What in the World Is Going to Happen Dennis Mather, 2016-07-15 We are in the last days just before Jesus Christ steals his own people away from this earth to escape the wrath to come That event is known as the rapture This book is a fictional account that begins one second after the rapture **The Clarity of Scripture** James Callahan, 2020-08-31

IS SCRIPTURE CLEAR IF IT IS WHY DO PORTIONS OF IT SEEM SO OBSCURE IF IT ISN'T WHY HAVE THEOLOGIAN'S SPENT SO MUCH TIME DEFENDING THE NOTION OF ITS CLARITY AND MORE IMPORTANT ARE CHRISTIANS ENGAGED IN A FUTILE EFFORT IN TRYING TO READ AND UNDERSTAND IT JAMES CALLAHAN OFFERS VALUABLE INSIGHT INTO THE COMPLEX NOTION of biblical perspicuity He sets the issues within the history of the church and traces how the Bible's clarity has been understood practically and theologically over time With precision and care he clarifies the role of historical context authorial intent and reader response in a constructive articulation of how we come to understand Scripture's meaning Contemporary literary studies inform his discussion and suggest the importance of intertextuality and intratextuality in the reading of Scripture Ultimately Callahan argues Scripture must be viewed as a privileged text within a privileged community Nevertheless it must be read not arrogantly but with humility under the searching glance of the God who caused it to be written

Mather's Theological Compendium Dennis Mather, 2014-03-31 These are exciting times to be living in It is just before Jesus Christ returns to be the King of kings and Lord of lords There are many signs that point to this and I discuss a few of them in this book I'm not going to tell you when this happens because Jesus didn't know when he was here on earth He said it was not for us to know But I'm sure He knows now as He sits at the right hand of God the Father One of the ways we know that the time is near is that knowledge has increased dramatically in the last fifty years Ultimately it all points to God as the creator of the universe We have the internet to dispense our knowledge and it is pretty much worldwide This is one of the ways that an imposter known as the Anti Christ will take over a worldwide government that has been established and set up his own regime Everyone will know this is their leader because it will be broadcast by satellite My advice is to read this book to decipher what the Bible says about these exciting times we are living in As one of my favorite contemporary Christian music groups Whiteheart said in the title of one of their albums Read the book don't wait for the movie

Eschatology Unlimited Dennis Mather, 2018-02-23 This is the third in a series of books that emphasize time is running out for this world as we know it Jesus is coming back soon However the author wanted to go further and encourage Christians who find themselves watching for the Lord's return He does this by stressing the fact that all born again Christians are going to be residing in New Jerusalem someday with their savior Jesus Christ

The Fall of Interpretation James K. A. Smith, 2012-04 One of the most engaging and innovative Christian scholars of our day provides an updated interaction with contemporary hermeneutical discussions

Are Those Your Real Feet? Mark Mahurin, 2018-09-27 Are those your real feet The question assumes that one has been provided with the essential equipment for walking that is feet Although one's feet may not be the most beautiful part of the human anatomy their importance cannot be minimized since if I am to walk I need feet Walking implies that progress is to be expected and a goal is to be obtained and experienced The follower of Jesus must deal with the challenge of transparency and transformation How can I be real with God and recognize the areas in my life that require adjustment in order to align to His purpose and plan for my life If we are to reach the goal God has determined

for each of us we must be willing to expose our hearts to Him and submit to the process He has designed to accomplish the needed transformation Jesus is the archetype the pattern to which all of us are to be conformed Every believer is on this journey toward Christlikeness Hopefully the observations in this book may assist you on your journey

Distorting Scripture? Mark L. Strauss, 2010-02-01 Recent controversies have rocked evangelicalism on the question Is gender inclusive language for human beings faithful and helpful in Bible translation or does it distort and obscure God's Word Distorting Scripture moves beyond sensationalism to the meaty core of an ongoing debate *English Language Bible Translators* William E. Paul, 2015-07-11 More than 300 Bible or New Testament translations including the popular King James Version have been produced in English in the past 600 years These various translations both obscure and well known were undertaken by diligent individuals working either alone or in committees known to number more than 100 This reference work provides information about the men and women who produced English language translations Arranged alphabetically by surname each of the 346 entries includes biographical and vocational information notes on the various editions produced samples of their translation and other pertinent facts In cases where translations were done by committee the chairpersons and project initiators are covered Important anonymous translations are also included

Etrog David Z. Moster, 2018-04-25 Every year before the holiday of Sukkot Jews all around the world purchase an etrog a lemon like fruit to participate in the holiday ritual In this book David Z Moster tracks the etrog from its evolutionary home in Yunnan China to the lands of India Iran and finally Israel where it became integral to the Jewish celebration of Sukkot during the Second Temple period Moster explains what Sukkot was like before and after the arrival of the etrog and why the etrog's identification as the choice tree fruit of Leviticus 23:40 was by no means predetermined He also demonstrates that once the fruit became associated with the holiday of Sukkot it began to appear everywhere in Jewish art during the Roman and Byzantine periods and eventually became a symbol for all the fruits of the land and perhaps even the Jewish people as a whole

All about God's Word God's Word to the Nations Bible Society, 1995 God Speaks Your Language Donald L. Brake, 2022-09-19 God Speaks Your Language is a presentation of the theories and issues facing modern Bible readers It encourages readers to let God's word speak for itself English words must be accurate in their literary narrative in the beauty of poetic verse and in mysterious figurative language all to capture the rich meaning of his revealed word Our first language is the window into our soul To know God to share our deepest feelings with our Creator we will do it in our mother tongue It is the Bible in our language that will truly massage our minds and allow the words of the Infinite to penetrate our inner self The need for study Bibles enables the reader to apply translation into added explanation Proper analysis of Bible versions will help avoid selecting a version one likes because it fits one's lifestyle or church tradition

Miracles Are for Today Troy Edwards,2010-11 For centuries the place of miracles in the church has been debated This controversy remains in our day Numerous views and theological positions are advocated in defense or rejection of miracles for today There are some who believe they are for today some who outright deny their validity for today and some who remain unsure Even among those who believe that God has never ceased working miracles there are a number of perspectives ranging from the idea that they are rare that they are spontaneous and happen only at God s sovereign whim and then there are those who believe that a faith filled group of Christians who believe God s promises can experience them frequently In his book Miracles Are For Today Pastor Troy J Edwards refutes the idea that God s miracles are only for a past generation and explains from Scripture how God s people can experience frequent miracles in their corporate worship as well as within their personal lives Get ready to believe God for a miracle today
