Apocalypse Book 1 Paul Oshiro,2021-11-18 It was the year twenty one hundred and the earth s resource limit and climate breached the tipping point from overpopulation and pollution The nations of the earth fighting for survival pushed humanity into World War III The devastation was just as foretold in the Bible s first chapters in Book of Revelation written by the Apostle John War famine plague and unimaginable numbers of deaths decimated the world In the ashes of ruin a new world order arose Desperate and dying the remaining population traded freedom for survival What happened if Apostle John s writings were mistranslated and the units of time of the first series of calamities the Seven Seals were incorrect Fast forward four hundred twenty years later police detective Dom and his partner Jack are sent to discreetly clean up and transfer a dead woman as a favor to a high official An easy job for the seasoned street savvy duo goes horribly wrong as two medical examiners intercept them and destroy the body before Dom and Jack can deliver the corpse In the new world order to fail is to die Dom and Jack must hunt down the medical examiners that hold the key to the mysterious dead woman and redeem themselves to their superiors What the detectives don t know is that so much more hangs in the balance besides redemption for their failed assignment The world is about to experience the remaining tribulations foretold in the Book of Revelations and the Quest is on from the futuristic ring kingdoms of the Middle East South America and beyond to find out what the coming catastrophes will be and when they will occur Join Dom and Jack on this fast paced biblical based futuristic adventure that will leave you breathless and wanting more

Multilingual Texts and Practices in Early Modern Europe Peter Auger,Sheldon Brammall,2023-02-15 This collection offers a cross disciplinary exploration of the ways in which multilingual practices were embedded in early modern European literary culture opening up a dynamic dialogue between contemporary multilingual practices and scholarly work on early modern history and literature The nine chapters draw on translation studies literary history transnational literatures and contemporary sociolinguistic research to explore how multilingual practices manifested themselves across different social cultural and institutional spaces The exploration of a diverse range of contexts allows for the opportunity to engage with questions around how individual practices shape national and transnational language practices and literatures the impact of multilingual practices on identity formation and their implications for creative innovations in bilingual and multilingual texts Taken as a whole the collection paves the way for future conversations on what early modern literary studies and present day multilingualism research might learn from one another and the extent to which historical texts might supply precedents for contemporary multilingual practices This book will be of particular interest to students and scholars in sociolinguistics early modern studies in history and literature and
