Justified Faith without Reasons? Valentin Teodorescu,2023-11-06 This study intends to show that the answer to the question whether faith can be justified without proofs can be resolved by importing ideas from S ren Kierkegaard s and Alvin Plantinga s affirmative take on the matter There is a deep similarity between the way they understand belief in God and belief in Christianity The authors share the modern idea that there is an objective truth combining it with the postmodern stance that no method exists which would guarantee access to it One can see at both authors not only a deep commonality of ideas but also a remarkable way in which their understandings augment each other Whereas Kierkegaard comes to the provocative conclusion that if a person wants to live authentically she will meet Christ on her life s journey without needing any proof Plantinga s inquiry contributes to the rational plausibility of this Justified Faith without Reasons project

Cochran,2009-10-01 How true can Christianity really be In a culture where religion and real life often occur in completely different times and places the question troubles many Christians How can we give the reason for the hope that we have amid the many voices telling us that Christianity might be helpful or interesting but not really true for anyone except Christians Why should we ourselves bother with a religion so insubstantial that it is only legitimate within our own minds People with real sins require a real savior not merely inspiring stories and advice on how to live As Though It Were Actually True provides Christians with an introduction to the age old practice of apologetics the rational defense of Christianity as objective truth It explores some of the most important issues on which the Church finds itself in conflict with today s culture through a combination of critical reasoning evidence and the law written on our hearts By providing a philosophical foundation that is reasonable a historical foundation that is factual and a theological foundation that is biblical this book will help equip Christians to contend for their faith against the shallow and deceptive philosophies that seek to undermine it **Unchaining the Lion** Caleb Eissler,2015-10-16 Does God exist How can a good God allow pain and suffering Can we trust the Bible Is Jesus a copy of earlier pagan gods Is Jesus the only way to God What does the Bible actually say about homosexuality transgenderism and abortion Did Jesus actually rise from the dead After living as a strong Christian for most of his life Caleb Eissler began to seriously doubt the very beliefs he had so tightly held to When he entered college he began wrestling with these very questions Eissler realized that Christianity had to answer these questions and more if it was to be taken seriously Ready to walk away from his faith if Christianity was found to be false he embarked on a journey to find the truth After years of research Eisslers faith wasnt just sustained but transformed He not only found the claims of Christianity to be true but also to be even more amazing than he had ever imagined Eisslers doubt research and soul searching fueled a new passion to help others rationally think through the same questions he had encountered Unchaining the Lion is the culmination of Eisslers research and passion Unchaining the Lion sets out to bridge the gap of misunderstanding between Christianity and secular culture by laying out the claims and evidence for Christianity while addressing countless objections and questions along the way To non believers Eissler provides

a coherent and easy to follow explanation of the beliefs and the defenses of Christianity while challenging them on their presuppositions about the world the Bible and God To Christians he provides a solid and deep defense of the claims of their faith that will surely help any believer Unchain yourself from the shackles of doubt towards Christianity as Eissler shares a truth that the world must hear *Atheism is Winning!* Anonymous,2014-04-08 We live in a world of radical hypocrisy Priests Terrorists and Christian Evangelists use iPhones access satellite Networks drive automobiles and seem to exist in some kind of imaginary bubble untouched by reality How is this possible How can such a large number of people both demand modern technology while still refusing to listen to the very people who brought it to them In an age of motor cars electric light bulbs and rockets to the moon more than half the world still insists on keeping their faith in God even while the most rational minds are calling this behavior dangerous archaic and possibly insane Perhaps this is something we should talk about But is anyone listening Perhaps I should say it louder Book features a variety of essays both humorous and serious on the issues of Atheism Marketing Hypocrisy Seduction Religion Psychology of Belief New Atheism Failures of Buddhism The Templeton Prize Beyond Sartre s Reef of Solipsism and other mildly poetic thoughts Critical Thinking Jonathan C. Kyle Keltz,Tricia Scribner,2020-05-29 Dan Barker ex preacher and co founder of the Freedom From Religion Foundation travels widely arguing in debates and speaking on his beliefs that Christianity is false God does not exist and the Bible is filled with errors and mythology He has been touted as one of America s leading atheists Yet close examination of his arguments shows that Barker s reasons for disbelief are poorly reasoned and miss the mark as they are aimed at a mistaken caricature of Christian theism **Answering the Music Man** exposes Barker s misunderstandings of Christianity and provides compelling answers to Barker s arguments **What Is Truth?** DJ Robinson,2022-03-16 In a world filled with conflicting worldviews one often asks the question What is truth D J Robinson asked himself this very question from a young age Join DJ in his journey to Christ as he provides the reader with his reasons for accepting Christianity as the one and only true worldview This work displays the inconsistencies and flaws in other worldviews such as atheism and agnosticism polytheism Judaism Islam Mormonism Jehovah s Witnesses and Hebrew
