Clancy, 2003 Defining an artistic era or movement is often a difficult task as one tries to group individualistic expressions and artwork under one broad brush Such is the case with impressionism which culls together the art of a multitude of painters in the mid 19th century including Monet C zanne Renoir Degas and van Gogh Basically impressionism involved the shedding of traditional painting methods The subjects of art were taken from everyday life as opposed to the pages of mythology and history In addition each artist painted to express feelings of the moment instead of hewing to time honoured standards This description of impressionism obviously is quite broad and can apply to a wide array of styles Nonetheless it remains a very important school in the annals of art Any current or budding art aficionado should become familiar with the impressionist movement and its impact on the art world This book presents a sweeping study of this artistic period from its origins to its manifestations in the works of some of art history s most revered painters Following this overview is a substantial and selective bibliography featuring access through author title and subject indexes Books in Print Supplement, 1994 House & Garden, 1990 Country Home, 1990 *Colonial Homes*, 1990 Classic American style House Beautiful, 1990 The Impressionists in Needlepoint Carole Lazarus, 1993 **The Impressionists** Pierre Courthion, 1985 *The Impressionists* William Gaunt, 1970 An introduction to the art of the Impressionists which includes an overview of the movement and reproductions of the work of Cezanne Gauguin Renoir and others with explanatory commentary for each work of art and biographies of each of the artists A lively text that introduces the work of the Impressionists Drawn together by a common desire to bring a new kind of realism to painting these artists employed a revolutionary treatment of color and light creating a breadth of expression mood and atmosphere This book offers a comprehensive overview of the entire Impressionist movement **The French Impressionists (1860-1900)** Camille Mauclair, 1903
