Howe,Susan E. Cook,2019-09-06 Representing Kink raises awareness about non normative texts and non normative erotic practices and desires It defines kink broadly encompassing a range of inappropriate texts and understanding it in frequent reference to non normative erotic fantasies and experiences Kink is treated as both a set of practices as well as a category of texts at the nexus of subject and form In addition to canonical texts that take up erotic and marginalized themes the collection also studies forms that are themselves fringe and feature kink taboo literature self published erotica SM narratives fan fiction role playing games and other disavowed texts The purpose of this study is to focus attention on the margins of an already marginalized subject in order to highlight the extent to which non normative textuality and eroticism both shape and are shaped by culture and context It sheds light on a category of subjects that is at once mainstream in the form of texts such as Fifty Shades of Grey and yet nevertheless repeatedly disparaged and undertheorized This book advocates for conversations about kinky texts that transcend dichotomous frameworks of good and bad and normal and deviant thinking instead in new theoretically rigorous and flexible directions Tangled Tales: The Complete Series Julie Castle,2024-11-12 Julie Castle s Tangled Tales Complete Series Reimagined Fairy Tales A WOLF S TALE Gina Sinclair is trying to look after her grandma s best interests and the family estate as she fends off attempts to send grandma to a rest home She s got no time or desire to fall for a man but there s something about the mild mannered accountant she can t resist Mitchell Wolf is a creature with only a few weeks to live unless he finds the key to his survival hidden at Xanadu the Sinclair s family mansion When Libby Sinclair secretly hires Mitch to protect her granddaughter he can t believe his luck Protecting Gina will absolve his clan from a centuries old debt and give him a chance to surreptitiously search for the key Posing as a mild mannered accountant he moves into the estate to conduct an inventory and finds his hands full trying to protect Gina from danger From the moment they meet Gina is
