Latino As In The Media Latino As In The Media:

Making Latino News America Rodriguez,1999-09-16 Finally she explores how news is produced in both print and broadcast media for the vast Latino population in the United States using a cutting edge blend of the quantitative and qualitative approaches in her research **BOOK JACKET** Latino Spin Arlene Dávila,2008-10-01 Winner of the 2010 Distinguished Book Award in Latino Studies from the Latin American Studies Association Illegal immigrant tax burden job stealer Patriot family oriented hard worker model consumer Ever since Latinos became the largest minority in the U S they have been caught between these wildly contrasting characterizations leaving us to wonder Are Latinos friend or foe Latino Spin cuts through the spin about Latinos supposed values political attitudes and impact on U S national identity to ask what these caricatures suggest about Latinos shifting place in the popular and political imaginary Noted scholar Arlene D vila illustrates the growing consensus among pundits advocates and scholars that Latinos are not a social liability that they are moving up and contributing and that in fact they are more American than the Americans But what is at stake in such a sanitized and marketable representation of Latinidad D vila follows the spin through the realm of politics think tanks Latino museums and urban planning to uncover whether they effectively challenge the growing fear over Latinos supposedly dreadful effect on the integrity of U S national identity What may be some of the intended or unintended consequences of these more marketable representations in regard to current debates over immigration With particular attention to what these representations reveal about the place and role of Latinos in the contemporary politics of race Latino Spin highlights the realities they skew and the polarization they effect between Latinos and other minorities and among Latinos themselves along the lines of citizenship and class Finally by considering Latinos in all their diversity including their increasing financial and geographic disparities D vila can present alternative and more empowering representations of Latinidad to help attain true political equity and intraracial coalitions **Reporting on Latino/a/x Communities** Teresa Puente,Jessica Retis,Amara Aguilar,Jesus Ayala Rico,2022-05-10 This book offers a critical and practical guide for journalists reporting on issues affecting the Latinx community Reporting on Latino a x Communities emphasizes skills and best practices for covering topics such as economics immigration and gender The authors share honest stories about challenges Latino a x journalists face in newsrooms including imposter syndrome and lack of representation in news along with strategies to face and tackle systematic barriers Stories from leaders in the media industry are also featured including journalists and media professionals from ABC News Los Angeles Times Alt Latino at NPR and mit Additionally highlighted are experimental and non traditional new initiatives and outlets leading the future of news media for Latino a x audiences This book is an invaluable guide for any student or journalist interested or involved in the news media and questions of Latino a x representation **The Routledge Companion to Latina/o Media** Maria Cepeda,2016-08-25 The Routledge Companion to Latina o Media provides students and scholars with an indispensable overview of the domestic and transnational dynamics at play within multi lingual Latina o

media The book examines both independent and mainstream media via race and gender in its theoretical and empirical engagement with questions of production access policy representation and consumption Contributions consider a range of media formats including television radio film print media music video and social media with particular attention to understudied fields such as audience and production studies Reinventing the Latino Television Viewer Christopher Chávez,2015-10-30 Reinventing the Latino Television Viewer Language Ideology and Practice examines how the relationship between language power and industry practice is reshaping the very concept of Hispanic television Ch vez argues that as established mainstream networks enter the Hispanic television space they are redefining the Latino audience in ways that more closely resemble the mainstream population leading to auspicious forms of erasure that challenge the legitimacy of Spanish altogether This book presents the integration of English into the Hispanic television space not as an entirely new phenomenon but rather as an extension of two ongoing practices within the television industry the exploitation of consumer markets and the suppression of Latino forms of speech **Latino Periodicals** Salvador Güereña,Vivian M. Pisano,1998-01-01 Reviews 150 magazines of Latino interest covering such categories as business and professional parenting sports and physical fitness current events and general interest **Latin Looks** Clara E Rodriguez,2018-10-08 This book brings together a selection of the most analytically sophisticated writing on how Latinos have been portrayed in movies television and other U S media since the early years of the twentieth century and how images have changed over time in response to social and political change **LatinX Voices** Katie Coronado,ERICA KIGHT,2018-07-16 LatinX Voices is the first undergraduate textbook that includes an overview of Hispanic LatinX Media in the U S and gives readers an understanding of how media in the United States has transformed around this audience Based on the authors professional and research experience and teaching broadcast media courses in the classroom this text covers the evolving industry and offers perspective on topics related to Latin American areas of interest With professional testimonials from those who have left their mark in print radio television film and new media this collection of chapters brings together expert voices in Hispanic LatinX media from across the U S and explains the impact of this population on the media industry today *Communication and Democracy* Maxwell E. McCombs,Donald L. Shaw,David H. Weaver,2013-11-05 Exciting intellectual frontiers are open for exploration as agenda setting theory moves beyond its 25th anniversary This volume offers an intriguing set of maps to guide this exploration over the near future It is intended for those who are already reasonably well read in the research literature that has accumulated since the publication of McCombs and Shaw s original 1972 Public Opinion Quarterly article This piece of literature documented the influence of the news media agenda on the public agenda in a wide variety of geographic and social settings elaborated the characteristics of audiences and media that enhance or diminish those agenda setting effects and cataloged those exogenous factors explaining who sets the media s agenda In the current volume a provocative set of maps for explicating new levels of agenda setting theory have been sketched by a new generation of young

scholars launching an enterprise that has significant implications for theoretical research and for the day to day role of mass communication in democratic societies At the first level of agenda setting are agendas of objects the traditional domain of agenda setting research represented by an accumulation of hundreds of studies over the past quarter century At the second level of agenda setting are agendas of attributes one of the new theoretical frontiers whose aspects are discussed in detail in the opening chapters Other chapters offer maps of yet other theoretical frontiers including political advertising agendas and their impact on behavior the framing of various agendas in the mass media and the differential impact of print and TV the theoretical role of individual differences in the agenda setting influence of the news media on the public agenda methodological advances for determining cause and effect roles in agenda setting and the application of agenda setting theory to historical analysis This volume is an invitation to others to become active members of the invisible college of agenda setting scholarship As such the goals of this book are threefold to introduce a broad set of ideas about agenda setting to enrich the exploration of these ideas by enhancing scholarly dialogue among the members of this invisible college and to enhance the discussion of agenda setting research in seminars and research groups around the world Agenda setting has remained a vital and productive area of communication research over a quarter century because it has continued to introduce new research questions into the marketplace of ideas and to integrate this work with other theoretical concepts and perspectives about journalism and mass communication Understanding the dynamics of agenda setting is central to understanding the dynamics of contemporary democracy This book's set of theoretical essays grounded in the accumulated literature of agenda setting theory and in the creative insights of young scholars will help lead the way toward that understanding

Contemporary Latina/o Media Arlene Dávila, Yeidy M. Rivero, 2014-09-12 The cultural politics creating and consuming Latina o mass media Just ten years ago discussions of Latina o media could be safely reduced to a handful of TV channels dominated by Univision and Telemundo Today dramatic changes in the global political economy have resulted in an unprecedented rise in major new media ventures for Latinos as everyone seems to want a piece of the Latina o media market While current scholarship on Latina o media have mostly revolved around important issues of representation and stereotypes this approach does not provide the entire story In Contemporary Latina o Media Arlene Dávila and Yeidy M Rivero bring together an impressive range of leading scholars to move beyond analyses of media representations going behind the scenes to explore issues of production circulation consumption and political economy that affect Latina o mass media Working across the disciplines of Latina o media cultural studies and communication the contributors examine how Latinos are being affected both by the continued Latin Americanization of genres products and audiences as well as by the whitewashing of mainstream Hollywood media where Latinos have been consistently bypassed While focusing on Spanish language television and radio the essays also touch on the state of Latinos in prime time television and in digital and alternative media Using a transnational approach the volume as a whole explores the ownership importation and circulation of talent and content from

Latin America placing the dynamics of the global political economy and cultural politics in the foreground of contemporary analysis of Latina o media **The SAGE Encyclopedia of Journalism** Gregory A.
