driving them across the United States and Canada *Women, Men, and the Trinity* Nancy Hedberg, 2010-04-01 There is a gridlock in churches today regarding the role of women This debate extends beyond the relationship between men and women In 1 Corinthians 11:3 when Paul says the head of woman is man and the head of Christ is God he is drawing a parallel between the relationship of men and women and the relationship of the Father and the Son within the Trinity This book explores the controversial theological premise that while maintaining equality of essence functionally the Son is eternally subordinate to the Father and women are permanently subordinate to men Nancy Hedberg shares from her research and personal experience to make the case that equality of essence on the one hand and permanent functional subordination on the other whether applied to the Trinity or the relationship between men and women is a questionable premise and is not supported logically historically or biblically *Women, Men, and the Trinity* includes contemporary historical and biblical research regarding functional and essential equality and explores the practical implications of true equality **Biblical**

Theological Investigations into the Incomprehensibility of God Francois P. Viljoen, Albert J. Coetsee, 2025-10-14 *Biblical Theological Investigations into the Incomprehensibility of God* draws readers into the profound attribute of God's incomprehensibility as witnessed in the unfolding narrative of Scripture While systematic theology has long affirmed the incomprehensibility of God this volume breaks new ground by exploring this attribute through the lens of biblical theology tracing its expression in specific texts of the Old and New Testaments Originating from the 2024 EABS conference in Sofia the chapters in this volume represent research by scholars who examine how biblical texts portray God as both revealed and ultimately unfathomable by means of detailed exegetical studies **Themelios, Volume 49, Issue 1** Brian

Sanderson, Gregory Alan Thornbury, 2015-01-01 Jesus calls his followers to be salt and light in a fallen world Through the ages believers have grappled with what form Christian cultural engagement should take Various Christian thinkers have advocated models of engagement and some recent models have used the discourse of the battlefield to speak of winning the culture war In a post Constantinian post Christian culture how are believers to live in the world without being of the world Throughout his ministry David S Dockery has persistently advocated convictional civility as a vision for contemporary engagement in which witness is more important than winning and fidelity is more effective than fighting In this volume respected Christian leaders honor him by presenting these essays that explore convictional civility as a lifestyle of bearing witness for Christ and of contributing to the common good From the pulpit to the public square and from the campus to the courtroom followers of Christ are to demonstrate Christian virtues through winsome civility and Christian values through wholehearted conviction *Multilateral Theology* Timothy T.N
