Beyond Machismo Aída Hurtado, Mrinal Sinha, 2016-03-29 Long considered a pervasive value of Latino cultures both south and north of the US border machismo a hypermasculinity that obliterates any other possible influences on men's attitudes and behavior is still used to define Latino men and boys in the larger social narrative Yet a closer look reveals young educated Latino men who are going beyond machismo to a deeper understanding of women's experiences and a commitment to ending gender oppression This new Latino manhood is the subject of *Beyond Machismo* Applying and expanding the concept of intersectionality developed by Chicana feminists Aída Hurtado and Mrinal Sinha explain how the influences of race class ethnicity sexuality and gender shape Latinos' views of manhood masculinity and gender issues in Latino communities and their acceptance or rejection of feminism In particular the authors show how encountering Chicana feminist writings in college as well as witnessing the horrors of sexist oppression in the United States and Latin America propels young Latino men to a feminist consciousness By focusing on young high achieving Latinos *Beyond Machismo* elucidates this social group's internal diversity thereby providing a more nuanced understanding of the processes by which Latino men can overcome structural obstacles form coalitions across lines of difference and contribute to movements for social justice

The Matrix of Race Rodney D. Coates, Abby L. Ferber, David L. Brunsma, 2022-01-17 Topically organized and drawing on the most up to date theories and perspectives in the field *The Matrix of Race* Second Edition examines the intersecting multilayered identities of contemporary society and the powerful social institutions that shape our understanding of race Leading scholars Rodney D Coates Abby L Ferber and David L Brunsma use a storytelling approach to illustrate how racial inequality has produced drastically different opportunities experiences and outcomes within all aspects of life from schools housing medicine and workplaces to our criminal justice and political systems Readers are equipped with a historical perspective theoretical framework and diverse view of race and racial ideologies so that they can confidently participate and contribute to dialogues and practices that will ultimately

dismantle race and racial structures This title is accompanied by a complete teaching and learning package **Latina/os in the United States** Rogelio Sáenz, Maria Cristina Morales, Coda Rayo-Garza, 2024-12-03 As the major driver of US demographic change Latinos are reshaping key aspects of the social economic political and cultural landscape of the country In this second edition of *Latina/os in the United States* Sáenz Morales and Rayo Garza highlight the experiences of Latinos in a variety of domains including gender and sexuality education political engagement work and economic life family religion health and health care crime and victimization mass media and the arts This updated edition includes the latest demographic trends discusses recent mass shootings of Latinos the impact of the Trump administration and COVID 19 With greater focus on the Afro Latino population and Latino social thought it offers sociological perspectives on both native born and immigrant populations and engages readers in thinking about the major issues that Latinos are facing The book clearly illustrates the diverse experiences of the array of Latino groups in the United States with some of these groups succeeding socially and economically while other groups continue to experience major social and economic challenges The book concludes with a discussion of what the future holds for Latinos This book is essential reading for students social scientists and policymakers interested in Latinos and their place in contemporary society **Hispanic Muslims in the United States** Victor Hugo Cuartas, 2020-03-31 The empirical case in this study is that of the Hispanic Catholic converts to Islam in the Washington DC Metropolitan and New Jersey areas of the United States The central research question is To what extent do Hispanic Muslim converts play a role in making different choices regarding religious commitment and practice The argument is that not only do both the more and less active converts play a central role in making choices during the pre affiliation and post affiliation stages but that these choices can often be strategic in nature as they practice the new religion in the United States These choices are shaped by multiple factors This contributes to a new understanding of the prevailing debates among Muslims in Europe and the United States on the nature of Muslim minorities in the West that Muslims here are not merely transplanted but are active participants of diverse expressions of local Islam The evidence in my research shows that being less active does not mean converts do not play a role or make choices Both more active and less active converts make choices based on multiple factors This is especially significant as the main aim of this thesis is to show that the converts make choices and play a role in the post affiliation stage and that these often have strategic elements The Magic Key Ruth Enid Zambrana, Sylvia Hurtado, 2015-10-15 Mexican Americans comprise the largest subgroup of Latina/os and their path to education can be a difficult one Yet just as this group is often marginalized so are their stories and relatively few studies have chronicled the educational trajectory of Mexican American men and women In this interdisciplinary collection editors Zambrana and Hurtado have brought together research studies that reveal new ways to understand how and why members of this subgroup have succeeded and how the facilitators of success in higher education have changed or remained the same *The Magic Key*'s four sections explain the context of Mexican American higher education

issues provide conceptual understandings explore contemporary college experiences and offer implications for educational policy and future practices Using historical and contemporary data as well as new conceptual apparatuses the authors in this collection create a comparative nuanced approach that brings Mexican Americans lived experiences into the dominant discourse of social science and education This diverse set of studies presents both quantitative and qualitative data by gender to examine trends of generations of Mexican American college students provides information on perceptions of welcoming university climates and proffers insights on emergent issues in the field of higher education for this population Professors and students across disciplines will find this volume indispensable for its insights on the Mexican American educational experience both past and present

A Health Equity Approach to Obesity Efforts National Academies of Sciences, Engineering, and Medicine, Health and Medicine Division, Food and Nutrition Board, Roundtable on Obesity Solutions, 2020-01-05 The obesity crisis in the United States disproportionately affects some demographic groups more than others Contextual influences on obesity are complex and include an individual's weight related behaviors and outcomes the intermediate variables that influence these behaviors and outcomes and broader upstream historical social economic physical and policy contexts The National Academies convened a workshop on April 1 2019 to explore the history of health equity issues in demographic groups that have above average obesity risk and to consider principles and approaches to address these issues as part of obesity prevention and treatment efforts This publication summarizes the presentations and discussions from the workshop

Eradicating Human Trafficking: Culture, Law and Policy Gabriela Curras DeBellis, 2021-12-13 With over 40 million people still enslaved around the world this book takes a closer look at the role of culture in society and how certain practices beliefs or behaviors may be fueling human trafficking beyond what the law can curtail The study reveals cultural elements that conflict with existing anti human trafficking laws across three case studies United States India and Costa Rica There is no simple answer or a single solution to stop or significantly reduce the crime but a pragmatic multi disciplinary and human rights approach to the problem may bring to light that efforts to curtail human trafficking will be in vain if we rely on law alone A fundamental shift in culture is imperative

Youth Cultures in America Simon J. Bronner, Cindy Dell Clark, 2016-03-21 What are the components of youth cultures today This encyclopedia examines the facets of youth cultures and brings them to the forefront Although issues of youth culture are frequently cited in classrooms and public forums most encyclopedias of childhood and youth are devoted to history human development and society A limitation on the reference bookshelf is the restriction of youth to pre adolescence although issues of youth continue into young adulthood This encyclopedia addresses an academic audience of professors and students in childhood studies American studies and culture studies The authors span disciplines of psychology sociology anthropology history and folklore The Encyclopedia of Youth Cultures in America addresses a need for historical social and cultural information on a wide array of youth groups Such a reference work serves as a corrective to the narrow public view that young people are

part of an amalgamated youth group or occupy malicious gangs and satanic cults Widespread reports of bullying school violence dominance of athletics over academics and changing demographics in the United States has drawn renewed attention to the changing cultural landscape of youth in and out of school to explain social and psychological problems
