To Feast on Us as Their Prey

Rachel B. Herrmann, 2019-02-11 Winner 2020 Association for the Study of Food and Society Book Award Edited Volume Long before the founding of the Jamestown Virginia colony and its Starving Time of 1609 1610 one of the most famous cannibalism narratives in North American colonial history cannibalism played an important role in shaping the human relationship to food hunger and moral outrage Why did colonial invaders go out of their way to accuse women of cannibalism What challenges did Spaniards face in trying to explain Eucharist rites to Native peoples What roles did preconceived notions about non Europeans play in inflating accounts of cannibalism in Christopher Columbus s reports as they moved through Italian merchant circles Asking questions such as these and exploring what it meant to accuse someone of eating people as well as how cannibalism rumors facilitated slavery and the rise of empires To Feast on Us as Their Prey posits that it is impossible to separate histories of cannibalism from the role food and hunger have played in the colonization efforts that shaped our modern world *Awaiting Their Feast* Lori A. Flores, 2025-01-14 *Inventing Authenticity* Carrie Helms Tippen, 2018-08-12 In *Inventing Authenticity* Carrie Helms Tippen examines the rhetorical power of storytelling in cookbooks to fortify notions of southernness Tippen brings to the table her ongoing hunt for recipe cards and evaluates a wealth of cookbooks with titles like *Y all Come Over* and *Bless Your Heart* and famous cookbooks such as Sean Brock s *Heritage* and Edward Lee s *Smoke and Pickles* She examines her own southern history grounding it all in a thorough understanding of the relevant literature The result is a deft and entertaining dive into the territory of southern cuisine black eyed peas and cornbread fried chicken and fried okra pound cake and peach cobbler and a look at and beyond southern food tropes that reveals much about tradition identity and the yearning for authenticity Tippen discusses the act of cooking as a way to perform and therefore reinforce the identity associated with a recipe and the complexities inherent in attempts to portray the foodways of a region marked by a sometimes distasteful history *Inventing Authenticity* meets this challenge head on delving into problems of cultural appropriation and representations of race thorny questions about authorship and more The commonplace but deceptively complex southern cookbook can sustain our sense of where we come from and who we are or who we think we are **We Are Aztlán!** Norma Cárdenas, Oscar Rosales Castañeda, Josué Q.
