Sovereignty of God J. I. Joseph Schmidt, 2017-06-16 Evangelism Approaching this task has been a challenge for God's people both individually and corporately since as long as we can remember and longer We've tried to examine evaluate and consider American culture adapting to reach it attempting to develop fresh and creative methods to get our message to make sense to the lost In doing so we have placed the culture at the front of our consideration We ask What is our culture like and then ask How do we reach it Are we asking the right questions Is this task as complicated as we've made it This book is an urgent call for the Church in

America to repent recover and renew our priorities in evangelism The inspiration for this book came from the author s experience and his benefit from the ministry of Evangelist Ray Comfort and The Way of The Master This book endeavors to discuss something more than a method of sharing our faith while that is included but to truly examine the motives presuppositions and thinking behind how and why we evangelize the way we do This is our most substantial resource on Amazon Questions this book will answer What is Intentional Evangelism What should form our philosophy or theology of Evangelism How has contemporary Evangelism attempted to reach the lost and to what degree are our methods and the language we use biblical and effective Is the gospel still central in our evangelism What does it mean to be effective How do we deal with our fears of sharing our faith What specific counsel does Scripture give us for how to share our faith and what does it teach by example What does Intentional Evangelism look like practically Is street preaching a legitimate means of reaching the lost How do we answer the objections from the lost CHANGES IN THE SECOND EDITION New Cover Design Minor spelling and other corrections Additional footnotes and sources Additional material within body of text expanded paragraphs Formatting and Structure Changes Appendix reviewing Bill Hybels and Mark Mittleberg s book Becoming a Contagious Christian Appendix on Is it Wrong to Have an Agenda With Unbelievers Appendix on Does 2 John v 10 11 prohibit us from witnessing to cults Appendix on Event Based Evangelism Appendix on 7 Reasons to Share Your Faith at Work Appendix on Open Air Springboards About the author Joseph came to know Christ as Savior in 2004 after growing up in a non Christian home and being an atheist for seven years He lived in North Texas most of his life He attended Moody Bible Institute graduating in 2010 with a B A in Biblical Exposition and is currently studying at The Southern Baptist Theological Seminary in Louisville KY He serves as the Pastor of Youth and Family Ministries at Milton Baptist Church in Milton KY He has led evangelism teams in North Texas and Chicago for outreach on the streets in local parks and on college campuses He has facilitated taught and written evangelism curriculum for youth college students and adults He and his wife also served a two year term in a domestic incarnational missionary program designed to reach the lost through building community Joseph simply has a heart to build and stabilize a biblical worldview into the hearts and minds of the church alongside a theology of evangelism that isn t driven by popular culture or sentimentalism but instead intentionally shares the comprehensive gospel message in a loving yet uncompromising way All proceeds go to support my wife and I while we re at seminary

Gospel-Centered Discipleship Jonathan K. Dodson, 2012-03-31 Reflecting on the practice of disciple making in young adult college graduate and local church contexts Jonathan Dodson has discerned some common pitfalls For many discipleship is reduced to a form of religious performance before God For others it devolves into spiritual license and a loose adherence to spiritual facts Both approaches distort biblical motivations for Christian obedience and are in need of reform By explaining various motivations for discipleship Dodson charts a biblically faithful grace driven alternative Additionally he provides a practical model for creating gospel centered discipleship groups small reproducible missional gender specific groups of

believers that fight for faith together This book blends both theology and practice to inspire and equip Christians to effectively fight sin keep Jesus central and make gospel centered discipleship a way of life Both new and growing Christians will learn to trust the gospel in community as they fight together for holiness as well as how to start gospel centered community groups in any local church **Graceful Evangelism** Frances S. Adeney,2011-02-01 The word evangelism evokes strong reactions among Christians Conflict about what it is whether to do it how to go about it and the desired results divides churches demonstrating the need for new theologies and methods that address today s religiously pluralistic and secular contexts This book offers a comprehensive treatment of evangelism from biblical models to contemporary practice Frances Adeney shows that understanding different contexts and approaches to evangelism and accepting the views of others on this crucial topic can help replace the evangelism wars social action vs proclamation with a more graceful approach to sharing God s good news with the world *Gospel Witness through the Ages* David M.
