Bowers, 2018-09-27 Pentecostal women ministers have been silenced in official conversations about their place in church leadership What do women ministers believe about family life Have they been influenced by liberal feminism Do they really want to be equal ministry leaders with men What *Women Want* answers these questions in a first ever empirical study that paints a portrait of what it's like to be a Pentecostal woman minister **Showmen's Motion Picture Trade Review**, 1935 Masters, Slaves, and Exchange Kathleen M. Hilliard, 2014 This book examines the political economy of the master slave relationship viewed through the lens of consumption and market exchange What did it mean when human chattel bought commodities stole property or gave and received gifts Forgotten exchanges this study argues measured the deepest questions of worth and value shaping an enduring struggle for power between slaves and masters The slaves internal economy focused intense paternalist negotiation on a ground where categories of exchange provision gift contraband and commodity were in constant flux At once binding and alienating these ties endured constant moral stresses and material manipulation by masters and slaves alike galvanizing conflict and engendering complex new social relations on and off the plantation The New Statesman and Nation, 1937 *Motion Picture Review Digest*, 1937 **The Time Out Film Guide** Tom Milne, 1989 , **Strange Vernaculars** Janet Sorensen, 2020-09-08 While eighteenth century efforts to standardize the English language have long been studied from Samuel Johnson's Dictionary to grammar and elocution books of the period less well known are the era's popular collections of odd slang criminal argots provincial dialects and nautical jargon *Strange Vernaculars* delves into how these published works presented the supposed lexicons of the common people and traces the ways that these languages once shunned and associated with outsiders became objects of fascination in printed glossaries from *The New Canting Dictionary* to Francis Grose's *Classical Dictionary of the Vulgar Tongue* and in novels poems and songs including works by Daniel Defoe John Gay Samuel Richardson Robert Burns and others Front jacket flap **Billboard**, 1968-10-05 In its 114th year Billboard remains the world's premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends **Billboard**, 1959-06-22 In its 114th year Billboard remains the world's premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends **Dramatic Mirror of the Stage and Motion Pictures**, 1917 *Climatological Data*, 1950 *Deadly Censorship* James Lowell Underwood, 2013-12-15 The definitive story of a South Carolina newspaper editor

s murder at the hands of a 1902 gubernatorial candidate and the dramatic trial that ensued On January 15 1903 South Carolina lieutenant governor James H Tillman shot and killed Narciso G Gonzales editor of South Carolina s most powerful newspaper the State Blaming Gonzales s stinging editorials for his loss of the 1902 gubernatorial race Tillman shot Gonzales to avenge the defeat and redeem his honor and his reputation as a man who took bold masculine action in the face of an insult James Lowell Underwood investigates the epic murder trial of Tillman to test whether biting editorials were a legitimate exercise of freedom of the press or an abuse that justified killing when camouflaged as self defense This clash between the revered values of respect for human life and freedom of expression on the one hand and deeply engrained ideas about honor on the other took place amid legal maneuvering and political posturing worthy of a major motion picture One of the most innovative elements of *Deadly Censorship* is Underwood s examination of homicide as a deterrent to public censure He asks the question Can a man get away with murdering a political opponent *Deadly Censorship* is courtroom drama and a true story Underwood offers a painstaking re creation of an act of violence in front of the State House the subsequent trial and Tillman s acquittal which sent shock waves across the United States A specialist on constitutional law Underwood has written the definitive examination of the court proceedings the state s complicated homicide laws and the violent cult of personal honor that had undergirded South Carolina society since the colonial era Since the 1920s the United States has had dozens of sensational trials all of which have been labeled the trial of the century There is no question had the trial of Lieutenant Governor James Tillman for the murder of N G Gonzales the editor of the State newspaper occurred in our time that it would have had the same appellation Riveting as gripping as any contemporary courtroom drama Walter Edgar author of *South Carolina A History* An insightful and in depth look at the assassination of Columbia newspaper editor N G Gonzales by South Carolina Lt Gov James H Tillman in 1903 Jim Underwood s carefully researched work not only reports on the killing and ensuing trial it explains the forces that created a society where it was acceptable to kill a man to silence his pen Jay Bender Reid H Montgomery Freedom of Information Chair University of South Carolina Finally Jim Underwood has unraveled the killing the murder trial and the aftermath and through his narrative tells a story of unfettered freedom of the press versus hot bloodied Southern manhood honor Without question *Deadly Censorship* is a remarkable eloquent and important book W Lewis Burke Director of Clinical Legal Studies School of Law University of South Carolina

De Rosa,2012-02-01 Deborah C De Rosa examines the multifaceted nature of domestic abolitionism a discourse that nineteenth century women created to voice their political sentiments when cultural imperatives demanded their silence For nineteenth century women struggling to find an abolitionist voice while maintaining the codes of gender and respectability writing children s literature was an acceptable strategy to counteract the opposition By seizing the opportunity to write abolitionist juvenile literature De Rosa argues domestic abolitionists were able to enter the public arena while simultaneously

maintaining their identities as exemplary mother educators and preserving their claims to femininity Using close textual analyses of archival materials De Rosa examines the convergence of discourses about slavery gender and children in juvenile literature from 1830 to 1865 filling an important gap in our understanding of women s literary productions about race and gender as well as our understanding of nineteenth century American literature more generally

Theism in the Discourse of Jonathan Edwards R. C. De Prospe,1985 This book proposes that a new semiotic category called theism can more intelligibly classify the discursive pattern that precedes modern humanism in American literature than such standard historicist categories as Puritanism or Calvinism or medievalism and that the writings of Jonathan Edwards exemplify this theist discursive pattern
