## **Godly Words Where Is America In Last Days Prophecy:**

*Godly Words* Paul Johnston Sr,2015-12-09 *Godly Words* is actually two books in one The book begins with seven of the most personal poems written by Christian author Paul Johnston Sr The last of these poems Things are Things and God is God transitions into a study of last days events regarding the second coming of Christ There is a forward and ten brief lessons written in simple style to distill twenty seven years of Bible study and observations into a common sense approach to understanding last days prophecy The conclusions about the fate of America are sobering yet thought provoking This book represents a good faith attempt to look beyond denominational bias and truly attempt to learn the truth of future events

**The Last Days in America** Bob Fraley,1984 You will be challenged and motivated with the explanation of one of the greatest mysteries among Christians how the world s most powerful nation fits into Bible prophecy The surprising and prominent role America plays in end time events is revealed in this book *The Rapture 2028: America's Countdown to Apocalypse!* David Netherton,2015-01-02 A Shocking Bible Discovery found in the Dead Sea Scrolls After forty years of research in the Biblical text this book came about while studying Biblical manuscripts in their original Greek I was given a project by my Greek professor to research the Dead Sea Scrolls This research changed my life my belief about time and the books of the Bible While researching the Dead Sea Scrolls I found two historical books that were in the Bible during Jesus time on this Earth So I ask this question Why did man remove these books The deeper I studied I discovered that our Bible should have seventy books instead of sixty six Six is the number of man and a number representing incompleteness Sixty six doubles its meaning and the number 666 needs no explanations Men do resist God s will today 2 Peter 3:9 While researching the subject I encountered extreme opposition The books of the Bible should be divisible by seven So we are missing one New Testament book and three Old Testament books to make a seventy book Bible Have we been deceived by our religious leaders and science community Does all time truly consist in a 7 007 year window This book is written from the complete seventy book Bible which was revealed in the Dead Sea Scrolls Do the scrolls reveal angels mating with the daughters of Adam Where did the giant human originate Have we all been lied to about Genesis 6 and the events during the days of Noah Are angels and demons masquerading as aliens and UFOs in a great end of time deception Will the dollar collapse by 2022 Will the U S be destroyed in one day by 2028 However when He the Spirit of truth has come He will guide you into all truth for He will not speak on His own authority but whatever He hears He will speak and He will tell you things to come John 16:13-14 **America's Destiny: Choosing God's Will or Ours (A Historical & Latter-day Saint Perspective)** Tad R. Callister,2023-07-10 America s Destiny sets forth compelling evidence of America s divine origin and destiny that it was a nation founded upon divine providence not coincidence as testified repeatedly by the Founding Fathers respected historians and statesmen This revised edition also adds numerous scriptures and statements from prophets of God attesting to this truth With that perspective America s Destiny asks the question that should be on all of our minds What is the greatest challenge

facing our nation today and how should we confront it in a way that pleases God The economy national security immigration gun control poverty racism crime national pandemics climate change While each of these is a valid concern and deserves attention none of them strikes at the heart of our greatest challenge namely finding a way to build stronger homes and bring about a return to family God and moral values To put our prime focus on challenges other than these is to strike at the leaves not the root of the problem It is now our choice and America's choice to place our trust in the wisdom of God or the wisdom of the world to be a nation under God or without God If we become a nation under God then we become eligible to receive the promise Blessed is the nation whose God is the Lord Psalm 33:12 Revelation of Truth Clinton Bezan, 2021-05-20 Is the world falling apart or is it falling into place Today's rapidly changing civilization consists of conspiracy theories secret societies a projected new world order the COVID 19 pandemic the Great Reset threats of mandatory vaccinations and the mark of the beast Is it possible that we are about to enter the Great Tribulation period prophesied in the Bible Is humanity about to enter the storm above all storms In a thought provoking and challenging narrative Clinton Bezan shares a comprehensive strategic perspective to address the existential questions so many of us face in a post modern civilization Join Clinton as he journeys down the rabbit hole and exposes the covert nature of the hidden power structures that have secretly pulled the strings of governments and manipulated world events to align with their cupidity and plutocratic agenda and then subsequently correlates these insights with biblical prophecy in a revealing and profound exposure of the truth Within his presentation Clinton also guides others to realize the genuine need for God to step in and stop the insanity before civilization destroys itself and Earth Revelation of Truth is a Christian narrative that compares current global events with biblical insight to provoke an understanding of the existential meaning and purpose of our individual roles in expediting Christ's return

*Leaves of Healing*, 1926 **Inspired Prophetic Warnings: Book of Mormon and Modern Prophecies about America's Future** Duane S. Crowther, 2023-02-14 Throughout the ages God's prophets have spoken of the latter days And now their messages are available to you in one unique and inspiring volume With elegance and clarity this book weaves the prophecies of our day into distinct themes to reveal penetrating insights and invaluable lessons A timely read for all who are preparing for the Savior's Second Coming *America's Suicide* David Reagan, 2022-02-06 Does America have any hope or is its fate sealed America is in a free fall without a parachute Dr David Reagan asserts the brutal fact that our nation has turned its back on the One who has blessed us so abundantly He contends that our fundamental problem is not Systemic Racism Rather it is Systemic Godlessness We are a nation that has forgotten God The consequences are apostate churches and a society consumed with immorality and violence *America's Suicide* shares from the Scriptures how God deals with a nation He has blessed that turns against Him America has crossed the point of no return and is thus on a path to self destruction The book concludes by talking about the hope that remains for both believers and unbelievers It is a sobering and challenging book that points to Jesus and not politicians as our only hope *The Constitution of the Presbyterian Church in the United*

*States of America* Presbyterian Church in the U.S.A.,1900      *The American Sentinel* ,1926      *Biblical Eschatology*: Dr. Justin G. Prock,2021-06-20 In recent history men from a variety of backgrounds have come to the same conclusion that the Bible is about Israel only For example In 1861 John Mason Neale translated an ancient twelfth century Latin hymn and its title was O Come O Come Emmanuel Ever since 1861 Christians have sung that hymn at Christmas time especially at Advent Do you know what the words really mean that you are singing In 1878 Edward Hine wrote an article titled Seven Eighths of the Bible Misunderstood wherein he explains that seven eighths of the Bible is about national salvation i e the national salvation of True Israel whereas only one eighth of the Bible is about personal salvation Did you know that In the 1960 s Pastor Sheldon Emry wrote an article title An Open Letter to Any Minister Who Teaches the Jews Are Israel wherein he is of the opinion that the Israel that exists today since 1948 is not the True Israel of the Bible In 1998 Arnold E Kennedy wrote a book titled The Exclusiveness of Israel wherein he legally proves using the King James Version of the Bible that the Bible in general is only about True Israel So here we are in the Twenty First Century and the Gospel that is preached today is totally convoluted from that which was preached in the First Century A D by Yahshuah and His disciples i e the Gospel of the Kingdom So where did the so called churches and pastors go wrong By the way is there really a hierarchy in the Bible In order to find out what the truth really is we have to look at the original languages in which the Bible was written and then translated For example the Old Testament was written in Hebrew and Aramaic then translated into Greek The New Testament was written in Hebrew and Greek Both Testaments were put together and translated into Latin then German and finally into English from which the entire world received their own translation of the Bible So what was the original meaning of the words used in the original languages i e the etymology of the words Once that is determined then we can go onto the next phase and discuss types in the Bible From there what is the Law of First Mention How should Bible prophecy be Interpreted Who are the keys to Bible prophecy Where are we in the Bible prophecy timeline During these discussions we will find out who Yahweh chose of all the families of the earth to make His own The churches teach universalism The question then becomes Who was Yahweh s Law given to What are the Laws of Yahweh And then the even bigger question becomes Who was Yahshuah sent to All of these questions and more will be answered as you read this book      **A Biblical Approach to Racism** Michael Cromwell,2000-01-31 This is a book of hope hope for the future and hope for the present I have seen a cancer in American society grow over the years and I felt the need to address it in the most powerful manner possible through God Race relations and racism in my opinion are in a state of regression in the United States I see and hear things as an American black these days that I never thought I would see and hear in my lifetime I sense an uneasy calm between the races that does not need to be there held in place only by the vague concept of political correctness But the heart is still active and no one knows how it will act next In addressing racism in this brief work I redefine it explain why it is here and offer solutions for its eradication I require a trust from the reader and a partnership Self less trust is one of the

most fundamentally lacking elements in American society today and this is what I request from the reader The inclination to discriminate because of race comes from a number of sources I have identified pride ignorance fear jealousy and hatred as some of the key motivations I have sought to quell these negative emotions through the Bible and in solving these emotions solve the actions they lead to including racism Next I seek to explain through the Bible how racism came into being and why it continues to be then I discuss the victim and racism what the victim experiences next I seek to show still through Bible scripture how we can curb our worst natures through the Bible lastly I show how solving racism can lead to solutions to other problems both here in America and in the world To make this all happen I must have the readers trust and courage Solving racism is an easy task It takes only a shedding of self Selfishness is the biggest obstacle to cooperation and unity

**Apocalyptic Fever** Richard G. Kyle,2012-08-01 How will the world end Doomsday ideas in Western history have been both persistent and adaptable peaking at various times including in modern America Public opinion polls indicate that a substantial number of Americans look for the return of Christ or some catastrophic event The views expressed in these polls have been reinforced by the market process Whether through purchasing paperbacks or watching television programs millions of Americans have expressed an interest in end time events Americans have a tremendous appetite for prophecy more than nearly any other people in the modern world Why do Americans love doomsday In *Apocalyptic Fever* Richard Kyle attempts to answer this question showing how dispensational premillennialism has been the driving force behind doomsday ideas Yet while several chapters are devoted to this topic this book covers much more It surveys end time views in modern America from a wide range of perspectives dispensationalism Catholicism science fringe religions the occult fiction the year 2000 Islam politics the Mayan calendar and more

**Field Guide to the Wild World of Religion** Pamela Dewey,2013-02 The American religious scene in 1955 was a very tame and predictable world It matched the tame predictable world of women s clothing where most women going out shopping wore a dress with coordinating gloves hat and shoes And it matched the tame predictable world of children s toys where almost every young girl yearned for a baby doll that said Ma Ma and almost every boy needed a coonskin cap Choices of fashions toys preachers and churches were limited and domesticated Fifty years later the tame predictable world of 1950s fashions and toys is long gone Women go shopping in everything from sweatshirts and jeans to tube tops and short shorts And both boys and girls want the latest Sponge Bob Square Pants video game The same kind of transformation has gone on in the world of religion It is no longer tame and predictable either Welcome to the Wild World of Religion of the 21st Century Explore its habitats identify some of the inhabitants and learn about their characteristics and customs in this Field Guide
