Wilcox,1998-03-25 Based on long term observation of Alcoholics Anonymous the author focuses on cultural rather than personal causes of drug dependence The

author also discusses how the symbolic action of AA language and culture is the key to recovery This study yields critical information about the development and practice of alcoholism and other drug dependence Through the shared linguistic and cultural interaction of AA the U S cultural ideology that emphasizes individualism personal achievement self control and self reliance is shown to result in conflict thus the gap between the perceived ideal and reality intensifies feelings of separation alienation and isolation leading to dependency This detailed ethnographic narrative of Alcoholics Anonymous is based on three years of participant observation The study suggests that anyone can be victimized by alcoholic thinking Anthropologists sociologists psychologists health care and professional social services organizations will be interested in this book

Receiving God's Cape Raven Smith,2015-05-12 For many centuries religious men have purposely suppressed the Holy Spirit s superhero like power because it threatened their personal kingdoms a power that gives every believer purpose and provides lasting victory over sin This is the same power that was evident in the Apostle s lives in the book of Acts but has since been limited to only a remnant of believers who walked in it by faith but all that is about to change In this book you ll have the ability to unlock the truth of the Holy Spirit s anointing to increase your faith to an unstoppable level This book holds the key to unlocking supernatural gifts and power for you to enhance the Lord s reputation in this earth IN THIS BOOK YOU LL DISCOVER How the power of the Holy Spirit is available for every believer How God has made believers kings and priests redeeming their purpose How you are essential to expanding God s kingdom through the Holy Spirit s gifts Why many churchgoers are staying with Jesus but are leaving the church Why our churches are no longer impacting culture and what we can do to change it How believers are part of the Body of Christ and what that really means **Addiction—God’S**

Healing Duly Noted,2018-02-21 I was just your run of the mill alcoholic who God saw fit to rescue For close to forty years I struggled with addiction and as time went on it always got worse quicker and got more intense after any period of clean time It was not until this unprofessional writer put God like I never had him before in my life and also after a proven twelve step program that I was able to get and stay sober one day at a time I was bankrupt in all ways financially emotionally mentally at times I couldnt remember my name and almost spiritually I turned a perfectly good life into a perfect mess by choice Why I ended up at a few homeless shelters Family and friends were asking begging me to get out of my hometown Buffalo New York because I was going to die as the whole city turned into a people places and things place that people are warned about in recovery Today I tell God people at recovery meetings family and friends I have the best life of anybody I know and I believe it God gets and deserves all the glory all the honor and all the praise that my family and friends give to me God blessed me with one grandchild daughter and another one on the way At recovery meetings they say Rarely have we seen a person fail who has thoroughly followed our path That is so true According to Matthew 6 33 Seek first the kingdom of God and His righteousness and all these things will be added onto you Thank you God bless you Glenn **Grape Juice in the Bible: God's Blessing for His People!** Richard Teachout,2011-09-07 Grape Juice in the Bible presents a strong case for the

fact that Israel in Bible times had fresh grape juice as a healthy beverage It also shows God s disapproval of alcoholic beverages for His people and details the great change in the approval of alcohol among Christians through the last 200 years in America The reason for this book is clearly presented by a recent blog aletheiabaptistministries.org It would be an uphill battle merely to advocate moderation in drinking as many conservatives do but to come to a conclusion that total abstinence is a Biblical mandate would place one immediately in the backwater of Christian social fellowships But that is just the conclusion I ve come to not just because I find it the overwhelming norm of Christian history or because the statistics on drinking grow increasingly alarming but because I ve become convinced that this is the only consistent biblical teaching

Christianity and Alcohol (Wine) Benedict Kofi Amoabeng,2010 The purpose of this book answer s the question if drinking alcohol wine is a sin or not as a Christian And the answer is Drinking wisely as a Christian is not a sin The book is written base on what the bible really teaches and this book is also written base on the direction and understanding from the Holy Spirit I believe this book will give you a great understanding of the topic It explains things like Our bodies being the Temple of God and many many more God bless you **MANIFESTING GOD'S GLORY** GODSWORD GODSWILL ONU, **Pioneer Stories in Alcoholics Anonymous** Dick B.,Ken B.,2012-12-20 Pioneer Stories in Alcoholics Anonymous God s Role in Recovery Confirmed by Dick B and Ken B presents many quotations from the 29 personal stories included in the first edition of Alcoholics Anonymous Those stories by many of A A s pioneers testify to roles played by God His Son Jesus Christ and the Bible in early A A s astonishing successes with medically incurable alcoholics *KNOWING AND FOLLOWING GOD'S WILL* GODSWORD GODSWILL ONU, *THE LAWS OF GOD'S KINGDOM* GODSWORD GODSWILL ONU,2015-03-22 When we talk of the Laws of God s Kingdom we are speaking of Rules which people who are in the Kingdom of God must obey or follow The Rules instruct and command us on how things must be done or the things that are allowed in it The Laws of God s Kingdom also refer to how things happen in the Kingdom of God In other words the Laws of God s Kingdom describe the outcomes or resultant effects of doing this and that or not doing this and that Some things may happen in your life which you did not expect or which you may not explain but it may just be that an existing Law in the Kingdom of God has worked God has magnified and exalted His Word above all His Name Therefore be careful not to go against the Laws of the Kingdom of God *ADAM, THE FIRST MAN, AND NOAH, GOD'S FAVOURITE* GODSWORD GODSWILL ONU,2015-03-13 When God formed Adam He had great plans for him and He also put him in good and comfortable place and conditions God also gave him a helper comparable to him a help meet for him Eve God gave man a position that angels did not occupy However the man being persuaded by his wife disobeyed God when he ate the forbidden fruit And he lost the position that God had given him When God looked and saw that the earth was very wicked and corrupt He regretted that He had made man for He saw that the wickedness of man was great on earth and that every intent of the thoughts of his heart was only evil continually God decided to destroy man from the face of the earth However Noah found favour before God and God saved him and his family

Alcoholism and Other Drug Problems James E. Royce,1996 **God's Ambiance** William John Meegan,2016-10-03

The MATRIX OF WISDOM is all about God's Ambiance residing in the soul of the individual. This volume is about unraveling the deep mysteries of God esoterically codified into the world's sacred scriptures, literature, artworks, monuments, and architecture in all times and climes via the ESOTERIC SCIENCE, i.e. the harmonious integration of the Seven Liberal Arts, Quadrivium (Four Mathematical Sciences) and the Trivium (Three Grammatical Arts) that are the foundations of the ancient Mystery Schools. The MATRIX OF WISDOM is a 10 x 10 matrix that is the original source material that wrote the sacred scriptures in all religious cultures around the world. From the mystical depths of this 10 x 10 matrix, China created the I Ching and the Tao te Ching, Buddhism created their Stupas, Hinduism and Christianity build their temples, cathedrals, and churches, numerous cultures around the world built their pyramids based upon its schematics, and the Native American Indians knew of it. Astrology and the Game of Chess were developed from it, and Pythagoras developed his mathematical theorems from it, and Freemasonry is founded upon it, and the city of Washington DC is built on its esoteric design, and this latter is provided for in the United States Constitution, Article 1, Section 8, however, this matrix is never ever discussed explicitly to the general public. Throughout this volume, there will be a continuous tsunami of demonstrable evidence, directly and indirectly challenging the status quo of academia and the orthodoxy of all religions around the world. The WORD OF GOD will be discussed mainly from the perspective of the Judaeo-Christian Scriptures, the secret teachings of the Roman Catholic Church's literature, artwork, monuments, and architecture, and Freemasonry symbolism designed into the landscape of Washington DC. The MATRIX OF WISDOM, spiritual waters of creation, i.e. sum total or all knowledge, is inherent in the psyche of every human being. The MATRIX OF WISDOM is a commentary on the MONAD, which is the soul's raison d'être, i.e. God, Man, Christ, Tao, Krishna, Buddha, Horus, etc. When the soul comes into the world, it splits into a two-part psyche: ego, consciousness, and the unconscious mind, and this knowledge is esoterically codified into the mythoi of the Judaeo-Christian Scriptures, thus the sacred scriptures of the world are all about explaining to the worthy initiate the dynamics of the soul and its psyche. The sacred scriptures are written first and foremost for the Born-Again initiate, though the average member of the laity has direct access to both its exoteric writings, REVEALED, and its secret esoteric teachings, COVERED. The inexplicable WORD OF GOD, HIDDEN, however, cannot be explained to another in the vernacular. The initiate can know of the ESOTERIC SCIENCE, however, that does not avail him or her of the true understanding of the WORD OF GOD. Only God can communicate that unfathomable and inexplicable knowledge to the individual. The ESOTERIC SCIENCE can somewhat prepare the worthy initiate for the spiritual Initiatic Visionary Experience, which is gifted only to those that are worthy and truly DESIRE to know the WORD OF GOD. The sacred scriptures around the world are written to explain the spiritual Initiatic Visionary Experience; furthermore, the sacred scriptures in their indigenous languages are the most scientific instruments on the face of the Earth, though modernity will most likely dispute that fact ad nauseam. *The Healing Journey for Adult Children of Alcoholics*
