Gnostic Crucifixion G R Mead:

The Gnostic Crucifixion George Robert Stow Mead, 2020-09-28 The Gnostic Mystery of the Crucifixion is most clearly set forth in the new found fragments of The Acts of John and follows immediately on the Sacred Dance and Ritual of Initiation which we endeavoured to elucidate in Vol IV of these little books in treating of The Hymn of Jesus The reader is therefore referred to the Preamble of that volume for a short introduction concerning the nature of the Gnostic Acts in general and of the Leucian Acts of John in particular I would however add a point of interest bearing on the date which was forgotten though I have frequently remarked upon it when lecturing on the subject The strongest proof that we have in our fragment very early material is found in the text itself when it relates the following simple form of the miracle of the loaves Now if at any time He were invited by one of the Pharisees and went to the bidding we used to go with Him And before each was set a single loaf by the host and of them He Himself also received one Then He would give thanks and divide His loaf among us and from this little each had enough and our own loaves were saved whole so that those who bade Him were amazed If the marvellous narratives of the feeding of the five thousand had been already in circulation it is incredible that this simple story which we may so easily believe should have been invented Of what use when the minds of the hearers had been strung to the pitch of faith which had already accepted the feeding of the five thousand as an actual physical occurrence would it have been to invent comparatively so small a wonder On the other hand it is easy to believe that from similar simple stories of the power of the Master which were first of all circulated in the inner circles the popular narratives of the multitude feeding miracles could be developed We therefore conclude with every probability that we have here an indication of material of very early date Nevertheless when we come to the Mystery of the Crucifixion as set forth in our fragment we are not entitled to argue that the popular history was developed from it in a similar fashion The problem it raises is of another order and to it we will return when the reader has been put in possession of the narrative as translated from Bonnet's text John is supposed to be the narrator

The Gnostic Crucifixion G R S Mead, 2022-01-10 The Gnostic Crucifixion is a fine Christian education text by G R S Mead that deals with Gnosticism and the crucifixion of Jesus Christ This classic religious text contains this preface The Gnostic Mystery of the Crucifixion is most clearly set forth in the new found fragments of The Acts of John and follows immediately on the Sacred Dance and Ritual of Initiation which we endeavoured to elucidate in Vol IV of these little books in treating of The Hymn of Jesus

awareness and a symbol of divine realization and spiritual ascent The cross is not merely an instrument of torment but the Tree of Life and Death the center of the soul's transformation the bridge between heaven and earth For Gnosis the crucifixion is the place where the transfiguration of the soul takes place the point at which the divine descends into the world and man ascends toward God The cross is the invisible center of duality where all opposites are reconciled light and shadow matter and spirit man and God

A BOOK OF CHRISTOLOGY AND SPIRITUALITY Drawing on the Acts of John the author guides us on a journey of spiritual transformation where the great Passion becomes self awareness The Gnostic Crucifixion takes us to the deepest teachings of Jesus as a master revealing the true meaning of the mystery of the cross While the crowd sees only a wooden symbol the Cross holds a secret it is a living symbol the Tree of Life the Bread the Faith the Way the central emblem of the mystery of the human being and their spiritual ascent toward the divine This book explores the secret teachings of Jesus the Cross as a path and a symbol of life its connection with Wisdom Sophia with Faith and with the consciousness of the Self

THE COLLECTION ECHOES FROM THE GNOSIS GNOSTIC BOOKS This title is part of the Echoes from the Gnosis series published between 1906 and 1908 which includes treasures of esoteric thought such as The Gnosis of the Mind and The Hymn of Jesus

The Gnostic Crucifixion G. Mead, 2017-02-27 Those Gnostic texts that discuss Jesus crucifixion and resurrection display a variety of views that nevertheless reveal some common themes James is consoled by Jesus in the First Apocalypse of James Never have I suffered in any way nor have I been distressed And this people has done me no harm 19 In the Second Treatise of the Great Seth Jesus says I did not die in reality but in appearance Those in error and blindness saw me they punished me It was another their father who drank the gall and vinegar it was not I They struck me with the reed it was another Simon who bore the cross on his shoulder I was rejoicing in the height over all And I was laughing at their

ignorance 20 John Dart has discerned that the Gnostic stories of Jesus mocking his executors reverse the accounts in Matthew Mark and Luke where the soldiers and chief priests Mark 15 20 mock Jesus 21 In the biblical Gospels Jesus does not deride or mock His tormentors on the contrary while suffering from the cross He asks the Father to forgive those who nailed Him there In the teaching of Valentinus and followers the death of Jesus is movingly recounted yet without the New Testament significance Although the Gospel of Truth says that his death is life for many it views this life giving in terms of imparting the gnosis not removing sin 22 Pagels says that rather than viewing Christ's death as a sacrificial offering to atone for guilt and sin the Gospel of Truth sees the crucifixion as the occasion for discovering the divine self within 23 A resurrection is enthusiastically affirmed in the Treatise on the Resurrection Do not think the resurrection is an illusion It is no illusion but it is truth Indeed it is more fitting to say that the world is an illusion rather than the resurrection 24 Yet the nature of the post resurrection appearances differs from the biblical accounts Jesus is disclosed through spiritual visions rather than physical circumstances The resurrected Jesus for the Gnostics is the spiritual Revealer who imparts secret wisdom to the selected few The tone and content of Luke's account of Jesus resurrection appearances is a great distance from Gnostic accounts After his suffering he showed himself to these men and gave many convincing proofs that he was alive He appeared to them over a period of forty days and spoke about the kingdom of God Acts 1 3 By now it should be apparent that the biblical Jesus has little in common with the Gnostic Jesus He is viewed as a Redeemer in both cases yet his nature as a Redeemer and the way of redemption diverge at crucial points We shall now examine some of these points **The**
