Koch with regard to the theme of vengeance are criticized Of special interest are the additional sections on the issues of blood vengeance and the imprecatory prayers Oh My Goddess! Kosuke Fujishima,1999 Keiichi must save three goddess who are endangered when their computerized life support system fails The 99 Beautiful Names of God for All the People of the Book David Bentley,2020-04-06 The author s treatment of the Arabic language and sensitivity toward Muslims and Christians in the Mid East is very helpful Professor Bentley s research touches on one of the most important subjects facing Muslims and Christians Saleem Al Mahdy Professor of Middle East Culture and Islam This work represents a genre that is very interesting The book extracts ideas and themes from the Muslim experience and uses them as a method for getting deeper into the Christian understanding of these names for God It will move us forward in the understanding of Islam Ronald J Miller Professor Emeritus Islamic Studies Dr David Bentley s book is a great help to mutual understanding Many of these 99 names have their origins in the Old and New Testaments J Christy Wilson Jr 1921 1999 lived and taught 24 years in Afghanistan *The Danger of Falling Into the Hands of the Living God* Matthew Mead,C. Matthew McMahon,2016-06-13 In this convicting work directed to increase a healthy fear of the Living God to Christians Mead works from Hebrews 10 31 It is a fearful thing to fall into the hands of the Living God Mead teaches in what sense God is the living God and what it means to fall into the hands of this God who lives Every sinner redeemed or remaining in unbelief will ultimately stand in judgment before the Living God and will have to deal with God both necessarily and everlastingly Necessarily as God requires an account of their life and everlastingly where the final state of the sinner will be determined Mead demonstrates that having such a healthy fear of falling into God s hands is evidenced from that terror which sinners themselves many times feel under the sense of God s wrath in this world Men must be saved by Christ to escape the dreadful judgment that accompanies unbelief when they fall into the hands of the Living God This union with Christ God s only Redeemer is such a union as that by it a man s state is fundamentally changed so that he is no longer a child of wrath It is a union fixed in the blessed state of justification and the forgiveness of sins By virtue of this union he has a right to all the blessings of the covenant This is what gives Christians great boldness in the day of judgment to stand before the Living God in whom hands they are judged This is not a scan or facsimile has been updated in modern English for easy reading and has an active table of contents for electronic versions Ways to Provoke Divine Vengeance Dr. D. K. Olukoya,2014-01-06 God will fight for you and avenge you of your adversaries on one condition that is hold your peace Genesis 14 14 You should not attempt fighting for yourself as stipulated in Romans 12 19 If you value the worth of the enormous benefit and advantage of God s vengeance on your behalf then you must read the twenty one things you must do to secure divine vengeance God is Good Martin G. Kuhrt,2020-07-30 Is the God of the Bible the most unpleasant character in all fiction as Richard Dawkins claims in *The God Delusion* He is backed up by former preacher and now virulent atheist Dan Barker who has cited Scripture seeking to justify every one of Dawkins s infamous character slurs about the God of the Old Testament Dawkins says the biblical God is jealous and proud of it a petty

unjust unforgiving control freak a vindictive bloodthirsty ethnic cleanser a misogynistic homophobic racist infanticidal genocidal filicidal pestilential megalomaniacal sadomasochistic capriciously malevolent bully Barker has added eight accusations of his own Dawkins was too kind he says The God of the Bible is also a pyromaniacal angry merciless curse hurling vaccicidal aborticidal cannibalistic slavemonger Furthermore Barker thoroughly implicates Jesus in the alleged crimes of his Father God is Good seeks to answer every one of these twenty seven accusations Written for theological students pastors preachers thoughtful laypeople who wince at some of what they read in the Bible and those atheists who are honestly searching for truth this book ducks none of the difficult questions and problematic passages **The Sin and**

Robert Atkins,1712 *The Character of God* David Pawson,2014-02-17 Even among Christians opinions vary about the kind of God they worship While the author was preparing a series of sermons on God s multi faceted character he hit on the idea of linking divine attributes to the letters of the alphabet hoping thereby to make it easier for his listeners to remember them All went well until the letter X Whether this was dealt with satisfactorily the reader is left to decide The Holy Bible

Containing the Old and New Testament ,1899 God Is Not Fair, Thank God! George E. Thompson,2014-02-05 Life is not fair What does this reality imply about the nature of God and the destiny of human beings In this engaging book Thompson asserts that fairness is not an expectation of the faithful within the Judeo Christian Scriptures Biblical narrative discloses the mystery of a paradoxical deity that indwells with the suffering of creation and thereby provides a mercy that exceeds the evasive goal of fairness The process of healing and redemption of this cracked creation occurs through the tears and suffering of the biblical God whose authentic power is revealed within divine vulnerability and weakness The Jesus of history truly manifested the fullness of this paradoxical God for he disclosed the richness of the divine Being by emptying himself and taking the form of a redemptive servant When the church grasps for power and control avoids compassionate and costly ministries among the poor and powerless and renders primary focus upon gaining heavenly rewards it rejects its Christ centered mission relinquishes its paradoxical purpose and ceases to strive toward becoming an extension of the incarnation Thompson explores various paradoxical facets of each person of the Trinity and richly illustrates with stories from his vast experience as a parish theologian Revenge Tragedy and Classical Philosophy on the Early Modern Stage Christopher Crosbie,2018-11-14 This book discovers within early modern revenge tragedy the surprising shaping presence of a wide array of classical philosophies not commonly affiliated with the genre **The Vengeance of the Gods** Rex Warner,1954

Executing God Sharon L. Baker,2013-01-01 Why did God have to murder his only son to pay our debts What kind of vengeful violent God can only be satisfied by vicarious blood atonement In Executing God theologian Sharon Baker presents a biblically based and theologically sound critique of popular theories of the atonement Concerned about the number of acts of violence performed in the name of God Baker challenges cultural assumptions about the death of Jesus and its meaning to

Christians She ultimately offers a constructive alternate view of atonement based on God's forgiveness that opens up salvation to a wider group of people

God Our Savior C. Norman Kraus, 2006-12-18 This volume makes a systematic theological statement in light of the unique revelation of God and humankind that has come to us in Jesus the Messiah as recorded in Scripture It is the companion to the author's *Jesus Christ Our Lord* 1987 1990 There are chapters on Jesus Christ as the lens through which we receive theological insight revelation God humanity the Holy Spirit the church and last things all understood through God's self disclosure in Christ From within the Anabaptist theological tradition Kraus offers a biblically oriented alternative to rationalistic orthodoxy and to liberalism He takes Scripture as the normative witness to the meaning of Christ the authoritative source for theological reflection and thus makes a thoroughly evangelical statement Yet this evangel begins with salvation as newness of life in resurrection with Christ not simply as juridical justification The emphasis is on God as source of creative potential rather than on God as instigator of legal judgment Christ the Second Adam the truest image of God is both the climax of creation and the means through which humanity can attain that image and respond to God in personal relationship Kraus views the Holy Spirit as the enlivening presence of the risen Christ the church as the continuing saving mission of Christ and eschatology as the victory of Christ over the powers of evil and death
