is one of hope belief and determination demonstrating how one's humble beginnings do not determine their future **A God of Principle** David E. Webb,2009-05 Why do bad things happen to seemingly good people Why does God allow Christians to go through storms others don't What is meant by God's principle of opposites Why does God answer prayer at a time that is least expected What was the secret in David's heart that attracted and drew God What are principles Christians can learn that attract and move God What is the culture in Heaven What is time in Heaven What is God's No Fly Zone where everyone is safe from all spiritual attacks What's ahead what goal is God steadily and confidently moving toward The answers might surprise you All these and many more of God's principles are discussed in detail in this book These were just some of the questions the author had when he was diagnosed with advanced stage cancer only a year after he became a Christian He was delivered from this illness but he remained troubled because he lived while many others did not Over 30 years passed Then seemingly overnight God answered and led the author to principles He works by A book was never planned But as the author began to write he found three major principles Over a three year period the author felt inspired to add supporting principles under each of the main principles The author then began to see a pattern in the principles where each supported the other And when combined these principles taught the author how God works using some or all of the principles in every life situation All the principles are carefully supported by scripture God would also reveal to the author how these principles began when he was orphaned at three years old immediately at his mother's death and without his knowledge As the author gave over to God the final desires of his heart God gave back to him answers that had been a mystery about his mother and how God was moving to bring an unexpected spiritual homecoming with her This book was written to give you peace and understanding as you go through trials Our sovereign God is at work in your life many times without your knowledge www.GodOfPrinciple.com *Are You There God? The Left Boot of Fellowship Second Edition K B Napier,2018-10-22 This book is based on my PhD Theol dissertation At the time it was completed computers were not generally available so all research was done in academic and general libraries This is why I added Part B hence this is the Second Edition which contains more available modern sources The book looks at the need for a doctrine of disfellowship excommunication because few local churches comply with God and scripture on the matter though it is urgently needed Most churches are mixed and therefore not legitimate according to God s word Any church that mixes the ekklesia saved men and women and unsaved are bound to have trouble and lower standards of belief And those who commit serious public sins MUST be dealt with both to satisfy God s commands and also to stop such ones infecting the congregation with sinful words and actions At times this disfellowship must be summarily applied when the issue is serious enough In days of darkness and evil this is vital as part of general discipline

The Retail Druggist,1927 **So Help Me God** Andrew Venn,2017-02-24 For many decades mankind has become more conscious and responsible about the need to recycle It is my belief that mankind itself has been recycled since the creation of the world but who am I to declare that Im not a professor of science neither am I somebody who is familiar or should be with a padded cell I am merely a young all right middle aged man that experienced near death but survived to tell his story of his world and visions witnessed seen while in a coma the relevance of them now and my thoughts about our future existence I do not have delusions neither am I a fantasist I am as sane as the next man you ask my pet elephant Mind you it depends on who the next man is Reliving my story has been very intriguing and interesting and it has developed in me a greater understanding and appreciation of life Previously unexplainable imagery seen while in a coma was later recognized But how can I survive this

and in what condition will I emerge The thoughts and ideas that I express are not intended to offend and I apologize to anyone who is offended by my words I am certainly not a preacher neither do I seek pity **The Teacher's Bible Commentary** H. Franklin Paschall, Herschel H. Hobbs, 1972-05-01 The Teacher's Bible Commentary has been one of the widely used reference tools for Sunday School Teachers for over 25 years From the ideal stage the commentary was designed to meet the week to week needs of men and women who have the awesome responsibility of leading others in the study of God's word
