This review sheet is not meant to be a direct listing of the questions that I will ask on your exam. This review sheet is much longer than what your actual exam will be. The purpose of this course was to introduce a lot of terms and then test on them on that list. The purpose of this course is to learn about geological concepts and then to use your knowledge to critically think about the implications for the world and the world around you. Keep these thoughts in mind as you prepare for the exam.
