Gods Polished Arrow Wc Burns Revival Preacher:

Scottish Missions to China Alexander Chow, 2022-05-16 This volume explores the important legacy of Scottish missions to China with a focus on the missionary scholar and Protestant sinologist par excellence James Legge 1815-1897. It challenges the simplistic caricature of Protestant missionaries as Orientalizing imperialists but also shows how the Chinese context and Chinese persons converted Scottish missionaries in their understandings of China and the broader world. **Scottish Missions to China** brings together essays by leading Chinese, European and North American scholars in mission history, sinology, theology, cultural and literary studies and psychology. It calls attention to how the historic enterprise of Scottish missions to China presents new insights into Scottish-Chinese and British-Chinese relations. Contributors are Joanna Baradziej, Marilyn L. Bowman, Alexander Chow, Gao Zhiqiang, Joachim Gentz, David Jasper, Christopher Legge, Lauren F. Pfister, David J. Reimer, Brian Stanley, Yang Huilin, Zheng Shuhong. **Transitions to Modernity in Taiwan** Niki Alsford, 2017-07-20

On 19 April 1895 British Consul Lionel Charles Hopkins at the northern port of Tamsui was summoned by Tang Jingsong, the governor of Taiwan, to his yamen in the western district of Taipei. Shortly after his arrival Hopkins was handed a petition signed by a number of Taiwanese notables; the document appealed to the British government to incorporate the island into a protectorate in the wake of an impending Japanese invasion. The British declined. This book addresses the interconnectivity of these two communities by focusing on the market town of Dadaocheng in northern Taiwan. It seeks to contextualise and examine the establishment of a settler society as well as the creation of a sojourning British community, showing how they became a precursor of modernity and middle classism there. By uncovering who the signatories of the petition were and what their motivation was to call upon the British consulate to bring the island under its protection, it brings into focus a remarkable period of transition not only for the history of Taiwan but also for the modern history of China. Using 1895 as a year of enquiry, it ultimately challenges the current orthodoxy that modernity in Taiwan was simply a by-product of the Japanese colonial period. As a social and transnational history of the events that took place in Taiwan during 1895, this book will be useful for students of East Asian Studies, Modern Chinese Studies and Asian History. **The Banner of Sovereign Grace Truth**, 2000. **Encyclopedia of Exploration, 1850 to 1940** Raymond John Howgego, 2008.
