sport destination marketers involved with the planning of sport mega events across the world

Regional Governance and Policy-Making in South America Anne Marie Hoffmann, 2018-10-09 This book analyzes Latin American regional integration with a novel conceptual approach grounded in extensive field research Using the UNASUR Uni n de Naciones Suramericanas as a case study the author investigates the process of policy making in regional public policy fields in South America The project focuses on intergovernmental structures of regional organizations as an institutional framework for a variety of independent processes in regions It also challenges the perspective of democratic states as unitary actors and seeks to analyze the factors which favor or obstruct regional processes in different policy fields This work will appeal to researchers graduate students and anyone interested in Latin American politics and policy making

From Frontiers to Football Matthew Brown, 2014-08-15 With Brazil hosting the FIFA World Cup this summer and the Olympic Games in 2016 all eyes are on Latin America But what vision of these countries will we be given Will our airwaves be full of cultural stereotypes about Latin Americans and inaccurate interpretations of the region s position in the world In *From Frontiers to Football* Matthew Brown provides a much needed historical analysis to rebut misconceptions about Latin America s past while giving readers the tools with which to understand the region s complex present Telling the story of Latin America s engagement with global empires from 1800 to today *From Frontiers to Football* is as much a narrative of repeated cycles continued dependency and thwarted dreams as it is a tale of imperial designs overthrown colonial armies defeated and other successes that have inspired colonized peoples across the globe Brown restores a cultural history to the continent giving as much attention to pop singer Shakira and retired footballer Pel as he does to coffee producers copper miners government policies and covert imperialism Latin America Brown shows is no longer

a frontier or periphery but rather is at the forefront of innovation and a global center for social cultural and economic activities Clear and readable From Frontiers to Football presents a compelling introduction to the history of Latin America s interactions with the world over the last two centuries Parliamentary Agency and Regional Integration in Europe and Beyond Bruno Theodoro Luciano,2021-08-17 This comparative book analyses the development of regional integration parliaments in three different continents of the world It assesses and compares the expansion and current stage of institutional development of three regional assemblies the European Parliament the Pan African Parliament and the Mercosur Parliament for Latin America Looking in particular at parliamentary agency it aims to answer why and to what extent these regional parliaments have developed differently in terms of their functions and legislative competences Drawing on new and original empirical data official documents and secondary literature the book focuses on the critical junctures in the trajectory of the three assemblies and argues that parliamentary agency has impacted the institutional development of the parliaments leading to diverse paths of regional parliamentarisation This book will be of key interest to scholars and students of global and regional governance comparative regionalism European Union studies legislative studies and more broadly to international relations history law political economy and international organisations **The Routledge Handbook of the Politics of the #MeToo Movement** Giti Chandra,Irma Erlingsdóttir,2020-11-26 Since the MeToo hashtag went viral in 2017 the movement has burgeoned across social media moving beyond Twitter and into living rooms and courtrooms It has spread unevenly across the globe with some countries and societies more impacted than others and interacted with existing feminist movements struggles and resistances This interdisciplinary handbook identifies thematic and theoretical areas that require attention and interrogation inviting the reader to make connections between the ways in which the MeToo movement has panned out in different parts of the world seeing it in the context of the many feminist and gendered struggles already in place as well as the solidarities with similar movements across countries and cultures With contributions from gender experts spanning a wide range of disciplines including political science history sociology law literature and philosophy this groundbreaking book will have contemporary relevance for scholars feminists gender researchers and policy makers across the globe **Street Art and Activism in the Greater Caribbean** Jana Evans Braziel,2022-09-06 Foregrounding street art in the capital cities of Cuba Haiti and Puerto Rico this book argues that Antillean street artists diagnose the impossible state of the arrested present colonized occupied or under dictatorship while simultaneously imagining liberated futures and fully sovereign states Jana Evans Braziel launches a comparative study of art politics history urban street cultures engaged citizenships and social transformations in three Antillean capital cities Havana Cuba Port au Prince Haiti and San Juan Puerto Rico of the Greater Caribbean The book includes a photo documentary archive of street art murals and installations by key muralists in these cities Yulier Rodriguez P rez Jerry Rosembert Mo se and Colectivo Moriviv Chachi Gonz lez Col n Raysa Rodr guez Garc a and Salom Cort s Braziel offers art historical and

geopolitical analyses of the urban street art in their cities of production underscoring street art as political economic and environmental engagements and not as exclusively aesthetic ones with urban space and street life The book will be of interest to scholars working in art history Caribbean studies Latin American studies and urban studies *Liquid Regionalism in the Americas* Karina L. Pasquariello Mariano, Regiane Nitsch Bressan, Bruno Theodoro Luciano, 2025-02-25 This book develops a comprehensive analysis of contemporary regionalism in the Americas which the authors characterise as Liquid Regionalism given its unstable flexible and loose characteristics It innovates by introducing a new concept to assess regional initiatives in the American continents contributing to Latin American and comparative regionalism research agendas The book analyses major regional projects in the Americas and develops these into a novel typology of consultation cooperation and integration This typology helps explain the level of commitments and institutional depth of regional initiatives across the continent The book is for scholars postgraduate and undergraduate students interested in the regional and political dynamics of the Americas across the social sciences including international relations political science sociology international political economy international trade and history *Latin American Responses to Globalization in the 21st Century* M. Nilsson, J. Gustafsson, 2015-12-11 Written by a diverse group of scholars and practitioners from Latin America the US and Europe and taking into consideration the recent global financial crisis the book offers a multifaceted insight into the expectations as well as the possible threats related to Latin America's incorporation into the sphere of global interconnectedness *Comparative Regionalisms for Development in the 21st Century* Timothy M. Shaw, 2016-05-23 The global financial crisis at the turn of the decade has accelerated changes in the relative standing of major regions As both the US and Eurozone economies have confronted a series of setbacks and struggles to find their second breath so Asia Latin America and even Africa have picked up the slack and have been able to maintain high levels of growth The resilience of the Global South questions whether we are witnessing an evolution towards a regional rebalancing or even global restructuring This responding volume has four interrelated topics It explores the transformation taking place in with regard to the financing of development in the Global South and the apparition of new players in the field The emergence of New Regionalisms in the South and the usefulness of these experiences for comparative studies of regional relationship is explicated It turns its attention to new forms of transnational governance that are emerging and the role that a novelty of actors play in this new multilateralism Finally it looks into the implications of this trio of novel directions and players for analyses and policies **The Political Economy of Natural Resources and Development** Paul A. Haslam, Pablo Heidrich, 2016-02-05 The Political Economy of Resources and Development offers a unique and multidisciplinary perspective on how the commodity boom of the mid 2000s reshaped the model of development throughout Latin America and elsewhere in the developing world Governments increased taxes and royalties on the resource sector the nationalization of foreign firms returned to the mainstream economic policy agenda and public spending on social and developmental goals surged These

trends often described as resource nationalism have developed into a strategy for economic development generated a re imagining of the state and its institutional possibilities and created a new but very significant political risk for extractive enterprises However these innovations which constitute the most dramatic change in development policy in Latin America since the advent of neoliberalism have so far received little attention from either academic or policy oriented publications This book explores the reasons behind these policies and their effects on states firms and development trajectories This text brings together renowned thematic experts to examine the political economic causes of resource nationalism as well as its manifestation in six Latin American countries The causal variables considered by the contributors to this collection include a range of political economic determinants of policy including commodity prices the influence of ideology and national politics ideas about industrial policy relations between host governments and investors and how countries respond to opportunities provided by regional initiatives and the new geography of the global economy This volume is essential reading in development economics political economy and Latin American studies as well as for those who want to understand what economic development means after neoliberalism 21st Century Cooperation Antoni Estevadeordal, Louis W. Goodman, 2017-05-18
