God Bless Me God Bless You:

April D. Adeshile, 2005 All over the world people are the same and what is even more interesting we all have the same hopes we desire many of the same dreams we share the same emotions we all share a time to laugh a time to cry a time to fear a time to love a time to care a time to feel angry a time when we are sad and a time when joy brings us to that place of total happiness peace and tranquility which is a sure moment in time And the truth of the matter is this God is on the throne and it is only in Him through Him and by Him that all things are made possible for us Because He has assured us that He will never leave us nor forsake us God is a BIG GOD And whatever your challenge is whatever your struggle is whatever concern you may have and whatever it is that you are dealing with in your life today there is nothing too hard for God In God works Through Human Personality the author exemplifies beautifully through inspiration what God can do and will do for you when you put your trust in Him The word of God clearly encourages us by this saying if we ask any thing according to his will he heareth us and if we know that he hear us whatsoever we ask we know that we have the petitions that we desired of him 1 John 5 14 15 And know that there are angels we see and there are angels we don't see this is how we know that God is our comforter our helper our maker and our redeemer through the many trials we face and the courage we are inspired through the men women and sometimes children that we cross on a daily basis There is no respect of persons with God Romans 2 11 We are encouraged to let brotherly love continue And be not forgetful to entertain strangers for thereby some have entertained angels remember them that are in bonds as bound with them and them which suffer adversity as being yourselves also in the body Hebrews 13 1 3 How good and how pleasant it is for brethren to dwell together in unity Psalm 133 1 The Lord said **I am Blessed! Power of Raven, Wisdom of Serpent Noragh Jones, 1994-04 The customs and spirituality of the traditional communities of the highlands and islands of Scotland were preserved in a way that has been lost to most people today Jones describes the vital roles of women in those communities with their customary powers of seeing healing blessing and cursing Their hospitality conviviality and deep wisdom together with their celebration of the tasks of daily life have much to teach us today in our modern way of life

Chaucer in Modern English Prose The Canterbury Tales John Edmonds, 2006-07-04 This book presents Chaucer s Canterbury Tales in modern English prose Already Middle English is sufficiently obscure to deter even those interested in English literature How many have read the whole of the Canterbury Tales Even fewer will have read

his other works The purpose of this book is to allow the reader easy access to Chaucer's meaning apart from the poetic presentation This is to put more emphasis on what he says rather than the way he says it Chaucer's works are a commentary on 14th century life and literature much of it in prose There are then two reasons for reading Chaucer One is for social history and the other for his poetry To separate the two can only make his work more accessible Hopefully this will lead to a greater appreciation of medieval English literature in general
